

### LIONS STAGE PICNIC AT HOT SPRINGS AS WINDUP OF CONTEST

In spite of showers last evening the local Lions club held their attendance contest picnic at Jackson Hot Springs. Lion Geo. Newberry of the looting side gave Lion Vern Shangle and his winners the feed of their lives and entertainment to go with it for the small margin of 2-10ths of one per cent by which he won the attendance contest which lasted over a period of four months.

Lions Pennington, Hays and Beck spread a feed that was sufficient to feed half of Jackson county and some of the adjoining counties. Lion Leonard Murphy did his stuff in presenting to Lions Littrell and Pennington their trophies for the best Buddie attendance during the same period, also in his staging of a balloon battle between bitter enemies Lion Tail Twister Marty and Lion Tamer Chas. Pritchett, which Lion Pritchett won and both were hired "four-bit" for not doing a better job.

A short talk was given by all the new officers for the year and a good time was had by all, and the weather man was good enough not to let any rain fall during the evening's fun.

### LIGHTNING STRIKES CCC RADIO STATION

The three radio operators at the Medford CCC headquarters station are thanking their stars they weren't on duty during the lightning storm Tuesday afternoon.

A bolt of lightning struck the antenna, proceeded down through the set, burned out various gadgets and radio tubes, and bored a hole in the table. The station was silent Wednesday, and the district headquarters had pressed into service the amateur short wave station owned by Gordon Turner, one of the operators, at his home on Mistletoe street.

The Medford station is a part of the army network in the Ninth Corps Area. Turner, John Townsend and James McCampbell are the operators. The routine messages between district headquarters and Ninth Corps Area headquarters are handled by short wave radio.

### REV. CLEMENS IS HONORED AT MEET

WOODBURN, Ore., July 24.—(AP)—The Rev. C. W. Hatch, business manager of the 35th annual convocation of the Church of God here, said today the present meeting was one of the most successful yet held.

Attendance is estimated at 500. The meetings will close Sunday.

Officers elected by the ministerial association of the group include: Rev. J. J. Gillispie, Salem, chairman; Rev. U. G. Clark, Portland, vice-chairman; Rev. C. W. Hatch, Woodburn, secretary-treasurer.

Others named to special duties include ministerial credentials, Rev. D. Clemens of Medford.

### JUVENILE BAND WILL PLAY AT GRANTS PASS

Word has been received by the Jackson County Chamber of Commerce from the Grants Pass Chamber of Commerce that the Vancouver B. C. Juvenile band will give a concert in the Climate city on Saturday evening and Sunday afternoon. It was announced this morning.

This Canadian band is composed of 85 boys and girls, ranging in age from ten to seventeen years, and the concert is to be given in Grants Pass free to the public. Everyone in Jackson county is cordially invited to attend.

The band, which was organized in 1933, is enroute to the San Diego Exposition where it will engage in a series of concerts.

There is a great demand for American artists in Europe, according to F. C. Schang, concert manager.

### GREAT BRITAIN COLD TO BEAUTIES FROM U. S.

These American chorus girls must leave England immediately because the ministry of labor refused to extend their labor permits. Left to right, front: Luanne Meredith, Patricia King, Norah Gale, Harriet Haddon and Jeannette Dickson. Rear: Helen Curtis, Dedon Blunier, Alma Ross, Nancy Caswell and Lora Lane. ### BUTTER STORAGE OVER LAST YEAR

PORTLAND, Ore., July 24.—(AP)—Indicating the forced position of the butter market is the fact that storage holdings are at this period considerably in excess of this same period a year ago. Holdings of 103,000,000 pounds of butter in storage in 33 leading cities of the country were compared with 70,000,000 pounds a year ago. There were no local price changes.

Declaration of the Washington AAA code as illegal by a court of that state was expected to create greater competition in the price list through the entire Pacific Northwest.

Egg market trading was slowing up somewhat with many mixed grades offered on the trade here since the new law went into effect and the state changed its inspection methods. There continued a lack of general price change in the market for live poultry with demand and supply about equal, neither of them very liberal. A few dressed turkeys were finding favor.

### Markets

**Livestock**  
 PORTLAND, Ore., July 24.—(AP)—(U.S.D.A.) HOG receipts 200, including 131 direct. Market active, fully steady. Good to choice 170-210 lb. weights 9.55-10.00. Light lights largely 9.25-9.50; packing sows 7.50-8.00. Feeder pigs quotable upward to 10.35.  
 CATTLE receipts 50 including 9 direct calves 15 including 10 direct. Quality mostly plain. Market around steady. Common to medium heifers 3.75-5.00. Low cutter and cutter cows 2.00-3.00; common to medium 2.25-4.00. Bulls 4.50-5.00. Good choice vealers quotable 6.00-7.00.  
 SHEEP 600 including 268 direct. Market slow, steady to 15c lower. Bulk good fat lambs 5.50-5.85; common to medium 4.00-5.25. Few yearlings around 4.00. Slaughter ewes 1.50-2.50.

