Little, Jr., Brilliant Two-Time Winner U. S. Amateur Golf Title

CALIFORNIAN IN CRUSHING FINISH BESTS EMORY 4-2

Greatest Sub-Par Play In History Against Cool Oklahoman—Early Lead Wiped Out.

CLEVELAND, Sept. 14.—(AP)—The big "Little man" with the "paralyzing punch" scored today his thirty-first consecutive knockout in national championship competition and stands supreme for the second successive year as the world's greatest amateur golfer.

William Lawson Little Jr., the clouting Californian, withstood the spirited thrusts of a 23-year old Oklahoma law student, tall blond Walter Emery, to capture his second straight American amateur title. He won by 4 and 2 with a finish that had Old Man Par reeling on the ropes and his challenger staggering from sheer explosive power of his shot making.

The broad shouldered, hard hitting champion, figuratively speaking, got up off the soft green turf to prove his right to world championship golfing honors. He lost the first three holes to his surprisingly cool and calculating opponent, a freshman in U. S. amateur title play.

He was hard pressed to finish all even at the end of the first 18 hole round. He was unable throughout most of the second round to shake off a youthful challenger who simply refused to admit he could be licked until the champion landed the final "crusher."

The climax to perhaps the greatest sub par scoring streak ever witnessed in a natiqnal amateur championship game at the 512-yard 16th hole—the 34th and last of the match. The end was in sight, as Little had won two straight holes after having his margin cut to one hole with five to go.

The gallery was waiting tensely for the "kill" but it came with even swifter fury than anticipated. With two tremendous wood wallops, Little reached the green, 12 feet from the cup, and sank his putt for an eagle three.

Nothing rivalling so pronounced a "killer instinct" in golf has ever been witnessed before, not even in the heyday of Bob Jones, world champion when he retired in 1930 with the "grand slam."

The Californian was under par against Emery today for 34 holes. For eight successive victories during the match, in his dynamic march through the biggest field ever gathered for the American championship, he was exactly 19 shots under par over the heavily wooded 6,800 yard country club course of Cleveland.

Against every challenge to his supremacy Little turned in a sub par blast that blew his opponent out of the picture.

The champion met his severest tests over the 36-hole route, against Johnny Goodman in yesterday's semi-finals and in today's final match. In both, his rivals rose to extraordinary heights, only to find their best golf no match for Little's booming counter thrusts.

To Emery's everlasting credit, it can be said that he gave everything he had, that he did not "crack" under pressure, and that he kept the match from being anything like a soft touch for the champion at any stage.

The Oklahoman traded shot for shot with Little, frequently holding his own in length and power. He fought back repeatedly, after having his early lead wiped out, but he couldn't keep it up indefinitely. When he yielded, finally, he needed to have no regrets. He was beaten by unbeatable golf.

ROSS FLOORED BY GARCIA WINS NOD NON-TITLE BOUT

SAN FRANCISCO, Sept. 14.—(AP)—Champion Barney Ross of the welterweight fighters, weathered a rough storm here last night, but today his crown was somewhat dented after a hectic ten-round non-title fight with Ceferino Garcia, Manila slugger.

Garcia, one of the stiffest punchers ever to come out of the Philippines, came within an ace of knocking out the Chicago scrapper in the opening round of their non-title match. He uncorked a lethal right late in the session which caught Barney flush on the chin and sent him down.

Glassy-eyed, Ross came up without a count. No sooner had he lifted his gloves than Garcia whipped over another clipping right hook which put Ross down a second time, reeling and wide open. Barney didn't go clear to the canvas after the second blow, but he was helpless and still coming up when the bell sounded.

The intermission, during which his seconds worked frantically, freshened Ross, and he came back madly in the second heat, lashing lefts and rights to Garcia's body. Barney had a good edge in that round, but Garcia had a shade in the third, mainly because he put home another right to Ross' jaw.

