

WIMER'S ARMY STAFF DEFEATS TECHNICIANS IN PISTOL PRACTICE

CAMP WIMER, Sept. 23.—(Spl.)—Wimer's army staff noosed out the technical staff by a score of 122 to 114 in a pistol match held here last week. Lieut. C. W. Kenyon led with a top score of 55, Forestry Foreman Bill White coming in second with 41. It will not be necessary for District Commander Major G. R. Owen to retrieve the honor of the army. The major had previously offered to issue a personal challenge to the forestry, in an effort to even things in case the army lost the match.

Foreign nations viewing the match as a test of U. S. military preparedness will be elated to know that the match proved a general state of unpreparedness in both the army and the civilian group. So ragged was the shooting and so close the score that a return match will be arranged soon for a second case of beer.

Dr. L. B. Hanson, camp surgeon, who was low man among the pistol-ers, pointed out that the pistol is not his weapon. He offered to take on any or all of the marksmen with a hypodermic needle at two feet. Tarkes for the match was a 1 1/2-inch bulls-eye counting five, and four half-inch circles counting 4, 3, 2 and 1. The distance was a measured 20 yards.

17 CARS OF PEARS TO FOREIGN MARI

Seventeen cars of Rogue River pears were dispatched yesterday to Portland for export, and eight cars were sent to eastern markets. One car of apples, the first of the season for export, was moved to San Francisco.

Pear shipments to date total 1317 cars. This comprises 720 cars of packed pears and 597 cars of canny pears. There were no canny shipments Sunday. Apple car shipments total three cars so far.

Early varieties of apples are now being picked, but the main harvesting is not expected to start much before October 1.

Harvesting of the Comice pears is underway this week and is expected to be completed by early next week. D'Anjou are also being picked now. A short lull is expected, before the picking of Winter Nellis starts.

Peak of the tomato crop handling is due to be reached this week, with between 4000 and 4500 lugs reaching the Bagley cannery at Ashland daily. Friday 20,000 lug boxes of tomatoes were delivered, and 51,709 cans turned out.

According to William A. Gates, the tomato crop this year is the best in several years in quality and quantity. He estimates that 75 per cent of the crop grades No. 1.

RESUME HEARING OF DAMAGE SUIT

The damage suit of I. L. McReynolds against the Medford Domestic Laundry, and A. Hamilton, one of its employes, for \$7900 damages, as the result of an auto accident on the Crater Lake highway, near the lodge, was resumed in circuit court this morning, after a recess over Saturday, while Judge Norton was holding court in Grants Pass. The case is expected to be in the hands of the jury late this afternoon.

McReynolds, an "alleged guest passenger," claims that due to the negligent driving down a steep grade, the laundry wagon piloted by Hamilton, went over the grade causing him to be injured about the chest and shoulders.

The defense claims that Hamilton was proceeding down the grade, two miles from the lodge at a moderate rate of speed and in turning out to avoid a crash with a rapidly approaching truck, the laundry wagon toppled over the grade. The defense claims that McReynolds requested a ride from Prospect to Union Creek and from the latter point to Crater Lake.

JESSE PHILLIPS RITES SATURDAY

Jesse Phillips, a resident of the Shady Cove district, passed away at his home there Wednesday morning, after a lingering illness.

He was born in Republic county, Kansas, in 1899 and came to Oregon with his parents in 1906, and resided most of the time in Jackson county. His wife, Esther Phillips, preceded him in death in 1931.

He leaves to mourn his departure, one daughter and three sons, Delphia and Harry of Portland, Edwin and Albert of Lewiston, Idaho, Charles of Bellingham, Wash., George of Eagle Point, and Levi Phillips of Portland. Per's Funeral Home was in charge of the services, which were held at the Antioch cemetery Saturday at 3 o'clock, Rev. Stille of Trail officiating.

AUTHORITY ON JAPAN TO TALK AT CHURCH

Dr. Sidney L. Gulick, nationally-known authority on Japan and the Far East, will be guest speaker at church night at the First Presbyterian church, on Thursday evening

A covered dish dinner will be served at 6:15. All are asked to bring sandwiches, a covered dish and table service.

The lecture and discussion hour will be from 7 to 8 o'clock. Dr. Gulick's subject is "Toward Understanding Japan."

In this day of much national misunderstanding, such a topic is most timely. A lively interest is shown in the coming of Dr. Gulick, who brings conclusions based upon 30 years of association with the Japanese people.

5 and 10 Grill Opening Tuesday At 128 East Main

Tomorrow will mark the opening

of the attractive new 5 and 10 cent Grill at 128 East Main, former location of Marsh's grocery store, which has been completely remodeled and equipped to accommodate 37 patrons at one time. W. V. Hale, who has operated the 5 and 10 cent Grill on

North Fir street in this city, since May, 1934, will now manage both places, where the same popular prices and service will be featured.

The new grill is a model of cleanliness, and a color scheme of green and cream has been carried on in decor-

ating the walls and furnishings. A particularly roomy kitchen will facilitate rapid and efficient service.
