ASHURST WOULD TELL SOLONS OF K. F. SITUATION

KLAMATH FALLS, Nov. 2.—(AP)—Circuit Judge Edward B. Ashurst said today that whether he goes to Salem to appear before legislative committees in connection with gambling laws depends on whether the legislature at this special session decides to consider legislation of this sort.

Judge Ashurst revealed that he had received various communications from members of the legislature in reference to the situation in Klamath county. He said he had supplied such information as is available and is prepared to furnish more, either in person or through the mail.

The judge, in one of his statements to the grand jury recently, stated he would go before the senate judiciary committee if necessary in connection with Governor Martin's refusal to appoint a special prosecutor to handle the gambling investigation in Klamath county.

"My only interest or concern is to lend my best effort toward enactment of legislation to suppress crime and vice and to use, insofar as I have the power, my best effort to enforce such laws as may be enacted unimpeded by those who share in the profits of crime."

"If called before the judiciary committee of either the house or senate, I would explain fully the situation confronting me in Klamath county, regardless of whom it might embarrass. It is their position ever so exalted or obscure. Such information would be given regardless of whether it affected any public official."

GENEVA, Nov. 2.—(AP)—The League of Nations committee of 32 countries today formally fixed November 18 for imposing economic sanctions against Italy.

ALBANY, Ore., Nov. 2.—(AP)—Jack Farrell of Lacombe suffered a broken leg, a broken thumb and an exceedingly cold bath yesterday when he was hurled into the South Santiam river at Lebanon by a road grader that plunged over the river bank.