After that, Ross' infighting piled up a substantial lead in the eyes of Referee Joe Gorman, who unhesitatingly raised the champion's hand at the end. Ross weighed 142, Garcia 140½. Over 8,000 filled the auditorium to capacity.

FARM GIRL SETS NEW SPRINT TIME

NEW YORK, Sept. 14.—(AP) Helen Stephens, the flying farm girl from Fulton, Mo., who promises to succeed Babe Didrikson as the Olympic tomboy "queen," convinced the east today.

Speeding over the wind-swept Ohio field in the Bronx, she ran the 100-meter sprint in world record time of 11.6 seconds, won the 200-meter handily and placed second in the discus throw at the American women's outdoor track and field championships.

Single handed, she scored 13 points and won a fourth-place tie in the team scoring for Fulton high school, from which she graduated last June.

CHICAGO PUMMELS DODGE PITCHERS IN HECTIC GAME

CHICAGO, Sept. 14—(AP)—The Cubs and the Dodgers set a new season's record today when they collected a total of 32 runs and Chicago showed the better staying powers to win 18 to 14. It was the eleventh straight victory for the Cubs.

Seven flingers worked for Brooklyn and gave up 18 hits. The Dodgers tossed in four errors. The Cubs ran up an 8-0 lead in the first three innings and doubled the count in the sixth to make it 16-4.

The Dodgers, using 21 players fought back and drove Charley Root to cover after pounding out five runs in the seventh with the aid of homers by Jim Bucher and Buster Mills. Roy Henshaw, who followed Root, was wild and had to be rescued by Fabian Kowalik after Brooklyn had counted five times in the ninth and had two runners on the bases.

ST. Louis, Sept. 14.—(AP)—The never-give-up spirit of the Giants plus another big array of hits, carried them through to their second extra-inning victory over the Cardinals today, 5 to 4, and cost St. Louis the National league lead.

The Giant triumph, giving them a 2-1 edge in their "crucial" series here, left a clear field for the conquering Chicago Cubs. By beating Brooklyn for their eleventh straight triumph while the Cards were losing, the Cubs took a full game lead over the Cards. The Giants remained three and one-half games away from first place and two and one-half behind St. Louis, but in a better strategic position as Chicago has played more games than either of the other pennant contenders.

The windup of today's game bore a striking similarity to yesterday's finish. For the second time a relief pitcher cracked a double that played the big part in winning his own game after a big array of pinch hitters and runners had failed to come through.

With two out in the eleventh, Clydell Castleman, the Giants' first-year flinger who was belted out yesterday, hit a two bagger. He scored the winning run when Joe Moore singled, then with the aid of a snappy double play held the Cards in check through the last half of the eleventh.

Despite the absence of Pepper Martin and Travis Jackson, regular third baseman, both teams fielded steadily, making only one error each. The starting pitchers, Hal Schumacher and young Ed Heusser, who lasted only two innings for the Cards as Friday's flinger, battled on almost even terms for eight innings. Both went out for pinch hitters and New York called on four pitchers and St. Louis three before the finish.

ESTES SCHEDULED TO MEET SAVICH

To the victors belong the spoils, and to the vanquishing belongs the right to meet other vanquished, at least in the wrestling world. Promoter Mack Lillard announced last night that "Toots" Estes, who failed to wrest the Pacific coast title crown from Pete Belcastro last week, and Danny Savich, who missed a flying tackle at Joe Hubka and took the ten count while on his back on the floor outside the ring, will face each other in one of the main events next Thursday night.

On the other half of the card will probably be Johnny Soos and "Challenger" Kennaston. Gold Hill grabber, who handed a decisive licking to a man half his size some time ago. This match is tentative. There may be a three-way main event, if Lillard can sign Rocky Brooks, Al Karasick, or Les Wolfe to meet Don Pedro Belcastro in a last appearance here before the deadly Italian leaves to wrestle away the winter in Mexico.

