

HOOD RIVER FREE FROM FIRE BLIGHT

HOOD RIVER, Ore., Aug. 30.—(AP)—Fire blight in pear orchards of this area has been eliminated through an intensive campaign this season

by orchardists, county and federal pathologists and the Hood River Traffic association.

Last spring the affliction which causes a withering of leaves and branches was discovered in alarming proportions here. Complete pruning

of the infected branches and application of disinfectants to the wounds has halted the blight.

A crew of special SERA workers spent several weeks on a tree-to-tree inspection of the orchards.

SOLDIERS TO HALT WATER DIVERSION

LINCOLN, Neb., Aug. 30.—(AP)—Gov. R. L. Cochran last night declared martial law in Scotts Bluff county where several hundred farmers

have defied the state and courts in a fight over irrigation waters. The order was issued at 8:15 p. m.

Two companies were ordered to move into position along an irrigation canal which supplies the Mitchell Irrigation district with water from

the Platte river. Cochran said crews of workmen would begin work on a dam to shut off the flow of water which has been diverted into the Mitchell district in defiance of court orders.
