

LOWER GRADES OF BUTTER ADVANCE

PORTLAND, Aug. 22. — (AP) — Extreme eagerness for butterfat and the payment during recent days of a premium of 1c above the established price, not only suggested the general strength of the butter trade here but forced an additional advance in lower grades during the late session of the produce exchange. Other scores were unchanged on the exchange but on the open market showed similar prices which suggested that the former was 1/2c too low.

Butterfat prices were generally 2/3c for a grade here even though the price was established at 28c while a cent less was paid for B grade.

Market for eggs was sent higher for the undergrades during the late session of the exchange while tops were unchanged, which is just the reverse of what was happening on the open market.

Firm trading was suggested all through the market for live chickens with continued limited offerings in all classifications and especially light broilers.

Once again reports suggested that various grades were to make formal protest to city officials against the renewed efforts to shut country killed meats out of Portland by charging a huge inspection fee.

COURT CALENDAR WILL BE DRAWN

Circuit Judge H. D. Norton, after a month's vacation, largely spent at home writing opinions and decisions in pending cases, has instructed all attorneys of the county with law or equity cases, to report Monday morning when the calendar for the September term of court will be set. The court also plans to hear a number of divorce cases.

The regular September term of court is scheduled to start the third Monday in the month when the grand jury will be called, or the old one continued. The petit jury is scheduled to be called the following week. There are few criminal cases pending.

Jackson county the past eight months has been free of crime waves to an exceptional extent, with no major cases and very little of the petty variety.

MULTNOMAH DECISION SOON ON NEW SOLONS

PORTLAND, Ore., Aug. 22. — (AP) — A decision on the appointment of three Multnomah county legislators is expected within the next few days, County Commissioner Frank L. Shull said today.

Shull said a compromise had been suggested to Commissioner Charles A. Bigelow, who with Shull constitute a majority on the commission. Both are Republicans.

Multnomah county legislators to be replaced, due to an opinion by Attorney General I. H. Van Winkle holding them ineligible because of their activities in other lucrative governmental offices, include Representatives William Johnson, Jr., and Lew Wallace, and Senator Ashby Dickson.

STIMULATE STOMACH "PEP UP" APPETITE

No matter how little you eat, you should relish your food to feel your best and get the most enjoyment out of living. If clogged-up bowels and inactive kidneys are poisoning your system, causing you to have a "puny," finicky appetite, and making you feel run-down, sluggish, without ambition or zest for the good things in life—take a few doses of good old Williams S.L.K. Formula and see how much better you feel.

Williams S.L.K. Don't take too-harsh drugs which jolt your system and upset your stomach. Ask Health's Drug Store today for Williams S.L.K. Formula. The first bottle must satisfy you or money back.

OKLAHOMANS PAY LAST TRIBUTE TO POST AT CAPITOL

(Continued from Page One)

lional guardsmen managed the throng with difficulty.

At noon, while thousands still awaited an opportunity for a last look at the filer's face, the state's official observance began. Governor Marland, accompanied by Brig. Gen. H. W. Butner of Fort Sill, representing President Roosevelt, marched through a forced lane to the second floor spot where the body lay.

"Wiley Post has come to rest," the governor said, his deep voice raised above the murmur of the crowd.

"The body of Oklahoma's son begins its sleep eternal beneath the sod he loved. His spirit, in company with the spirit of Oklahoma's Will Rogers, his pal, takes its flight to that bourne from which no traveler ever returns.

"Wiley Post flew around the world. Wiley Post ascended above the earth to heights thought unattainable by man. Today, Wiley Post precedes us, his friends, on that greater journey we all must take some day."

SHERIFF READY TO FORECLOSE TAXES

Final preparations are under way by the sheriff's office for the delinquent tax foreclosure sale, set for next Saturday morning. The tax collection department reports the delinquent tax payments the past ten days have been fair, with a number making payments. Since first publication of the list last spring it has been reduced from 1162 names to about 625.

Under the procedure as prescribed by Oregon law, the sheriff, from the court house steps, will read the delinquent tax list, piece by piece, and offer for sale to the highest bidder, with the owner having the right of redemption within a year.

Members of the sheriff's office will take turns reading the list, which will be considerable of a strain on the vocal organs.

The amount of delinquent taxes due on property ranges from \$2.21 to \$771.63.

The loss, estimated at \$30,000, was partially covered by insurance, company officials said. The cause of the blaze has not been determined, but it is believed to have started in the boiler room. Destruction of the plant will effect approximately 40 employees.
