

# Oregon Noses Out Pilots, as Calison Girds for Washington Tilt

## BRADDOCK, MICHEK SCORE TOUCHDOWN OVER SCRAPPY FOE

First String Kept Out Till Third Quarter — Second String Weak—But Hold Portland.

MULTNOMAH STADIUM, Portland, Ore., Nov. 16.—(UP)—Coach Frank Callison sent his first string Oregon team in the third period today and Frank Michiek and Bob Braddock carried the ball 55 yards in 12 plays to score and defeat a scrappy Portland university team, 6 to 0.

Oregon's reserves were unable to score against the Pilots in the first and second quarters.

Besides demonstrating the authentic power of Oregon's best eleven, the game revealed the weakness of Webster's reserves.

Determined to save his regulars for the important Washington game next Saturday, Coach Prince G. Callison fidgeted on the bench as Portland outbroke and outgained the Oregon reserves, especially in the line.

Oregon had a slight advantage in the opening period, playing most of the time in Portland territory and reaching the 10-yard line before losing the ball on downs.

The second period was another story. Portland opened a smashing offense. Sullivan ripped off a first down to the Oregon 34 and Albin started throwing passes. The third pass, intended for Barlow, left end, was incomplete by inches over the goal line.

Portland opened another determined bid late in the second period after recovering an Oregon fumble late in the second period after recovering an Oregon fumble on the Oregon 36. With two minutes to play, Albin shoved-passed to Sullivan for five yards. Sullivan reversed to the Oregon 21. Albin's pass was incomplete and McCarthy hurled a left-handed bullet pass on the dead run to the goal line.

In the second period alone Portland made five first downs to one for Oregon and twice had threatened to score. Callison sent in his first eleven.

Between halves, rain made a quagmire of the field. Oregon started its touchdown march on its own 45. A 15-yard penalty and eight plays brought four first downs and put the ball on the Portland seven. Fullback Frank Michiek had carried the ball seven times and Bob Braddock once.

The Portland line stiffened. Braddock made three, then two. Michiek was stopped on the one-foot line. On fourth down Michiek alashed between right tackle and end for the touchdown. Del Bjork, tackle, attempted the conversion but the ball struck the crossbar and fell back.

Gambling that six points would be enough, Callison sent his reserves back in at the start of the fourth quarter. Again Portland took the upper hand, but did not threaten seriously. Dunstan recovered Donnell's fumble on Portland's 22 and a moment later McGinnis, Portland right half, took a shovel-pass behind the line and galloped 26 yards.

Oregon made 13 first downs, two by penalties and 11 by scrimmage. Portland made eight first down, two by penalties, one by a pass and five by scrimmage.

Oregon attempted six passes, completing one.

## GRAY'S SPEED AND BREAKS GIVE O.S.C. WIN OVER IDAHO

CORVALLIS, Ore., Nov. 16.—(UP)—Joe Gray, speedster Oregon State halfback, plus a liberal sprinkling of breaks gave O.S.C. a 13 to 0 victory over the University of Idaho grid team here today. The game was played before a Dad's day crowd of 3,900.

Idaho worried the Staters throughout the afternoon with a sensational barrage of passes, despite a muddy field, but was unable to penetrate closer to the Oregon State goal than the 30-yard line.

The recovery of a fumbled punt over the Idaho goal gave Oregon State its first center in the initial quarter. Dunne's punt from the State 30-yard stripe traveled to the opposite end of the field, slipped through Ward's fingers and landed in the arms of Jolin, Oregon State end, behind the goal line. Swanson kicked for the extra point.

The Beavers counted again in the third period when Gray raced through a broken field for 69 yards on a punt return. He scored standing up behind perfect interference.

Swanson's try for the extra point was wide.

Gray was the outstanding player on the field. Kolberg, Oregon State sophomore halfback, also turned in a sparkling game. Hanswetz, Idaho quarterback, gave the Beavers all kinds of trouble with his accurate passing. He completed 11 of 19 attempts.

Idaho made six first downs, one from penalty, to Oregon State's five. The visitors gained 119 yards from scrimmage to the Beavers' 158.

## NEBRASKA FALLS BEFORE PITT, 6-0

PITTSBURGH, Pa., Nov. 16.—(AP)—Pittsburgh's gridiron craftsmen halted Nebraska's offensive to the ground this afternoon, chopped holes in the defense and scored a 6-to-0 triumph over the brawn Cornhuskers, champions of the Big Six conference.

Under chilly November skies, Sophomore Frank Patrick, 200 pounds of power and speed, split the westerners' line for a touchdown early in the second period to the cheers of 35,000 shivering fans.

He missed the kick and the scoring was over but the Panthers, leading the fight all afternoon, further demonstrated their superiority by clocking off 12 first downs to four for Nebraska and gaining 188 yards from scrimmage to the invaders' 44.

## REVIVED TROJANS DEFEAT COUGARS

MEMORIAL COLISEUM, LOS ANGELES, Nov. 16.—(UP)—The University of Southern California, kicked around all season, staged a dramatic last quarter comeback here today to defeat Washington State college 20 to 10.

Two mighty drives engineered by David Davis, a 168-pound quarter back, coupled with the ability of Gene Hibbs, end, gave the Trojans their win.

Washington State suffered a great loss in the first quarter when Ted Christofferson, star halfback, injured his leg and left the game. Christofferson had given the fans a sample of his ability by rambling 38 yards to the USC 28 the first time he had the ball.

Washington State made 10 first downs to eight for USC. The Trojans, playing wide open ball, completed nine out of 21 passes. Washington State completed four out of 10 tries through the air.

