

COAST SHOOTERS CONGREGATE FOR PORTLAND EVENT

Entrants Expected to Top Medford—Informal Program to Open Wednesday—Windup Stated Sunday

PORTLAND, Ore., Aug. 5.—(AP)—The annual trapshoot meet of the Pacific International Association, which opens here tomorrow, is expected to bring together the largest group of marksmen ever assembled on the coast for a war of shotgun skill. Medford recently set an attendance record for Pacific coast tournaments when it staged the Oregon State championship, but the event opening tomorrow at the Bunting Park trap grounds under direction of the Portland Gun club was expected to surpass even the Medford entry.

An informal program of non-registered targets will hold the eyes of the marksmen tomorrow, with the main tournament starting Thursday. Tomorrow's events include a 100-yard shoot, a 50-yard handicap race and 12 pairs of doubles. The Portland Gun club trophy will go to the handicap winner.

The class championships Thursday will be on a 200-yard target, with \$800 in prizes and trophies. Miss-and-out events in classes will be held at the conclusion of the class championships.

The class division not only will give the weaker shooters competition of their class but was expected to give more top notch gunmen here for the Class A firing. Talented trapmen entered included Frank Troch of Portland, Ed Newton of Medford, Ore., Merle Henkle, Oregon skeet champion, George Young and Guy Chismann of Washington, J. O. Colant and John Gray of Idaho, Ted Benfro of Montana, Dewey Hurd, Sam Sharpe and Alf Christensen of Utah, and Colonel O. N. Ford and his strong California contingent.

Singles Friday
The Pacific International Trapshooting association jingles championships for amateurs, professionals, women and juniors will be shot off on Friday on 200 yard targets. There also will be the five-man state team race and 25-pair preliminary doubles. Prizes will consist of \$640 in added money and many trophies.

Saturday's program calls for a 100-target sliding handicap with \$200 added and a 100-target preliminary handicap with \$260 added.

The Grand Pacific International handicap on 100 targets with \$1000 added money comes Sunday. This premier trapshooting event of the West was expected to attract 300 shooters. There also will be 60-pair doubles for the coast championship on Sunday.

WOMEN GOLFERS READY FOR FRAY

WESTWOOD COUNTRY CLUB, Cleveland, Aug. 6.—(AP)—Practically all the class "A" feminine golfers between the Alleghenies and the Pacific coast were ready to tee off here this morning in the opening round of the match play which will lead one of the 22 qualifiers to the women's western championship.

Among more than 100 women stars who participated yesterday in the qualifier for the 35-year-old tournament, the 22 emerged as the select list of which will battle for the crown won a year ago by Mrs. L. D. Cheney of San Gabriel, Cal. Mrs. Cheney is not defending her laurels this year because of illness.

Scores of 90 or lower were necessary to get into the championship flight yesterday, and only three of the five who had 90s made the grade, the others losing in the play-off.

All the entrants who failed to make the title flight will participate for lesser prizes.

M'SHAIN LOSES BELT TO GRAPPLER KUNKEL

PORTLAND, Aug. 6.—(AP)—Gentleman Danny McShain's Pacific coast middleweight belt today figuratively held up the pants of Den Kunkel, Salt Lake grappler who tossed McShain two straight falls here last night.

Kunkel won the first fall on a foul when McShain persisted in kneeling to the groin. A right to the jaw paved the way for the second fall.

ROGUE GOLFERS ENJOY JAUNT TO KLAMATH LINKS

Medford's delegation of golfers who participated in the Klamath Basin Invitational held Sunday at Klamath Falls returned not only with a high score of 308 for the team match, but with reports of a highly successful inter-city good will affair.

The Medfordites were received royally, treated to excellent golf on the beautiful Beames golf course, and given excellent entertainment the while. Dancing to a special orchestra and refreshments were enjoyed in the clubhouse.

Pro Jack Hueston and Hank Pringle came out all even with Bob Hammond, Jr., and Leland Clark in a feature event, and both those teams were two down to H. B. Bentley of Ashland and Pro Bill Hackney of Klamath Falls.

Homer Marx stroked his way to a victory in the blind bogey event. The Medford team which defeated the sister city's aggregation was composed of Leonard Harding, Leland Clark, Bob Hammond, Jr., and George Parsons.

E. J. Coull of Klamath Falls was chairman for the day and master of ceremonies, proving responsible for a very successful tournament which it is hoped will be repeated annually under the name of Klamath Basin Invitational.

Those who made the trip: Jack Hueston, Don Clark, K. W. Kendrick, George Parsons, Leland Clark, Hank Pringle, Bob Hammond, Jr., R. B. Hammond, Leonard Harding, George Snider, Gene Childers, Homer Marx, Capt. L. G. DeVaney, Mack Lillard, Archie Mansfield, Harry McMahon and Dick Steeter. Whip Became Huge Tree.
PREGOCT, Kans.—(UP)—When Charles Coon drove his ox team to Kansas 62 years ago and settled on a farm near here, he struck the willow sprout he used for a whip into the ground and it grew to make a fine tree and shade the house he erected. This year, however, the tree has not leafed, and the Coon family fears the 1934 drought was too much for it.

