Rialto's Star

Warwick Deeping's dramatic story of "Two Black Sheep" widely read Cosmopolitan Magazine novel, is on the screen of the Rialto theatre starting today as "Two Sinners" with Otto Kruger in the starring role. Telling the moving story of a man and a woman living in the shadows of his past, with the whole world ready to criticize at any false move they might make, "Two Sinners" gives Kruger the long awaited opportunity to further distinguish himself with a restrained but forceful dramatic characterization of the man who finds a prison record a strong hindrance toward seeking happiness.

Children's Colds Should Have This Safe Treatment

Young Mothers Benefit from Two Generations' Proof of This External Treatment For Fighting Colds.

IT AVOIDS CONSTANT "DOSING" Like a nothing like a child's cold to upset a young mother. And mothers of two generations, anxious to help end colds, have depended on Vicks VapoRub. It is effective—external—and safe. It avoids the risks of constant "dosing," so often upsetting to children's delicate digestions. Just rubbed on throat and chest at bedtime, VapoRub acts two ways at once:

- 1. By stimulation through the skin, like a poultice or plaster. 2. By inhalation of its penetrating medicated vapors, released by body heat and breathed in direct to inflamed air-passages.

Continuing through the night, this combined vapor-poultice action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion.

A Practical Guide for Mothers

Each year, more and more families are being helped to fewer colds and shorter colds by Vicks VapoRub. This plan has been clinically tested by practicing physicians, and further proved in everyday home use by millions. Full details of the Plan in each package of Vicks VapoRub.