CHICAGO, July 24.—(AP)—(USDA)—HOGS, 11,000; slow steady to 15 lower; good and choice 180-240 lbs. \$10.85-80; 130-170 lbs. \$10.25-60; sows \$9.50.  
 CATTLE, 8,000; steady to strong; up to \$11.60; for three loads with weight; several loads \$11.00-50; underdone strongest on light heifer and mixed yearlings and well finished yearling steers scaling 9.50 lbs. downward; best heifers \$10.50. Underdone weak; fat cows dull; bulls and vealers steady; stockers slow, steady; only better grades getting much action.  
 SHEEP, 10,000; active; slaughter classes strong to 25 higher; most lamb sales 10-25 up; three doubles choice 90 lbs. Washington range lambs \$8.35.

### Wall St. Report

NEW YORK, July 24.—(AP)—Encouraged by a good demand for farm implement and merchandising shares the stock market edged upward enough for a number of key issues to register new 1935 highs today. Trading broadened out considerably during the final hour and a half, when the best progress was made. The closing tone was firm. Transfers approximated 1,200,000 shares.

### SAD SAM BACK WITH AMBITION TO PIN ALL GRAPPLERS IN REGION

Sad Sam Lethers, tall Texas grappler who has recently recovered from a paralyzed side, which came as the result of one of Pete Belcastros drop-kicks in a match at Klamath Falls, arrived this week with the announcement that in Medford he stays until he "beats off all the rattlers around here."

Lethers is scheduled to meet Al Stecher of Canada in one-half of the double main event of Thursday night's wrestling card at the armory.

The supple southerner, whose famous educated leg has pushed him into tremendous popularity in Medford, told of wide travels since he was last seen in action here. He went east to recover from his injury, but during the past two months has done considerable wrestling, succeeding in beating Marvin Westenburg, another heavyweight champ, and Ralph Hammond, junior heavy, weight champion recognized by the national association, while in his old stamping ground, Dallas, Texas.

Lethers, who drove into Medford in a new master deluxe sport model Chevrolet, is not only in the field physically, but says that things are rosy from a business standpoint. He recently returned from his nut ranch at Chehalis, Wash., and reports a fine crop this year which will probably run around a ton or a ton and a half of filberts.

While staying in southern Oregon at his cousin, Les Rappburn's home east of Medford, Lethers plans to make many fishing expeditions along nearby streams.

### WORKERS TAKE UP RELIGIOUS STRIFE

GALWAY, Irish Free State, July 24.—(AP)—Ireland's religious strife spread to the west today as dock workers demanded all Protestant workers in Galway be dismissed in retaliation for Belfast anti-Catholic disturbances.

Workers in several Galway factories walked out in protest again employees of Protestant firms.

There was a clash at one factory between strikers and workers who refused to join them. Police dispersed the fighters with swinging batons.

Fifty extra guards arrived from Dublin to assist in the event of an emergency.

A number of Catholic church leaders in the Irish Free State joined in condemning the attacks on Protestants in the Limerick district and other parts of southern Ireland.

In the north, where the conflict arose from the celebration 12 days ago by Protestant Orangemen of the anniversary of the Battle of the Boyne, the anti-Catholic outbreaks were reported to be diminishing.

### ROTARIANS ENJOY PROGRAM OF FUN

The Medford Rotary club's newly established semi-annual "fun days" made their debut yesterday at luncheon meeting of the club in the banquet hall of the Hotel Medford. The entertainment was a decided departure from the usual Rotary program and the committee's efforts were enthusiastically received by the large attendance of members and guests. Through the cooperation of the hotel management, an impressive setting was arranged for the meeting which was entirely given over to merriment. Lee Bishop, club president.

### CUBA WOULD REGAIN U. S. TOURIST TRADE

HAVANA (UP)—Frank Steinhart, Jr., an American citizen who has spent most of his life in Cuba, and who is vice-president of the Havana Electric company, which operates the city's street car system, has been named a delegate representing the mayor of Havana, on the newly reorganized National Tourist Commission.

A drive has been initiated to make a determined bid for increased tourist traffic from the United States. The Cuban government, heeding the urging of the commercial and industrial interests vitally affected by the tourist trade, virtually has taken the tourist commission out of politics. It has been placed in the hands of business men, representing a diversity of Cuban interests.

Grace George, the actress, attributes the recovery of her health to her acting in the Broadway play, "Kind Lady."

### CCC WATER CARNIVAL SATURDAY NIGHT TO END FIRST AID CLASS

Plans for a water carnival and life saving demonstrations to be held Saturday evening at the Twin Plunges in Ashland were announced today by Captain William C. Ryan, athletic officer of the Medford CCC district.

The carnival will bring to a close the six-day life saving and water first aid school being conducted here and at the Twin Plunges. The swimming races and diving events will bring together the best performers of the Medford and Vancouver Barracks districts, who are here for the school.

The public will be invited to attend the carnival, which will start at 7:30 o'clock Saturday evening. Elmer Holstrom, Red Cross life saving instructor in charge of the school, will have charge of arrangements. Jean Eberhart, new Southern Oregon Normal school coach, and Max Gillinsky, of Medford, both life saving examiners, have been assisting Holstrom.

