

**JOHN HENRY LEWIS
BECOMES CHAMPION
OF LIGHT HEAVIES**

ST. LOUIS, Nov. 1.—(AP)—John Henry Lewis, the first negro light heavyweight champion since the reign of Battling Siki, turned ambitious eyes today toward the goal of goals of another negro—the world heavyweight title.

The Arizona ebony storm, who gained the light heavyweight crown last night with a smashing victory over Bob Olin, served notice to the fight world that he would be a contender for the title sought by his friend, Joe Louis, Detroit's amber bomber.

Louis, who refereed one of the preliminaries, watched from the ring-side as John Henry, fighting the most brilliant battle of his career, battered the champion, a slight betting favorite, through 15 frenzied rounds before 9,000 hysterical fans.

"The first thing I'm going to do is fight some more and make some money," the 21-year-old champion—Louis's age—said in his dressing room after the bout. "Then I'm going to start eating until I weigh enough to enter the heavyweight class."

**OPERATE ON EYE
OF STANFORD ACE**

SAN FRANCISCO, Nov. 1.—(AP)—Frankie Alustiza, the little halfback who played with cracked ribs and never said a word, lay quietly in a hospital here today awaiting the outcome of an operation performed to restore the impaired vision of an eye injured in football.

The surgery on the retina torn while Alustiza was playing for Stanford against University of California at Los Angeles September 12, was performed by Dr. Hans Barkan. It was successful, reports said, but Alustiza must wait two or three weeks before the bandages can be removed to find out whether the Basque will again have completely normal sight.

**LADY LIONS AIDING
SANTA CLAUS WORK**

A statement issued today by the Ladies' Auxiliary of the Medford Lions club asks co-operation of citizens in providing Christmas toys for less fortunate children of the community.

The organization is holding a rummage sale today and Saturday in the Sparks building at Main and Riverside for the purpose of raising funds to purchase toys and the ladies also ask that anyone having broken or discarded toys contribute them for reconditioning by the men at the fire hall who have volunteered for the work. The toys may be left at the fire hall or will be called for by lady Lions.

**WHOLESALE RUSTLING
OF SHEEP IS PROBED**

INDEPENDENCE, Ore., Nov. 1.—(AP) Gordon B. Bowman, farmer and sheepman, and former Marion county rancher, was held in the Polk county jail today while police investigated the theft of a great number of sheep from Polk county flocks.

Many farms have lost sheep in the past few weeks, and deputy sheriffs estimate the total stolen is between 400 and 500. Several head of sheep have been identified as from flocks in Marion, Yamhill and Linn counties, officers said. As many as 50 sheep have been stolen from one band.
