AMERICA HANDED WHITWASH DAVIS CUP NET MATCHES

Allison and Budge Conquered by Perry and Austin for Most Humiliating Defeat in Years.

WIMBLEDON, Eng., July 30.—(AP)—The United States was whitewashed in the Davis cup tennis challenge round for the first time in 24 years today when Fred Perry defeated Wilmer Allison, 4-6, 6-4, 7-5, 6-3, and H. W. (Buddy) Austin conquered Don Budge, 6-2, 6-4, 6-8, 7-5. Great Britain thus swept all five matches of the series and completed a magnificent second defense of the cup won from France in 1933.

It was America's most humiliating defeat since Australia blanketed Uncle Sam's court representatives in 1911 and it marked the end of the sixth challenge round bid to recapture the coveted trophy since it was lost by the United States to France in 1927.

Perry and Austin, who accounted for four points between them, shared the honors of the sweeping victory with the veteran George Patrick Hughes and young and powerful Raymond Tuckey, who sprang a major surprise yesterday when they toppled the highly favored U. S. combination of Allison and Johnny Van Ryn in a stirring five-set doubles match.

The victory over the American team, coupled with Perry's triumph over Budge and Austin's from Allison Saturday, clinched the series for England. As the result today's matches actually were meaningless exhibitions carried out merely to determine the size of England's winning margin.

Immediately after the Allison-Perry match, members of the rival Davis cup teams watched the stars and stripes and the union jack carried to the middle of the somewhat barren center court for presentation of the trophy by Princess Helena Victoria, sister of King George.

All members of the team, their captains and Gene Mako and Sidney B. Wood, Jr., American players who did not get into action, lined up and made their bow to the princess before she handed the big trophy to Roper Barrett, captain of the winning team.

The crowd then joined in three rousing hip-hip-hurrahs and officially closed the open season on American Davis cuppers.

ANGELS CREEP UP IN COAST RACE

By the Associated Press.

The Los Angeles baseball club has finally decided to turn on the heat and is now but two games behind the pre-setting but faltering San Francisco Seals.

And the Angels engage the Seals in a seven-game series, starting today. With a made-over bunch of Gelders the Seals are going to find it rather hard to stop the soaring Seraphs.

Joe DiMaggio, the cog around which the Seals revolve, and Joe Mauer, both outfielders, were injured in Sunday's double header. Manager Frank O'Doul and Steve Barath, an infielder, filled in, but couldn't quite make up for the two missing jobs.

Hollywood, who finally nosed out Sacramento for last place, takes on the second-place Missions. Maybe Sacramento can regain their old place in the cellar, as they engage the scrappy Braves at Portland.

Seattle and Oakland, who have managed to keep their breaths in each other's faces all season, hope to settle their feud in the northern city. The Oaks lead off with a slight edge, as they are a half game ahead of Dutch Reuther's tribesmen.

FISHING BETTER ON LOWER ROGUE

GRANTS PASS, July 30.—(Sp)—Fishing in the Grants Pass section over the last week-end showed considerable improvement over the previous week. A few steelheads are being taken here and there along various sections of the river. So far, honors for the week go to Ted Haynes who took a nine and a quarter pound steelhead on a No. 1 March Brown at Pierce Riffle, just below Weasaku Inn, early Sunday morning. He hooked three steelheads and landed two of the three. A few small steelheads were taken in the Galice section yesterday.

THE DALLE'S, Ore., July 30.—(AP)—The Dalles American Legion junior baseball team today pointed toward the state championship playoffs at Woodburn following a rollicking 20 to 2 victory over Burns here yesterday for the eastern Oregon championship.

DONALD RESIGNS AS MATCHMAKER

LOS ANGELES, July 30.—(Sp)—Lou Daro, who holds the lease on the Olympic auditorium, announced today that Dick Donald had resigned as matchmaker here and that after next Tuesday's card there would be no regular weekly boxing program.

"Only big fights will be staged, and at intervals," said Daro. "I have lost more than \$15,000 already trying to restore boxing's popularity at the Olympic, and have decided to quit the regular programs."

Donald succeeded Tom Gallery, who stepped out as Olympic matchmaker last January.

Donald is well known here as manager 20 years ago of Bud Anderson, former "Pride of Medford."

STECHEER WARNS SOOS HE WILL BE MEAN IS ROILED

"If you want to see a clean match between me and Johnny Soos, stay at home Thursday night," declared Al Stecher today when interviewed regarding his tussle this week at the Armory arena.

Soos and Stecher are billed for one of the double main event matches, which promises plenty of rough maulwork. Stecher, a veteran of the grappling profession for the past 15 years, says he will wrestle any way Soos does, but warns the Indiana toughie that unorthodox bone-bending is right down his own alley.

Les Wolfe, popular Texas neck-swisster, is scheduled to meet a brother Texan, Sad Sam Lethers, in the top bout. Spectacular leg-work is the hope for this tussle, which the fans have been hoping for ever since the return of the poker-faced giant.

Curly Woods is billed to meet Floyd Wolfgram in the 20-minute curtain-raiser, pointed as the speediest potential bout of the current season.

CLEVELAND, July 30.—(AP)—Alva Bradley, president of the Cleveland Indians baseball club, said today that Walter Johnson's future as manager of the fifth place Tribe will be determined at a week-end conference in Detroit.

Bradley said he advised Johnson last night he would discuss the manager's future with the club "and the welfare of the Indians in general."

NO AUTHORITY TO NAME LIQUIDATOR OF LOAN CONCERN

SALEM, July 30.—(AP)—The state corporation commissioner has no authority to delegate to any citizen or group the administration and conduct of a savings and loan association taken over for liquidation. Attorney General T. H. Van Winkle today informed Charles H. Carey, head of the corporation department.

Carey requested the opinion when it was proposed by some shareholders of the Union Savings and Loan association, which is in the hands of the department, that liquidation be turned over to a private individual. The settlement of that association has been delayed pending suit in the United States court of appeals in which a hearing will be held September 9.

The attorney general ruled that it is the mandatory duty of the corporation commissioner to exercise full control over defunct associations. In another opinion the attorney general held that the county judge of Coos county was not entitled to collect traveling expenses from his home in Marshfield to the county seat at Coquille. The request for the opinion came from District Attorney Ben C. Flaxel.

OREGON'S CHANCE FOR JUDGE GOOD

PORTLAND, July 30.—(AP)—Oregon's chances for receiving the appointment of the new member for the circuit court of appeals at San Francisco were considered good today by United States District Attorney Carl C. Donough.

Donough, just back from Washington, D. C., said he was assured by Attorney-General Homer Cummings that Oregon's candidate would receive careful consideration. The person suggested by Donough for the judgeship was not revealed.

No hope for authorization of a third federal judgeship for Oregon at this session of congress was held by Donough.