Helen Jacobs Keen For Another Tilt With Helen Moody

NEW YORK, Aug. 5.—(AP)—Helen Jacobs returned from abroad today and expressed delight when informed she probably would meet Mrs. Helen Willis Moody at Forest Hills August 29.

"Oh, good," was her only comment when told that Mrs. Moody had decided to play in the national this year. It was evident she was looking forward eagerly to another encounter with her bitterest tennis rival.

She would not say she felt confident of defeating Mrs. Moody the next time they meet "for no player in the world," she said, "can meet a player of Mrs. Moody's caliber and feel over-confident."

THOMAS LEADING AS COACH CHOICE

CHICAGO, Aug. 6.—(AP)—Frank Thomas of Alabama today was the leader of the poll to select a coaching staff for the college all-star football squad, which clashes with the Chicago Bears in Soldier field the night of August 29. The final results will be announced tonight.

The Crimson Tide mentor had rolled up a point total of 1,908,968 and led his closest pursuer—Edward "Skip" Madigan of St. Mary's—by 101,477 points. Michigan State's Charlie Bachman had stumped to third place, holding the position with 1,788,120, and Dr. C. W. Spears, Wisconsin, was fourth with 1,779,320.

\$200,000 'GATE' IS PROSPECT FOR LOUIS, LEVINSKY

CHICAGO, Aug. 6.—(AP)—A gate that may reach \$200,000 was in prospect today for the heavyweight fight at Comiskey park tomorrow night between Joe Louis, Detroit's knockout sensation, and King Levinsky, the glorified ex-fish peddler.

When the box office traffic was opened today, Promoter Joe Foley announced \$110,000 was already in the strong box. He predicted another \$100,000 would come rolling in before the walloping Chicagoan and the Detroit negro started throwing punches.

If Promoter Foley is right in his predictions, Louis, just 21 years old, and yet to have his first shave, will earn \$50,000 with his flint tomorrow night. Louis, who quit work in a Detroit automobile plant a year ago to receive \$50 for his first fight, has been guaranteed 20 per cent of the receipts, with 20 per cent going to the Kingfish.

While the fans were storming the box offices, the calmest were the two fighters themselves. Louis, weighing 194 pounds, which was a bit lighter than he expected to be, was seen resting at the summer home of one of his managers, Julian Black, near St. Joseph, Mich.

RURAL SCHOOL OPENING DATES SET FOR COUNTY

Most of the rural schools have completed signing of teachers' contracts for the coming year.

Levinsky, after taking a long walk and a bit of light exercise, planned to leave his camp at Round Lake, Ill., late this afternoon.

Levinsky, weighing 108, the lightest he has been in five years, is completely satisfied with his physical condition and believes he will win.

MUSSOLINI CALLS 75,000 MORE FOR AFRICAN SERVICE

(Continued from Page One)

in East Africa early this year, increased the regular territorial forces of 10,000 men.

Thus, it is estimated that 140,000 troops already are in line in the two colonies.

With the arrival of the new contingents in training, or about to start training in Italy, the total figure will be swelled to 235,000.

Well-informed sources explained, however, that this was only an estimated total. A report long has circulated that Premier Mussolini, keeping his own council, has created in East Africa, or sent there, numerous battalions of which the world knows nothing. Official spokesmen, however, have declined to confirm this rumor.

ADDIS ABABA, Aug. 6.—(AP)—Emperor Haile Selassie directed personally today a new phase of Ethiopia's preparations for possible war with Italy—the ceremonial launching of the empire's Red Cross.

Pilchard's Plentiful
MARSHFIELD, Ore., Aug. 6.—(AP)—All previous records for Pilchard catches in the Coos Bay area were broken when 22 vessels of the Purse Seine fishing fleet brought in 1200 tons of the smelt-like fish into the fish reduction plants on the bay yesterday and Sunday.

No More Mutilation.
From the humanitarian viewpoint, Ethiopia's adherence to the Red Cross was understood to mean that there would be no repetition of the sequel to the crushing of an Italian expedition at Addis Ababa 40 years ago, when many Italian prisoners allegedly were mutilated.

Confronting the soft-spoken, olive-skinned emperor was the insistent request from warriors of the Addis campaign that they be permitted to fight once more for the empire.

These Ethiopian heroes have assembled in large gatherings before the status of former Emperor Menelik to offer their services in Haile Selassie's army. Boasting of their exploits, they have exhorted the nation to repeat its past triumphs.

"I tried several brands of medicine with still no relief; was in such misery. A druggist told me about Williams' R. U. X Compound and Williams' S. L. K. Formula. I still say thanks to Williams' R. U. X Compound for giving relief, and I use Williams' S. L. K. Formula to help carry off the poisons that have overtaken my system during my long ailment."
