

### CLAIMS NEW DEAL BINDING BUSINESS

PORTLAND, Nov. 1.—(AP)—Senator Frederick Steiwer, (R., Ore.), declared here yesterday that it is "impossible to do anything toward recovery until the government releases its stranglehold upon business."

Addressing the new pro-American group of Republican women and the

Women's Progressive Republican club, Senator Steiwer declared recognition of honest business, private industry, lawful ownership of property, the profit motive and the fact that it is honorable to be successful, is necessary before 10,000,000 unemployed can find self-respecting means of support.

"Do you realize that the majority of the congress of the United States under leadership of the new deal has carried America further into debt than the government releases its stranglehold upon business?"

In all the 147 years that have gone before?" he inquired.

### QUADRUPLET BOYS ARE 6 YEARS OLD

BEAUMONT, Tex., Nov. 1.—(AP)—Four quadruplet brothers A. B. C. and D. Perricone, swelled their respective barrel-like chests today—they were six years old—and tomorrow could add "goon" on seven.

They were much more interested

in four three-layer cakes their mother had baked for their birthday party than in Halloween pranks or prizes, ghosts and goblins.

The quads, Anthony, Bernard, Carl and Donald, better known by the initials, were determined to behave themselves—even the non-conformist Bernard declaring mysteriously, "If we don't, the witch will come get all four of us and take us back."

The Perricone quads are the only such group of boys known to be living in the United States. The Keyes quads of Oklahoma and the Meriok quads of Michigan are all girls.

### DALLES LETTUCE CROP TOTAL LOSS

THE DALLES, Ore., Nov. 1.—(AP)—As snow and sub-freezing weather continued here today a checkup revealed that the fall lettuce crop of the section was a total loss and other produce was damaged by the cold.

It was estimated that more than

4,000 crates of lettuce remained to be harvested when wilted by frosts.

Fruit trees of the mid-Columbia area are not yet dormant and it was feared that the sudden low temperature of 22 degrees might cause severe damage. A small tonnage of wine grapes remained unpicked and was ruined by the freeze.

Sun Glass Fires Home

ORLEANS, Mass. (UP)—Sun rays, concentrated by a glass jug filled with water, fired the summer home of Dale Crosby. Damage was estimated at \$250. Firemen said the jug acted as a magnifying glass.

### CHRYSLER DECLARES 75 CENTS DIVIDEND

NEW YORK, Nov. 1.—(AP)—Directors of the Chrysler Corp. today declared a dividend of 75 cents a share on the common stock, payable December 31 to stock of record December 2. While not designated as a regular dividend, the payment compared with a regular quarterly dis-

bursement of 25 cents and an extra payment of the same amount in the two preceding quarters.

Net profit for the nine months ended September 30 was \$23,184,487, equivalent to \$5.35 on the common stock. This compares with \$9,432,826 earned in the first nine months of 1934.

Sheep Thief Turns Sheepy

TIFFIN, O. (UP)—A sheep thief with half a conscience is being sought by Sheriff Verne P. Dests. He stole 25 ewes and lambs from the Frank Gray farm and later returned 12 of them.
