

BEAR AND HUSKY TANGLE IN COAST CLASSIC SATURDAY

California Facing Severe Test For Undisputed Leadership—Oregon And State Revive Old Feud.

By Russell Newland (Associated Press Sports Writer) SAN FRANCISCO, Nov. 4.—(AP)—Whether undisputed leadership remains with the University of California Bears or the Pacific coast conference championship race reverts again to a wide open football scramble will be determined next Saturday when the Bears battle Washington's Huskies in the classic of the week.

Definitely established as "the team to beat" for the title, as the result of the 14 to 2 victory over the California at Los Angeles Bruins last Saturday, the Bears will face a formidable opponent in the Washington eleven coached by Jimmy Phelan.

Although beaten by Stanford 6 to 0 Washington may prove a tougher adversary for California than did U. C. L. A.

Just Another Game What was once one of the coast's greatest struggles, usually for conference leadership, will be just another game when Stanford meets Southern California in Los Angeles.

Stanford, champion the last two years and still considered in the running with one defeat, will line up as a strong favorite to defeat Howard Jones' current U. S. C. machine.

An old state rivalry will be settled between University of Oregon and Oregon State college. Each has lost two games thus far.

Surprise victim of an upset by Gonzaga last Saturday, Washington State college will try to bolster its conference standing at the expense of University of Idaho.

University of Montana will meet Gonzaga in a non-conference contest.

Conference standings:
W. L. Tied Pts. Opts.
California 3 0 0 41 9
U. C. L. A. 3 1 0 42 33
Washington 3 1 0 68 13
Stanford 1 1 0 12 7
Wash. State 2 1 0 39 41
Oregon State 1 2 0 33 33
So. California 1 2 0 23 34
Oregon 1 2 0 20 39
Idaho 1 2 0 14 35
Montana 0 4 0 21 69

WESTERN SQUADS TOP PRO LEAGUE

CHICAGO, Nov. 4.—(AP)—It becomes more and more apparent, as the national professional football league season wears on, that most of the strength lies in the western division of the circuit.

Every team in the western section, led by the Green Bay Packers, today topped the leaders of the eastern division, the 1934 champion New York Giants, in the general standing.

The Packers found themselves in first place without even playing yesterday, the Detroit Lions having ousted the Chicago Cardinals down by a 7 to 6 decision.

The Chicago Bears moved up to a tie with Detroit for second place by whipping New York, 20 to 3, at New York.

In 12 games against eastern opposition, western teams have won ten. The Giants dominate their own neighborhood, but all their three defeats were administered by western teams, the Packers, Cardinals and Bears.

Several years ago a group of Medford basketball players were barred from participation in southern Oregon league athletics for painting a barn in Ashland which was, and still is, sadly in need of paint. We aren't trying to justify that action, nor do we censor anyone for punishing the pranksters, although it was undoubtedly done in a spirit of fun.

What kind of action, then, should be taken against the Klamath Falls football player who swung, maliciously, on Umpire Howard Scheffel in the Klamath dressing rooms after Saturday's game? Certainly, to have an apparent victory snatched from their eager grasp in the last 20 seconds was a bitter pill, but it is at a time like that when the true test of sportsmanship comes. And that player couldn't pass the test.

The bone of contention Smith's 20-yard pass to Kunsman, completed on the two or three-yard line, Kunsman was in the air when he caught the pass, and although tackled, momentum carried him over the line and he twisted in the air and fell with the ball perhaps six inches over the line. Scheffel, as umpire, was standing on the goal line and saw that the pass was good. He said so, and Referee L. L. Deal of Grants Pass backed him in the decision.

The only other official on the field, a man named Roycroft, who was head linesman, supposedly watching play at the line of scrimmage, had no say in the decision even had he been in a position to see the play.

So Medford won the game, with 20 seconds to go. As Scheffel made his way into the dressing room after the game, he was warned not to enter the room, because he would be "mobbbed." Having a clear conscience, Scheffel went in, and was greeted with abusive language of the vilest sort. He paid no attention to it, and went on about his business of preparing to leave.

A Klamath player came up behind him, snarled something, and swung hard on the umpire. The two Klamath coaches pulled the man away, and apologized profusely for his actions, although somewhat late to be of much benefit. Scheffel was not hurt, but that is beside the point.

We are anxious to see what action the Klamath officials will take against the man. For their own good they can hardly afford to ignore the incident. If they don't know who the man is, we will be glad to tell them. We know it's up to them. We see little reason for not barring him from all future southern Oregon athletics, he already having an uneasy reputation for dirtiness on the field of play.

DONS WALLOP LOYOLA 9-0 IN FUMBLE FETE

SAN FRANCISCO, Nov. 4.—(AP)—The Loyola Lions of Los Angeles headed for home today with manes still ruffled by the 9 to 0 defeat handed them by the University of San Francisco here yesterday.

It was a wild and woolly game, with players on both teams, their hands numbed by a record-breaking San Francisco cold spell, tumbling frequently. A steady parade of intercepted passes also kept the 8,500 fans who witnessed the contest on edge throughout the four quarters.

SIX TEAMS RETAIN SPOTLESS RECORD HIGH SCHOOL RACE

Silverton Knocked Out Of Title Scramble By 19-12 Defeat By Lebanon—Three Have Close Calls.

By the Associated Press Team. W. Pts. Agst. Washington (Portland) 7 192 33 Milton-Freewater 6 143 0 Myrtle Point 6 111 6 Eugene 5 104 24 Pendleton 4 106 0 Medford 4 125 29

(Note: Only games with Oregon high schools included.)

The way grew rough over the weekend for the seven undefeated, untied football teams of the state and one was beaten while three others had close calls in contrast to previous lopsided victories.