DETROIT DIVIDES YANKS TWIN BILL, PAIR FOR CHISOX

NEW YORK, Sept. 14.—(AP)—The Yankees finally tossed a wrench into the wheels of Detroit's pennant machine today by winning the first game of a double header from the Tigers, 2 to 1. But it didn't do much damage, however, as Detroit went on to take the second, 5 to 1, and maintain its nine and one-half game lead.

PHILADELPHIA, Sept. 14.—(AP)—Ted Lyons and John Whitehead won a pair of pitching duels for the Chicago White Sox today, Lyons turning in a 4-to-2 win over the Athletics in the opener of the double header and his twirling teammate emerging victorious, 2 to 1, in the ten-inning nightcap.

Golf Queen

PORTLAND, Sept. 14.—(AP)—Mrs. B. E. Eva of the Columbia-Edgewater Country club here won the Oregon Women's Golf association championship for the third time by a 5 and 4 victory yesterday over Miss Dorothy Sellers of Alderwood.

Almost every race meeting in South Dakota since pari-mutuel betting was legalized there in 1933 is reported to have lost money or barely made expenses, and therefore the system may be abandoned next year.

The 11-team Dodge City, Kas., softball league ended its 10-game schedule with all but two teams involved in ties. Two teams were tied for first place, three for third, and four for seventh.

1500 COPS TO KEEP PEACE WHEN BAER AND LOUIS FIGHT

NEW YORK, Sept. 14.—(AP) Elaborate police precautions, with 1500 men on duty, will seek to guarantee peace everywhere except in the ring for the Max Baer-Joe Louis heavyweight match in the Yankee stadium a week from Tuesday night.

Patrolmen will carry no nightsticks, the police department announced today, but there will be 649 of them inside the park alone, bolstered by another hundred motorcycle men and 76 officers. Hundreds more will patrol Harlem, the streets outside the ball park, and several hundred will be held in reserve in the Bronx county court house nearby.

The same precaution prevailed at the Louis-Carnera fight here earlier this summer, and all the policemen eujoyed the match, there being nothing else for them to do.

Mike Jacobs, promoter of the match, predicted today that the gate receipts will run well over $1,000,000. first match to do that here since Jack Dempsey knocked out Jack Sharkey in 1927. Jacobs said he had $300,000 already in the strong box.

Jacobs has arranged the ball park seating so as to accommodate 85,000. A sellout will gross about $1,100,000.

RAIN BANS FIRST OREGON PRACTICE

ENGENE, Ore., Sept. 14.—(AP)—Forty-two men reported to Coach "Prink" Callison today for the initial football practice of 1935.

Heavy rains drove the webfoot candidates indoors for their first sessions, but did not prevent Callison from holding a strenuous two hours of conditioning drills and dummy scrimmage in huge McArthur court. Play was possible outdoors this afternoon.

The three members of the 1935 squad who were missing today are expected to report Monday, including Clarence Codding, guard, Ed Farrar, center, and Andy Hurney, tackle.

CHARGE ST. MARYS JUMPED PRACTICE GUN FACES PROBE

LOS ANGELES, Sept. 14.—(UP)—Prof. Hugh Willett, president of the Pacific Coast conference, said tonight he probably would ask an official explanation from St. Mary's College of charges that St. Mary's football practice began before the September 15 conference deadline.

The charges, made by the editors of the Daily Californian, student newspaper at the University of California, were referred to Willett, University of Southern California professor, by Dean D. M. Putnam, California's faculty athletic representative.

"I have not yet been officially informed of the matter," said Prof. Willett, "but my procedure in such a case undoubtedly would be to hear St. Mary's side at once."

St. Mary's, non-conference member, agreed to abide by conference rules because she plays conference teams, Prof. Willett explained.

If found guilty of violating the rules by stealing a head start on football practice, St. Mary's treatment would be an individual matter for the conference colleges which play her, he said, but added:

"But they probably would follow whatever suggestion was made by the conference as a whole."
