LINDY'S GREATEST PERIL RELATED IN WIFE'S NEW BOOK

At a signal, the rest surged forward. "My husband... whipped the gun from the right side to the left quickly, shooting straight up in the air as he turned. Each side thought someone had been shot on the other... slowly they edged back."
The Chinese doctor had been in a sampan. He fought to reach the plane, three boats sank under him, but he made it. "They were clear, ready to go."
"Here there was a single sampan just in front of the plane, an old man and an old woman pulling it. My husband raised himself up in the cockpit and covered them with his gun. The American doctor... shouted, 'Get out of the way, we'll kill you!'"

stealing conspiracy charge in Klamath county.
Attorney Rhoden said the assignment was for the purpose of protecting their legal fees in the Niedermeyer, Inc. action, and the fees of Attorney Von Schmalz, as one of defense counsel in the Klamath trial.
The Fehls contended that the \$5900 supreme court award to them, in the Niedermeyer, Inc. suit is 50 cents over H. Fehel, and his wife, Electa A. Fehel, as man and wife and that the Jackson county trial cost judgment is only against Fehel. It is held that the county has no claim on the money of Mrs. Fehel. The district attorney's office reported this week that the lien granted them would pay the costs of the Klamath trial.
In the opinion of Judge Wimberly, Kelly and Kelly, as counsel for Fehel, were granted a \$2000 lien, and Jackson county a \$3900 lien.
A decree on the opinion is expected to be filed within the week, along the findings of facts. Attorney Rhoden said today that the findings of facts would govern whether or not an appeal would be taken to the supreme court.
In a supplemental opinion, filed by Judge Wimberly late yesterday, the motion of Attorney T. J. Enright for a modified opinion on his claim for \$500 attorney's fees was denied, as was a \$500 judgment lien against the award by J. B. Thomas of Ashland.
The supplemental opinion also holds that the Niedermeyer, Inc. payment shall be considered "as in full" Niedermeyer, Inc. has been ready and willing to pay the amount, but brought an interpleader to determine to whom the money should be paid.

SOCIAL SECURITY FOR 30 MILLIONS MADE LANDS LAW
(Continued from page One.)
"We can never insure 100 per cent of the population against 100 per cent of the hazards and vicissitudes of life. But we have tried to frame a law which will give some measure of protection to the average citizen and to his family against the loss of a job and against poverty-ridden old age.
"This law, too, represents a cornerstone in a structure which is being built but is by no means complete—a structure intended to lessen the force of possible future depressions, to act as a protection to future administrations of the government against the necessity of going deeply into debt to furnish relief to the needy—a law to flatten out the peaks and valleys of deflation and of inflation—in other words, a law that will take care of human needs and at the same time provide for the United States an economic structure of vastly greater soundness.
"I congratulate all of you ladies and gentlemen, all of you in the congress, in the executive departments and all of you who come from private life and I thank you for your splendid efforts in behalf of this sound, needed and patriotic legislation.
"If the senate and the house of representatives in this long and arduous session had done nothing more than pass this bill, the session would be regarded as historic for all time."

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning!
The liver should pour out two quarts of liquid bile into your bowels daily. If this bile is not flowing freely, your food does not digest. It just decays in the bowels. Gas builds up, your stomach, you get constipated. Your whole system is poisoned and you feel sour, sick and the worst of all, you look pink.
Laxatives are only make-beliefs. A new bowel movement doesn't get at the cause. It takes these good, old Carter's Little Liver Pills to get those 1 1/2 quarts of bile flowing freely and make you feel "up and up." Harmless, gentle, yet powerful in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else.
