Disfiguring Varicose Veins Can Be Reduced

A Simple Home Treatment

Never mind what people say. If you have varicose or swollen veins, you want to reduce them, go to any live drug store and ask for an original "Santol" bottle of "Santol" (full strength). If he hasn't it, he can get it quickly for you.

Apply it to the enlarged veins as directed and improvement should be noticed in a few days. Continue its use as size of swelling diminishes.
