Sheriff Syd I. Brown estimates that

rought-resistant plants already have een brought back from Turkestan

been brought back from lurkestan by plant hunters of the department of agriculture. Those plants now are growing in plant reserve stations ex-tablished last year.
Additional lots of seed have ar-rived recently from Manchuria and Mongolia, and other valuable ship-

Despite human exploitation ex-tending over centuries, and despite adverse natural conditions, it was pointed out, some vegetation has re-mained in the Asiatic sands. It is that "tenacious" vegetation which

the American explorers seek. "Upon these sand dunes, upon these endless mounds," Prof. Roerich said, "one still finds remnants of great forests; there still are found great quantities of feathergrass, and other steppe grasses at once strongly resistant and useful for forage.

"Crossing the endiess desert spaces. I slways realize the countless possibilities still preserved in these virgin stappes. I do not even venture to speak here of the vast store of sedical plants scattered throughout these regions, and utilized so little by men, since science has only now begun to pay attention to these treasures which have been known for centuries, but which have been for-gotten in the bustle of life."

Searched Around Gobt Desert. Searched Atomic temporary in past years, introduction of soy beans, various lespedezas, Chinese elm, and crested wheat grass greatly benefited American agriculture. It is

The expedition was sent to bordering the Gobi desert because of the great pasture regions which apparently withstand terrific

ited to \$1,300 a year under the state constitution. Circuit Judge L. G. Lewelling of the Marion county dis-trict, ruled in a decision handed down here late yesterday.

here late yesterday.

The judge's decree terminated the suit brought by Ed Jory of Salem, against Governor Charles H. Martin and the secretary of state and state treasurer, seeking to enjoin the governor from drawing a salary of more than \$1.500 annually.

Jory was represented by Rodney Alden, editor of the Woodburn Independent, Jory's case had been based pendent. Jory's case had been based

on article 13 of the state constitution

creasing that salary were constitu-The governor's present rate of pay is \$7.500 annually less a 27 per cent reduction set by the 1933 legislature. The court's decision uppeld the contentions of Ralph Moody, deputy contentions of Halph Moody, deputy attorney-general, who represented the state in the case. Lewelling decided the case on its merits alone, and did not rule on the point as to whether or not Jory as a citizen was entitled

ing through the attorney-general's office. office.

No intimation was given that the case would be appealed to the state supreme court, and due to the clarity of Lewelling's ruling it was considered unlikely it would be.

# AGED OPEN RUSH FOR WASHINGTON PENSION BENEFIT

Sales Tax and Other Forms to Provide \$35,000,000 During Next Two Years for Those Over 65 Years

OLYMPIA, Wash, (UP)-With .

Why is it the weakest back must carry the heaviest load?

While the feet that are surest and firmest have the smoothest paths to go.

And the back that is straightest and strongest has never a burden to know?

Why is it the brightest eyes are the ones soon dimmed with tears?

OLYMPIA. Wash. (UP)—With a \$10.000.000 "paper appropriation" by Washington has started paying the lold age pensions directly out of the state abandoned its old plan of having counties pay pensions because no adequate way of financing them was discovered. Formerly, the state had contributed horse racing and liquor profits towards pensions. the ones soon dimmet with the fear of the controlled horse racing and liquio profils towards pensions.

Why is it the lightest heart must ache and sche for years, while the eyes that are hardest and coldest shed never a bitter tear,

Special Taxes Assessed

A two per cent rotall sales tax, an occupational tax and 11 other types of taxes were enacted by the 1935 legislature to finance government, schools, relief and pensions. The tax bill is expected to raise \$35,000,000 the next two years.

The state will retain its share on home roce betting and liquer rotalism.

Special Taxes Assessed

to help finance pensions up to \$30 a month. Frank Dowd, supervisor of old age Why is it the sweetest smile has for its slater a sigh?

Why is it the strongest love is the one we slways pass by.

While the smile that is cold and indifferent is the one for which we pray.

Prank Dowd, supervisor of old age pensions, estimated the state would pensione, estimated the state would pensione. Settinated the state would pension as a high as 60,000 applicants for money this month.

Five Years Residence Required The state's pension law requires a person to be 55 years of ege and a

horse race betting and liquor profits

The state's pension law requires person to be 55 years of age and state resident five out of the last years. All applications for pension will be investigated by the welfare department before grants are made The law was drafted to take advan-The law was gratted to take advantage of any federal aid congress may give states in financing pension programs. Under Washington's old country system, which proved unsatisfactor; few pensions were paid, due to lack of funds.

And the deeds worth little praise, are the ones that are published well?

Why is it the friends we trust are list besiness to the United States in 1935 is expected to show an inis it the lips we wish to kias, crease of approximately 25 per cent are the ones that are far away, according to estimates issued by it close by our side (if we knew prominent railroad, automobile club it) is a friend who loyal would