Silverton, which had won five games and scored 101 points to 32, found a tarrar in Lebanon and came out on the short end of a 19 to 12 scoring race.

Medford high had to come back from behind twice to defeat the Klamath Falls Pelicans 19 to 14. A pass from Smith to Kunsman brought Medford from behind the second time with only three minutes left to play.

The Coos Bay pacesetter, Myrtle Point, fired up in the last two minutes of play and defeated North Bend 6 to 0.

Washington high, the Portland leader, was pushed around fearfully, but uncoiled a pair of passes to defeat Roosevelt high 12 to 7. This kept Washington at the head of the scoring list and ahead in victories with seven.

The best performance of the remaining "big six" teams was by Pendleton which defeated Walla Walla high 20 to 6 for the first Buckaroo win over the Washington team since 1924. However the win had no direct bearing on the Oregon championship race.

Eugene high's standing in the championship race was unaffected by a one-touchdown loss to the Linfield college freshmen.

EX-TIGER BUDDIES IN GRIDIRON DUEL

When the SONS of Ashland played the University of Oregon Frosh here on October 12, two former team mates were opposed, with Max Gillin, former Medford halfback, running the ends for Ashland and Bob Hinman, star end last year, stopping those ends runs for the Frosh.

The same kind of rivalry was presented Saturday, when the University of Washington Babes defeated the Duckings 8-0. Hinman started the game at end and captain for the Frosh, and Burdette Kindred, powerful tackle and kicker on last year's Medford team, started at tackle and captain for the Babes.

So the game went ahead with Hinman and Kindred directly opposite. From all reports the merry little fight they had must have been interesting to watch.

Deschutes Skating Earliest On Record

BEND, Ore., Nov. 4.—(AP)—Mirror pond, calm portion of the Deschutes river within the city limits here, was frozen solidly enough Sunday for the first November ice skating ever done on its surface.

Sub-freezing temperatures for an entire week were climaxed when the mercury slid to five degrees above zero early yesterday.

SCATTER-GUNNERS GARNER TURKEYS AT SUNDAY SHOOT

In the first of a series of turkey shoots at the Medford gun club, 16 husky toms changed hands yesterday afternoon, when over 80 of the members blazed away at the flying clay disks for turkeys, hams, baccos, chickens and sugar.

George Jantzer upheld the old guard by dynamiting his way to win in two of the turkey shoots, and also took a sack of sugar, while Jimmy Valentine, a new trap shooter with worlds of promise, also took two turkeys and a sack of sugar.

Ralph Stevenson and Mayor George Porter each won two turks, and Elmer Wilson, Frank Craig, Bill Young and Elmer Childers each got a bird. Jack Thompson got a turkey, a bacon and a sack of sugar. Charles Woods got a tom and a sack of sugar, as did Fred Sander. Ed Pease, club secretary, got one turkey and one bacon, and Clarence Eads took both of the chickens offered as well as a sack of sugar.

Sam Jennings took one first for a ham, and a second for a sack of sugar and Roland Hubbard took the only other ham offered. Runners up who got sugar were Ole Alenderfer (2), Chester Woods (2), James Moore, R. B. Miller, E. Cole and John Tomlin. At noon the shooters repaired to the club house, where they had a nautical stew dinner that set a precedent that will probably be made a regular feature of the Sunday shoots. Turkey shoots will be held again before Thanksgiving, Christmas and New Year's.

11 MAJOR TEAMS STILL UNBOWED

NEW YORK, Nov. 4.—(AP)—A weekend of intensive firing, featuring the collapse of Ohio State's Buckeyes, brought some semblance of order out of the maddest football whirl in history.

Eleven major teams still boast perfect records, marred neither by defeat nor tie. Geographically, they are distributed as follows: Yale—Princeton, Dartmouth, New York university and Syracuse. Middle west—Minnesota, Notre Dame and Marquette. South—North Carolina. Southwest—Southern Methodist and Texas Christian.

There was no assurance that any of them could maintain the same striding pace for the rest of a season that has been notable for the high mortality rate among stand-out favorites.

WHOLESALE MEAT PRICES FALLING

CHICAGO, Nov. 4.—(AP)—Wholesale meat prices are coming down, the Institute of American Meat Packers reported today.

The decline in fresh pork loins totaled 30 to 35 per cent in the last four weeks. Lamb was down 10 per cent, veal 7 per cent, and beef somewhat lower. William Whitfield Woods, Institute president, said: "Woods attributed the falling prices 'in part' to the seasonal increase in marketings of livestock during October."

FIRE ASSOCIATION TO HEAR DEPUTY MARSHAL TONIGHT

E. A. Taylor, deputy fire marshal representing Marshal Hugh H. Earle's Salem office, will address the second monthly meeting of the Fire-fighters Association in Ashland at 7:30 tonight.

The association was formed in Medford a month ago with Fire Chief Roy Elliott as president. It includes professional and volunteer firemen of southern Oregon communities and eventually, it is expected, it will embrace all the cities from Grants Pass to the California line. The aims are to coordinate fire-fighting methods, study technique and preventive measures, adopt standard salvage procedures, train volunteers and create a closer cooperation among cities in the group.

The state fire marshal's office was very glad to hear of the organization of this association. Mr. Taylor said: "Wherever such associations exist, the efficiency of the fire department is increased and a greater cooperation results between the departments of the communities represented."

Gotham Firebug Claims 6 Lives

NEW YORK, Nov. 4.—(AP)—A new blaze, set in rubbish piles in a Harlem apartment house, was discovered and extinguished today as police searched for a firebug blamed for a tenement house fire which took six lives.

Fire Marshal Thomas Murphy said the new fire had been set by the person responsible for the deaths of Mrs. Marybeth de Donato, 35, and her five children, whose bodies were found in the kitchen of their fourth-floor flat after a fire early yesterday.
