"Way Down East" Coming to Craterian

From tender scenes of love to the most thrilling climax ever filmed, the dramatic surge of "Way Down East" whisks its principals Rochelle Hudson and Henry Fonda.

Long hailed as "the great American melodrama," the story has been a stage favorite for years and was also made as a silent picture before

talkies came into being. Slim Sumnersville, Edward Trevor and Margaret Hamilton are featured. The picture opens Thursday at the Craterian theater.

At Rialto

When a shy, blustering girl from the country gets mixed up with all of Chicago's most famous gangsters, anything is liable to happen. Anything . . . and everything, in fact . . . does happen in "She Gets Her Man," the hilarious comedy which plays at the Rialto theater today and Monday, with Zasu Pitts and Hugh O'Connell in the starring roles.

The farce starts with Miss Pitts being held up at the bank for her \$2.98 she is depositing. She faints and falls on a button, letting out jets of tear gas that aid in capturing the bandits. She becomes famous overnight as a tiger-woman. Hugh O'Connell, a reporter, hears of her and persuades her to appear on the stage. She is kidnaped by the gangsters, and through her famous hand-wringing she leads the whole of Chicago's gangsters to jail. She is hailed as America's leading "G-Woman."

This knock-out comedy is a burlesque on the current "G-Men" films and gives Pitts her funniest role with a new team-mate just as funny Helen Twelvetrees, Lucien Littlefield and Ed Brophy are also in the cast.

For this class, a fine pair of skates for the winner among the boys and a like pair for the winner among the girls. The second and third races remain unchanged.

The Scottish Rite bodies of Medford, in conjunction with the Klamsath Lodge of Perfection, will hold a joint reunion at the Medford Masonic hall on November 13, 14 and 15.

Many prominent Masons are expected to be present, including Louis O. Clarke 33d degree Inspector general in Oregon, and his deputy, R. E. Pinney, 33d degree.

The local bodies have been conferring the lodge and chapter degrees fourth to 18th, for some years and just recently have been granted letters for a council with D. L. Davidson as commander and a consistory with E. M. Wilson as Venerable Master of Kadoah.

All the degrees from the fourth to the 32nd inclusive will now be handed in Medford and this no doubt will promote the welfare of the Rite and prove a convenience to all interested in the Scottish Rite.

PEP UP APPETITE; RELISH YOUR FOOD

No matter how little you eat, you should relish your food to feel your best and get the most enjoyment out of living. If clogged-up bowels and inactive kidneys are poisoning your system, causing you to have a "puny," finicky appetite, and making you feel run-down, sluggish, without ambition or zest for the good things in life—take a few doses of good old Williams' S. L. K. Formula and see how much better you feel.

Williams' S. L. K. Formula is compounded from the prescription of a former army doctor and contains valuable ingredients which accomplish their work in four beneficial ways: as a mild tonic, stomach stimulant, laxative, and diuretic stimulant for the kidneys. Many take Williams' S. L. K. Formula also for indigestion, nausea, loss of weight and sallow complexion, where a mild tonic, laxative, stomachic, and diuretic is needed. Don't take too harsh drugs which jolt your system and upset your stomach. Ask Neath's Drug Store today for Williams' S. L. K. Formula. The first bottle must satisfy or money back.
