BOTULINUS FROM CANNED SALMON MAKES FOUR ILL THE DALLES, Ore., Oct. 17.—(AP)—The condition of four victims of botulism poisoning, all reported to be critically ill, was said by physicians today to be unchanged. The doctors believed it would require several days to determine the probable outcome.

The four were Mrs. and Mrs. Eugene Courtney of The Dalles, and Mr. and Mrs. J. S. Burres of Condon. Mrs. Burres was said to be the most seriously ill, with her vision impaired and the vocal cords paralyzed. The symptoms, physicians said, were typical of botulism poisoning, and that others were afflicted similarly, but to a lesser degree.

Three other persons who ate home-canned salmon last Friday at the Burres home in Condon have not yet developed symptoms. Courtney is manager of The Dalles branch of the First National bank of Portland. He and Mrs. Courtney visited the Burres home Friday and ate the home-canned salmon, served cold. Mrs. Burres told physicians the salmon had been canned without preservative, as she has done each year for 17 years. The salmon was purchased from Indians at Celilo Falls.

That many CCC members are finding employment outside is indicated by the large number of members who have dropped out through the summer. Records here show that six of the 19 men discharged Tuesday had jobs waiting for them. Five men will take advantage of the many chances offered by the government to students.

It is expected here that replacement to bring the company to full strength will be received shortly. CAMP WIMER.—(Sp1)—Only 19 members of this all-Oregon company left the CCC at the end of the enrollment period Tuesday evening, an all-time record for the company. Wimer's company 964 was organized in May, 1933, and since October, 1934, has been at this camp.

PETITIONS ON ROGUE REOPENING PRINTED SALEM, Oct. 17.—(UP)—Secretary of State Snell was informed today that petitions for the initiative measure to reopen Rogue river for limited commercial fishermen were printed and are ready for circulation. The Rogue River Fishermen's union of Curry county launched the proposal, which would repeal the act by the last legislature closing the stream to net fishing.
