Give Us A Name for This Fine Sausage and Win One of These PRIZES

Last week a Michigan visitor said of our Country Style Sausage—"That is the best sausage I ever ate except my own. You live in a fine country and can use my recipe." He then told us the secret and we tried it. We haven't changed our formula—the same 100% pork—the same seasoning plus our visitor's secret. No cereal—no other meats—just the finest 100% pork sausage you ever tasted. We want a name for this wonderful sausage—and offer the following prizes—

- 1st Prize** 12-lb. Swift's Premium Ham
No. 10 Sack of Sperry's Pancake Flour
5-lb. Can Tea Garden Syrup
- 2nd Prize** 7-lb. Slab Swift's Premium Bacon
4-lb. Sack Sperry's Pancake Flour
1 Large Jar Clear Mountain Honey

All names must be submitted by November 9th. Prizes awarded Saturday, November 16th

Tomorrow we place on sale Beef from Roy Stanley's Herford steers. Throughout the hot summer months it isn't possible to insure positive uniformity of quality even though steers are selected with the greatest of care. The Stanley steers are the first of 140 head we have bought ahead to insure finest quality all winter. The rest will be fed at the John Nealon ranch until in perfect beef condition and sold throughout the winter.

Get some steaks or a roast from this fine beef at the extremely low prices in this ad.

We have never sold any finer beef, yet fully expect to have this fine quality throughout the entire winter.

Truly—it costs no more to be sure of quality.
