MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief Of Pain
Many sufferers relieve nagging backaches quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are one of Nature's chief ways of taking the acids and waste out of the blood. If they don't pass a pint a day and so get rid of more than 3 pounds of waste matter, poor 15 miles of kidney tubes may need flushing.
As soon as you get frequent bladder passages with scanty amount which often smart and burn, the 15 miles of kidney tubes may need flushing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes and dizziness.
As soon as you get DOAN'S PILLS—used successfully by millions for over 40 years. They give happy relief and will help flush out the 15 miles of kidney tubes.

Claudette Colbert In Sparkling Comedy Romance Soon At Craterian

Grand in her greatest!

1 Look, the boss is gonna marry His efficient secretary. But! He gives her rings and flowers Just to cheat extra hours.

2 Here! It's cold if there's no spooning! When a couple's honeymooning! Just because he's making money He's too busy for his honey.

3 But he finds out what he's missing! When his rival tries her kissing!

4 Locks and doors and men of fashion! Crash before his driving passion. "Darling," cries she in her bliss, "Cowman must have socked like this!"

Claudette Colbert, Melvyn Douglas and Michael Bartlett have the leads in "She Married Her Boss," comedy-romance coming Sunday to the Craterian theater. On the same program will be one of the most timely pictures of the day, "Wings Over Ethiopia," not a newsreel, but a 90-minute featurette actually filmed at the world's focal point of interest today.

Rialto To Show Thrilling Film

Thrills and romance at one hundred miles an hour are in store for those persons liking roaring action and gear-racing drama, in "Super-speed," playing at the Rialto theater tomorrow and Saturday.

Norman Foster plays the part of an All-American football star with a lust for speed. During his engineering course at college he invents a new kind of carburetor and supercharger. He tries to get backing, but no one will see his way until Florence Rice, a young society miss with a craving for speed, hears of his ideas and helps him to put one on a car. Then when the thing is a success every manufacturer in the business wants his invention.

They try to blackmail him, but again love wins and these two end up with the fastest vehicle ever to give a couple of thrill-mad people excitement and action enough to make Mary Carlisle, Arthur Hohl and Charley Grapewin make a fine supporting cast.
