\$200,000,000 TO PERMIT EXPANSION OF CCC STRENGTH

dent Roosevelt today allotted \$200 -000,000 of work relief funds to help carry the Civilian Conservation corps

carry the Civilian Conservation corps through the current fiscal year.

The money will be used mainly to expand the CCC to full strength of 500,000, the announcement said. The enrolled strength now is 425,000.

No definite date was set when the 500,000 peak is expected to be reached. There have been reports that some difficulty was being experienced in finding enough young men to take jobs in the CCC. Among other reasons given was the seasonal opening up of work on farms.

Part of the new funds will be used to finance forest and park improve-

nent work in Alaska, Hawali and Approximately 4,400 men will be

washington, aug. 6. (77—president Rosewell today approved a \$5,500 project for improvement of the plant industry, bureau of agriculture very comparison of putting the project, to be carried out with work relief funds, cells for repairs and heating plants in field laboratory and implement storage buildings.
