

ASHLAND NORMAL GYM NOT TO BE COMPLETED FOR 1935 BASKETBALL

ASHLAND, Sept. 18.—(Sp.)—"No new gymnasium for the 1935-36 basketball season" seems to be the situation confronting Southern Oregon Normal school officials following the opening of bids for the structure in Portland Monday.

Dr. Walter Redford, president of the school, returned from Portland late Tuesday and announced that approval or disapproval of the request for \$8,000 additional PWA funds would require approximately 45 days. One serious delay was avoided, however, when Shattuck and Nelson, Portland contractors who were low bidders, agreed to retain their contract for another 90 days, thus making resubmission of bids unnecessary.

The request for additional funds was made necessary when the state board of higher education found the lowest bid to be some \$800 above the \$40,000 available for actual construction.

Had the bid been within the allocation, it was believed that the athletic plant could have been completed by the middle of December, making it available for most of the current basketball season.

The earliest completion date now is sometime in February, near the last of the hoop schedule, which will now be played, as in other years, in the junior high school.

CROP LOANS OVER PREVIOUS SEASON

WASHINGTON, Sept. 18.—(AP)—The farm credit administration said today production credit loans are running double what they did last year.

It said 560 production credit associations in the first eight months this year loaned \$117,000,000 compared with \$56,000,000 in the corresponding 1934 period.

The amounts for the eight-month periods by districts included: (The first figure is 1934 and the second 1935).

Spokane, Wash., Washington, Oregon, Montana and Idaho, \$7,184,000; \$17,761,000.

Wilson River Road Project Rejected

PORTLAND, Ore., Sept. 18.—(AP)—A special Washington dispatch to the Oregonian says the \$3,500,000 Wilson river road project has been rejected by Harry Hopkins, head of the works progress administration.

The project for clearing, grubbing and grading 12 miles of the Wilson river road in Tillamook and Washington counties was designed to employ 4,000 men for a year.

ONION CROP AT VALE SMALLER THIS SEASON

VALE, Ore., Sept. 18.—(AP)—Harvesting of the onion crop in the Vale area will start soon, with indications pointing toward a smaller crop than for last year.

Joe Luit said his crop may reach 700 sacks to the acre, but the yield on the Vale benches will be much smaller than usual, probably not over 300 sacks an acre, it was reported. It was estimated the crop would be 30 per cent less than for last year when 90 cars were shipped.

OREGONIANS NAMED ON NEW AAA GRAIN BOARD

CORVALLIS, Ore., Sept. 18.—(AP)—The appointment of three farmer members of the agricultural adjustment administration's new grain board for Oregon, was announced in a message received by the state college extension service today from George E. Farrell, head of the wheat section, Washington, D. C.

The Oregon members are William Steen of Pendleton, Angus McLeod of The Dalles, and Harvey Miller of Lexington.

HIT RUN DRIVER GETS MAXIMUM SENTENCE

PORTLAND, Ore., Sept. 18.—(AP)—Alex H. McKenzie, Jr., 21, convicted of fatally injuring Charles Doss, 64, was given the maximum sentence of six months in jail and fined \$500 in municipal court here today on charges of hit-and-run driving.

The youth's father, Alex H. McKenzie, discovered that his son was driver of the death car and turned him over to police.

F. R. CAMPAIGN OPENING VISIONED FOR NOVEMBER

ATLANTA, Sept. 18.—(AP)—The Atlanta Constitution says President Roosevelt will open his 1936 re-nomination campaign in the south with a speech here late in November when he comes to Georgia for his annual Thanksgiving vacation at Warm Springs.

UMATILLA GRAND JURY RETURNS INDICTMENTS

PENDLETON, Ore., Sept. 18.—(AP)—Three true bills and four secret indictments were returned by the Umatilla grand jury here last night after nearly two days of deliberation.

Indictments made public were: Joe Smith, 20, assault with intent to kill; William McChalk, 42, statutory offense; George Stangier and Ralph Hassell, maintaining a slot machine.

WASHINGTON, Sept. 18.—(AP)—The war department today allotted \$25,000 for additional investigations in connection with the army engineers' survey of Willamette river, Oregon.
