Tender Meats and Your Health

WITH the general tendency to under chew any but the tender and flavory meats—meat has a lot to do with your health. This is especially true of children who to get the necessary proteins must have meat. That is why we handle the finer steer beef—why we hold it in our special cooler until the flavor is most pleasing—why it must be easy and pleasing to chew.

Tender and flavory meats—plus super-sanitation truly guard your health—and your purse—for good meats are really cheaper for you.

SUPER MEAT MARKETS

For the Hallowe'en Weiner Roast. Roasting Weiners From Hubers

You can roast any kind of weiners but some roast better than others—We asked Mr. Huber about them and were told why there is a difference—Weiners made with cereal are not so good for roasting as those made without—To satisfy ourselves we tried both and Mr. Huber is right.

For your Hallowe'en Weiner Roast—we offer Huber's Weiners made without cereal—and there is a difference.
