Arrangements for the last tribute to Rogers Thursday were completed.

Before the private funeral rites, attended only by members of his family and of the circle of his closest friends, his body will be in state for five hours, starting at 7 a. m. in a grove of pine and olive trees at Forest Lawn Memorial Park, Glendale.

Later, in the chapel, the Woe Kirk of the Heather, Dr. J. Whitcomb Brougher, an old friend, will conduct the last service. This will start at 2 p. m.

To Oklahoma Later.

Rogers' body then will be placed in a crypt. At some future date, Mrs. Rogers said, she will take his casket to Oklahoma, the state of his birth, there to remain.

Despite the secrecy surrounding the arrival of the giant Pan-American Airways ship, bearing the bodies, yesterday, a crowd of several hundred persons was at the Union air terminal when it landed.

As a passenger was Captain Joe Crosson, the noted Alaska "mercy flyer," who had taken the two bodies from Point Barrow, "at the top of the world," over 2400 miles to Vancouver, B. C. There he transferred custody of the precious cargo to William Winston, pilot of the airplane which brought them here.

Scenes of confusion developed at the airport when police clashed with photographers, one of whom was found hidden in the rafters of the hangar.

OKLAHOMA CITY, Okla., Aug. 20 (AP)—While a transport plane bears the body of Wiley Post, toward Oklahoma today, tentative plans were made to place it in a temporary burial place here until it can be decided whether the aviator is to rest in Arlington national cemetery.

Meanwhile Billy Parker, aviator friend of the world-girdling flier who died in Alaska with Will Rogers, was instructed to obtain a temporary crypt in Fairview mausoleum.

STIMULATE STOMACH "PEP UP" APPETITE

No matter how little you eat, you should retain your food to feel your best and get the most enjoyment out of living. If clogged-up bowels and inactive kidneys are poisoning your system, causing you to have a "runny stomach," and making you feel run-down, sluggish, without ambition or zest for the good things in life—take a few doses of good old Williams S.L.K. Formula and see how much better you feel.

Williams S.L.K. Formula is compounded from the prescription of a former army doctor and contains several valuable ingredients which accomplish their work in four beneficial ways: as a mild tonic, stomach stimulant, laxative, and diuretic stimulant for the kidneys. Many take Williams S.L.K. Formula also for indigestion, nausea, loss of weight and sallow complexion, where a mild tonic is needed.

Don't take too-habab drugs which put your system and upset your stomach. Ask Health's Drug Store today for Williams S.L.K. Formula. The first bottle must satisfy you or money back.