Ninety members of the Medford and Vancouver Barracks district camps are enrolled in the school. They will return to their camps and conduct similar schools there, making it possible for every CCC member to qualify in this important work.

### \$3,340,000 ALLOTTED OREGON RECLAMATION PROJECTS IS REPORT

PORTLAND, Ore., July 24.—(AP)—The Oregonian's Washington correspondent late yesterday made known that this state had received an allotment of \$3,340,000 for reclamation projects.

A major portion of it was declared, is to go for the earth dam at The Vale impounding 60,000 acre feet, in Deschutes county. Cost of this project, with control works, gates and a diversion tunnel, was announced at \$1,000,000.

The Owyhee is to receive \$1,500,000, and the Burnt river in Baker county \$500,000.

The Vale project was allotted \$340,000.

A wire received here by Marshall Dana from F. O. Hagie, manager of the Yakima, Wash., Chamber of Commerce, listed the "Klamath, Deschutes, Burn river, Owyhee and Vale" projects in Oregon as among those which "were approved Tuesday or under agreement will be approved next week."

Hagie has been in Washington for the past several months.

No mention of a Klamath project was included in any list of definite allocations announced recently, however.

### COLLEGE CONDITIONS OF JEWS TO BE EYED

CINCINNATI, Ohio (UP)—Complete survey of conditions on American college and university campuses as they relate to Jewish students and faculty members will be made during the coming year by Dr. Lee J. Levinger, recently appointed director of the bureau of research of the B'nai B'rith.

Dr. Levinger is the author of several books, the only rabbi ever to be selected as chaplain of the American Legion, and was formerly a member of the Ohio State university faculty.

### GIRL HITCH-HIKER EXPLAINS TECHNIQUE

TUSCON, Ariz. (UP)—These are the rules of Miss Shirley Williams for hitch hiking:

Don't hitchhike in trucks or on freight trains. Never accept rides of less than 100 miles.

"I make an average of better than 400 miles a day," she said. She says that she has crossed the country four times, and stopped here on her fifth trip. She has a contract with Paramount when she gets to Hollywood, she reported.

### TRAVELING ROTARIAN NEVER MISSES MEET

SHANGHAI (UP)—An unbroken record of 19 years attendance at Rotary International meetings is being maintained by Mr. I. M. Knoynyder, of Colton, Cal., during a seven-months round-the-world cruise. Knoynyder has to date attended meetings in Honolulu, Osaka, Japan, and Shanghai.

He plans to attend meetings in Hongkong, Manila, India, Egypt and Europe.

Knoynyder, accompanied by his wife and daughter, arrived in Shanghai this spring. They plan to reach home in September.

### SKY PROJECTOR LIGHTS CLOUDS MILE DISTANT

CHICAGO (UP)—A new form of night sky-writing was introduced to

**Schilling Toasted Tea**  
 A tall tinkling tumbler so full of fragrant flavor you can taste it to your toes.

frequenters of Chicago's Loop, when a mammoth 400,000 candle-power beam projected advertising material on buildings and low-hanging clouds.

The apparatus is known as the sky-projector and is the result of seven years research on the part of Helmar George, its inventor. Its powerful ray can throw an image on clouds to a distance of one mile from the earth.

The machine has an 18-foot focus, which projects the stenciled message through a specially ground plano-convex lens.

Hockey is said to have originated with the Persians, from whom it was acquired by the Greeks, who in turn passed it on to the Romans.

WITH OR WITHOUT DELUXE EQUIPMENT

**A FORD is always a FORD V-8**

EVERY FORD CAR HAS:

- the same, economical, 85 horsepower V-8 engine
- the same, new, Comfort-engineered Chassis
- 6.00 x 16" air-balloon tires and Safety Glass all 'round at no extra cost

**IMPORTANT FORD FEATURES COMMON TO ALL BODY TYPES**

- 85 h. p. V-8 engine, with aluminum cylinder heads and dual, downdraft carburetor.
- 123-inch springbase for riding ease on a 112-inch chassis for handling ease.
- Torque-tube Drive.
- Front seat 50 1/2" wide... Ample luggage space in all models at no extra cost.
- Welded steel-spoke wheels with 4" rim.
- All-steel body welded into one piece.
- Big, positive brakes with more braking surface for car weight than any car under \$1095.
- 4 double-acting hydraulic shock absorbers.
- 6.00 x 16" air-balloon tires.
- Safety Glass all 'round.

FORD builds only one size of automobile, with the same V-8 engine on the same 112-inch chassis. The springbase of all Ford cars is 123 inches and all passengers ride centered—between the springs in the "Comfort Zone."

The only difference between a Ford V-8 and a Deluxe Ford V-8 is in equipment—not in engineering. And even here, two important items—Safety Glass all 'round and 6.00x16" air-balloon tires—are standard equipment on all Ford cars.

Therefore, in choosing your 1935 car, check the list of features shown above. All of them are on every Ford car built, and without them no automobile can be considered a true 1935 value.
