MANN'S THE SCHOOL STORE OF SOUTHERN OREGON

VOL. 5

*Going back to school is fun!  
First to the stores with Dad I'll  
run, and buy a lot of things.  
Books to write in, crayons gay,  
a brief case strong, for every  
day. I like teacher, because  
she's smart, and I will gladly do  
my part to learn the things she  
says are true! I'm set for school  
... are you?*

### Shoes for School Girls and Boys!

We cannot emphasize too strongly the importance of Well Fitting Shoes for growing school children. Fit your kiddies with "Poll-Parrot" shoes this winter. They are all-leather shoes, built in sanitary shoe shops by shoemakers who know how to properly build a child's shoe! We present Poll-Parrot shoes for boys and girls in smart blacks and browns in Oxfords and high types for boys, with heavy gro-cord soles.
