(Continued from Page One.)

North Front street to contain the liquid butane. The new gas is colorless, odorless, and burns with a cleaner and much hotter flame.

To offset the fact that the butane is odorless, it is treated with a chemical to make any escaping gas smell like kerosene, eliminating any danger and making the gas even more safe than the old kind, York said.

The old gas plant near Phoenix, built in 1900 and employing coal and oil for making the artificial gas (and as one time even using Roy Ann coal) will be abandoned, York said, when the new plant is opened next week.

Manager York pointed out the advantage of the new fuel, coupled with the reduction in rates. The old gas, he said, contained about 350 British thermal units to the cubic foot. The butane gas has stepped up that figure to about 900 B. T. U.'s.

The same method has been tried and found highly successful in southern California, but the local plant in Oregon, it was pointed out. The advantage lies in the fact that production costs are greatly reduced, allowing a lower rate per cubic foot, with almost twice the heating power as the gas is burned.

BANQUET MONDAY FOR PRES. PEAVEY

George W. Peavey, president of Oregon State college, will be guest of honor at a banquet and reception to be given Monday at 8:30 p. m. in the St. Mark's Guild hall by the Oregon State club.

All alumni, former students, and friends of the college in Jackson county are invited. A special invitation has been extended to the mothers and fathers of students now attending Oregon State.

"We want everyone to come and renew old friendships and make an acquaintance with President Peavey," stated L. A. Mentzer, president of the Oregon State club.

Reservations for the banquet may be made by calling Mrs. W. J. Warner, 349-M, or L. A. Mentzer, 927-X, by Saturday noon. Tickets may be purchased from the members of the following committees: L. A. Mentzer, Kenneth G. Demman, Mrs. L. L. Sanders, Miss Maurine Carroll and Mr. or Mrs. Kenneth Scott Wood.

LIONS PLANNING LADIES NIGHT

Members of the Lions club were today making plans for ladies' night which is to be celebrated next Wednesday evening with a dinner and dance.

The program being mapped out today included the showing of motion pictures taken by Ted O'Brien-waters of Klamath Falls at the Lions International convention in Mexico City last July. The place where the banquet and dance are to be held had not been determined today. The regular noon meeting of the club will not be held next week.

At yesterday's weekly meeting-luncheon at the Hotel Medford the members participated in a general forum, each telling personal anecdotes or relating experiences enjoyed on recent trips. Roy Wright was a guest of the club.

Advertising day will be observed a week from next Wednesday when members may indulge in publicity, an indulgence permitted only once a year.

FAT GIRLS GET THE GO-BY—SLIM GIRLS WIN MEN

Less Fat The Easy Way—Without Starvation Diets. Harsh, Exhausting Salts or Weakening, Irritating, Habit-Forming Laxatives.

There's a reason why so many people find dieting slow and often times futile in reducing. The reason, doctors say, is often because a little gland is not working right.

All the blood in your body goes through this tiny gland sixteen times every day. If it doesn't pour into the blood stream about one and one-half drops of vital fluid every 24 hours, many people take on soft fat. This fluid helps Nature to "burn up" excess food and fatty tissue in much the same way as a good "draft" acts in a furnace.

Now, physicians combat this condition by feeding this gland the substance it lacks and millions of pounds of excess fat has been wiped out this way.

Marmolin Prescription Tablets are based on the same scientific method used by doctors. So don't waste your time or money when trying to reduce by methods that are hard, futile or depend on harmful, health-ruining salts and laxatives for their action. Start the Marmolin treatment today that millions have used successfully to get rid of excess fat. The formula is in every box so you know just what you are taking. Don't wait—get Marmolin today from druggists.

O.E.S. Officers Guests at Dinner

Officers and installing officers of Reames chapter, O. E. S., were honored last evening at a dinner party arranged by Worthy Matron Pigna Nordwick, hostess for the affair.

Hallowe'en colors and symbols formed appropriate decoration for the dinner, which was given in the Masonic temple. The evening was spent playing cards after the guests had been entertained with a number of stunts and games. High score prizes were awarded to Mrs. Zenda Sanders and Mrs. Rose Houston.

Covers were laid for 26 guests. Scout Will Talk at P-T. A.

The Washington P-T. A. will meet Friday evening in the school auditorium. A short business meeting, called at seven-thirty, will precede the program at eight o'clock.

A report of the Boy Scout trip east will be given by Jack Heylund. All parents and children interested in scouting are invited.

Degree of Honor Has Costume Party

A Hallowe'en costume party has been planned by the Degree of Honor Protective association, and will take place tonight.

Business will not be discussed, but all members are asked to be present at eight o'clock.

Utah Visitor Arriving Here

Mrs. T. S. Vrickley, of Ogden, Utah, is arriving this evening to spend some time as the guest of Mr. and Mrs. A. J. Hanby. She is Mrs. Hanby's cousin.

POCAHONTAS COUNCIL TO BE VISITED FRIDAY BY LODGE OFFICIALS

Westonka council No. 20 of Pocahontas will be honored Friday evening by the presence of the great Pocahontas of California, Mrs. Stella Ely, of Palo Alto, and her following great officers, Lillian Winkelhaus, great trustee; Mabelle Ellis, great first scout; Mary Contard, great second scout; Adda Drake, past first runner; and Harry Drake, past great sachem of California.

The degree work will be exemplified for the visitors and following the business session a social hour will be held.

Friday afternoon an "open house" informal tea will be held at the home of Nellie Purdin, 335 West Holly street, to greet the out-of-town guests and all members and their friends, and invited to attend between two and five o'clock.

Dinner is being planned in honor of Mrs. Ely and her attending officers on Friday evening at the Jackson hotel. Any members interested in attending the dinner are asked to call Bernice Wilson for information and reservation.

