## Betrothal of Miss Carless Announced At Tea and Dinner

Mrs. R. W. Frame, of Phoenix, announced the betrothal of her daughter, Miss Dorothy Carless to Fuller Arney, of Los Angeles, at an afternoon tea and informal evening supper at her home Tuesday of this week.

A definite date for the wedding, which will take place at the beautiful home of Mr. and Mrs. Frame, has not been set as yet, but will be an event of the next two weeks.

About fourteen guests, intimate friends of the bride-elect, were present at the tea. Autumn flowers and foliage formed a lovely background for the event, each guest being presented with a corsage.

As Mr. Arney is a pilot, favors and placecards in the form of tiny aeroplanes provided an unusual and appropriate decorative motif at the supper table in the evening. A model of a Boeing plane formed the centerpiece. Guests for dinner were the Misses Helen Winter, Barbara Drury, Frederica Brommer, Mildred Beeson, Jeanette Goss, Vera Humphreys and Mildred Peters.

## Students and Alumni Attend Homecoming

Ancient rivalry between the University of Oregon and Oregon State college on the football field is drawing a large number of local alumni and sports enthusiasts to Eugene this week-end to witness the game tomorrow.

Added to the attraction of a "big game" will be the Homecoming activities on the Eugene campus, many and varied. By motor and train, old grads and newer grads, high school students and those who just like to be in on things, are trekking to the Oregon campus today and tomorrow.

As it has been some time since this traditional game has been played in either school's home town, an unusual amount of enthusiasm is aroused.

A large number of those attending will leave this evening on the special train provided for that purpose, and many more will be driving up today and tomorrow evening.

## Reliable Grocery Canned Food Sale Opening Saturday

The annual Royal Club Canned Foods sale opening at Holloway's Reliable Grocery tomorrow comes at a very opportune time for local housewives, according to W. A. Holloway. Mr. Holloway says, "The \$10,000,000 Pacific coast crop damage caused by the recent cold weather has brought sharp rises to many food prices. We bought the merchandise for this sale before prices went up so the values are much greater than we had planned. This is a good time to take advantage of these unusual bargains." Royal Club canned foods will be opened and sampled, extra clerks will be on hand to give quick service and representatives of several companies will be at the Reliable special deals and demonstrations for the sale which will last two days, Saturday and Tuesday.

Under the auspices of the Nazi Beauty in Work office, 13,500,000 marks have been spent to improve and beautify 1,700 Berlin working places.
