\$500 FIRE DAMAGE IN REAR PORTIONS AMERICA LAUNDRY

Damage estimated today at \$500 was caused shortly after 4:00 o'clock last evening when fire starting in the boiler room of the American Laundry, 136 South Central, charred the back part of the building and destroyed a quantity of supplies.

The fire started through the open furnace door, according to Fire Chief Roy Elliott, and fed by a pile of sawdust nearby, crept up the wooden framework of the sheet metal boiler room, billowing out through the roof with quantities of black smoke when the fire department arrived.

In less than five minutes the blaze was under control and within 20 minutes was entirely extinguished, after eating into the adjacent supply room. A light delivery truck was damaged slightly and a ton of soap and other supplies were burned and water-soaked. The flames were kept from spreading to the main part of the building, where valuable equipment is housed.

Robert C. Wright, manager, announced that the loss was entirely covered by insurance. The laundry will resume operation today.

Youthful Stars In Craterian Show

Jane Withers, the chubby, independent little nine year old girl who almost 'stole' the show from Shirley Temple with her acting of the 'meanie' in 'Bright Eyes,' comes in to her own in 'Ginger,' opening a three day run at the Craterian theatre today.

With Jackie Searl in the chief supporting role, the picture boasts the worlds champion girl and boy heroes of the screen. And when Jane, a self-reliant product of a Ninth avenue tenement, is taken into the home of Jackie, pampered Park avenue youngster, trouble and then lots of fun follow as the tomboy shows the rich boy a trick or two in the art of teasing.

O. P. Heggie, veteran character player, and Katherine Alexander are also featured in the supporting cast.