ROOSEVELT AND BENSON FIGHT TO 13 TO 13 TIE

PORTLAND, Ore., Oct. 12.—(AP)—The battle raged on one way and then the other as Roosevelt and Benson high schools fought to a 13-to-13 tie in a spectacular football game here yesterday.

PORTLAND, Ore., Oct. 17.—(UP)—The town dog catcher and a little white dog put on such a good show that the spectators led by Clem Jones passed the hat to buy the dog a license.

Arrangements for today's session and luncheon were made by Jane Smedley, Mrs. J. A. Perry, and Mrs. A. E. Stratton.

Young Set Plans Hallowe'en Dance

Medford young people are planning another no-host dancing party, to be held Saturday, Oct. 26, at the always-popular Chateau du Compté.

Guests will wear hard-times costumes, with decorations being in the Hallowe'en spirit. Entertainment will be provided by various Hallowe'en stunts and games besides the usual dancing.

Those in charge of arrangements for the affair are Misses Peggy Miller, Betty Barwell, Dorothy Roberts, and Madames Lynn B. Groviale, Jack Walker and Warren Olson.

Guests are expected to number about seventy-five couples.

Zulema Temple Has Ashland Session

Ashland was the hostess city to the members of Zulema temple. Daughters of the Nile at the stated session held last Saturday afternoon. The meeting was largely attended by members from Medford and Grants Pass.

Queen Nancy Cass presided over the session, which was held in the Masonic temple. Following the luncheon, which was served by the Alpha class in the dining room of the hall, the fifty ladies present met in business session.

Boutelles Have New York Guests

Mr. and Mrs. A. F. Arnold, of New York, are guests this week of Mr. and Mrs. Ralph Boutelle, having arrived from the east Sunday.

The Arnolds motored across the continent, and will continue on through California after spending some time here.

Plans for raising funds to finance the organization were discussed by members of the Oregon-Pacific Highway association at a meeting held last night at the Jackson County Chamber of Commerce.

The meeting was presided over by E. G. Harlan, executive secretary of the association, who henceforth will have headquarters in Salem where legislation and appropriations pertaining to highway improvements and construction can be watched closely.

The position of executive secretary was recently placed on a salary basis and arrangements are now being made for the effective functioning of the association, its aim being to obtain a fair share of appropriations for Pacific highway improvements.

The association is comprised of chamber of commerce members and others in all the cities along the highway.

Those attending last night's meeting in addition to Mr. Harlan included C. H. Damary of Grants Pass, association president, Jack Harvey, secretary of the Grants Pass Chamber of Commerce, Gordon McCracken, secretary of the Ashland Chamber of Commerce, A. H. Banwell, manager of the Jackson County Chamber of Commerce, and J. F. Wakefield, Fred Scheffel and Paul Rynning, all members of the local chamber's highway committee.

Mr. Harlan was to leave for Portland today.

PAINT ON POULTRY FOILS CHICKEN THIEFS EFFORT

OMAHA, Neb., Oct. 17.—(UP)—When M. E. Ross painted his barn red recently, he spotted his white Rock hen. Sunday night, thieves stole the entire flock. Deputies found all of the birds at a poultry house where a former deputy sheriff was attempting to remove the paint.

Arrangements for today's session and luncheon were made by Jane Smedley, Mrs. J. A. Perry, and Mrs. A. E. Stratton.

Relative Merits Of Pig Hind Legs Subject For AAA

WASHINGTON, Oct. 17.—(AP)—The comparative delights of munching a ham sandwich made from the left hind leg of a hog rather than from the right hind leg is before the AAA.

And with it the question, "Should the farm administration teach hogs to shimmy with the right as well as the left side?"

To Claude Wickard, corn-hog section chief, came this poser, presented in mock solemnity by one of his aides, D. A. Gitzgerak.

Wickard attached an advertisement of a Baltimore establishment that "Our special left ham sandwiches are better."

It "explained" that when a hog scratches his right side "he does a Charleston with his right foot," developing tough muscles, while when he "scratches his left flank he does a gentle shimmy against a tree or post."

Free Advertisers Make Chumps of Paper Publishers

CHICAGO, Oct. 17.—(AP)—Linwood I. Noyes, president of the Inland Daily Press association, called newspaper publishers "chumps" today for using free advertising in their columns.

"They are endangering the 'very existence' of their papers—'revenue from paid advertising'—by the practice, he said at the association's fall meeting.

A pile of publicity material sent to member newspapers a few weeks prior to the convention lay on a table in the meeting room, indicating, he said, that the newspapers receive daily "more than a ton of this stuff."

Noyes, who is publisher of the Ironwood, Mich., Globe, proposed records be kept of free advertising lineage to curb the practice.

RECKLESS DRIVING TO COST PERMITS

Reckless driving by high school students must be stopped, was the pronouncement today of City Judge Allen D. Curry, who yesterday suspended the driver's permit of Norman Oliver for 90 days.

Oliver, a Medford high school student, yesterday pleaded guilty to a charge of violation of the basic rule after being arrested by city police when he rammed into the side of an auto driven by Mrs. Adeline Hinck at the corner of Oakdale and Eleventh streets.

"If I give them a fine, their parents will have to pay it. If I suspend their licenses, they'll have to walk, and they'll remember their lesson much longer," the judge said. He also directed Oliver to settle with Mrs. Hinck for the damage done her auto, "even if he has to mow her lawn to do so."

According to city police, Oliver was driving an antiquated model T Ford at a reckless speed on South Oakdale, carrying a load of other students. The accident happened shortly before 1 o'clock yesterday afternoon.