## NOTRE DAME BY FLUKE TOUCHDOWN TIES ARMY, 6 TO 6

Lucky Break At Finish Gives Irish Chance For Victory In Brutal, Bruising Battle.

NEW YORK, Nov. 16.—(UP)—Out of the shadows of impending defeat Notre Dame's fighting Irish came back today to score a "fluke" touchdown in the last 30 seconds of play and get a six to six tie with a gallant Army team which had led, bruising game in Yankee stadium before 80,000 spectators, largest throng of the eastern football season.

Army scored its touchdown on a 40-yard pass from Monk Meyer, Army's wiry little left halfback, to Ed Grove in the last two minutes of the first period.

The Cadets failed to convert. Then for the next 46 minutes, the strong-hearted Army team, given only a slim chance against the superior forces of Notre Dame, hurled back every attempt of the South Bend eleven to batter it down.

Notre Dame kept marching into Army territory only to meet a stone wall defense which refused to yield beyond its 20-yard line.

Bigger and bigger loomed Army's six points until, with only 30 seconds to play, it appeared that the Cadets, beaten by Mississippi State two weeks ago and routed by Pittsburgh last Saturday, would score an amazing upset over Notre Dame, which had entered the game 2 to 1 betting favorite.

With victory almost in Army's grasp Notre Dame got the greatest "break" ever received by one team in the 22 times Army and Notre Dame have met on the gridiron. Field Judge A. W. Palmer, of Colby, called interference by Army on a Notre Dame pass, which gave the Irish the ball on Army's 3-yard line. The field judge had the gun in his hand ready to fire the shot which would have given Army victory and snapped Notre Dame's three-year victory streak.

Notre Dame lined up. Signals were called. The backs shifted in their Rockne-rhythm. Laurence Edwin Danbom, Notre Dame's sophomore fullback took the ball, and plunged over a mass of players for the touchdown.

With a chance to win the game, Wally Fromhart missed the attempted place kick for goal. The tie was the second deadlock in history between the two teams, they played a scoreless tie in 1922.

Two more plays remained. Notre Dame tried an on-side kick and Army got the ball on its 40-yard line. Meyer tried a pass, which failed and it was all over.

## WISCONSIN BOWS TO BOILERMAKERS

EVANSTON, Ill., Nov. 16.—(AP)—Ollie Adelman, a Milwaukee boy with swivel hips and perpetual motion legs, escaped from the Northwestern bench today to stage an unforgettable running exhibition that gave the Wildcats a 32-to-13 triumph over Wisconsin.

Ollie's little 138-pounder who was so slippery that he squirmed out of tacklers' arms and left them sitting dumfounded to the delight of 20,000 spectators rushed over three of the five Northwestern touchdowns with spectacular jaunts of 65, 34 and eight yards.

## HARVARD ARISES, MAULS HAMPSHIRE

CAMBRIDGE, Mass., Nov. 16.—(AP)—Harvard's long-suffering football squad, stung by three major defeats this season, crushed a fighting University of New Hampshire team, 41-0, in the stadium today.

## ROSE BOWL HOPES OF CAROLINA HIT BY FLASHY DUKE

DURHAM, N. C., Nov. 16.—(UP)—North Carolina hopes for an all-conquering season and a trip to the land of sunshine and flowers for the Rose Bowl game, died a-blooming in the chill rain today when its proud Tarheels were crushed, 25 to 0, by an inspired Duke eleven.

More than 48,000 spectators, comprising the mightiest football crowd in the history of the south, sat in tense silence as the Duke ball carriers poured touchdowns across the supposedly invulnerable North Carolina goal line.

The Dukes, beaten in two of their earliest starts this year, and given only a praying chance today, scored once in the second quarter, once in the third and twice in the fourth. And they would have had another had not the time run out for, as the whistle ended the first half they were entrenched on the Carolina three-yard line and ready to go over the top.

In the face of this mad charge the Carolina, who had yielded but 19 points in crushing their first seven opponents, were helplessly shacked. The Duke line handcuffed the Tarheels' mighty backs—Don Jackson and Jim Hutchins—and riddled the forward wall flanked by the famed Dick Bessie and Andy Bershak. The treacherous field and slippery ball undoubtedly handicapped the Tarheels, for their attack is based on deception and speed. But a champion is supposed to go in all sorts of weather, and Carolina couldn't go today.

Duke, on the other hand, took the conditions in stride. They flipped the ball like basketball players and their backs streaked along the wet turf as though it was the finest of cinder paths.

And the Dukes had a corral full of galloping backs.

The first one to be turned loose was Jule Ward of Galax, Va., and his grand-pappy never ran after a Yankee any faster than Jule did when they handed him the ball midway of the second period.

## PURDUE GRABS A PASS BEATS IOWA

LAFAYETTE, Ind., Nov. 16.—(AP)—Slippery Tom McGannon, sophomore Purdue halfback, intercepted one Oze Simmons' long forward passes with a "shoe-string catch" and streaked 63 yards straight down the gridiron here today to give the rejuvenated Boilermakers a 12-to-6 victory over the University of Iowa.

The Boilermakers, coming back after three successive defeats with a fast-charging line and a hard-running backfield, handed the Hawkeyes, heretofore whipped only by Minnesota, their second loss of the season. It was Purdue's third Big Ten victory.

## MINNESOTA POWER BLASTS MICHIGAN

ANN ARBOR, Mich., Nov. 16.—(AP)—Minnesota thundered on toward another Big Ten conference title and recognition for a second year as national grid champions today, crushing Michigan, 46-0, with an amazing display of straight football play.

It was the 23rd straight victory for the powerful Gophers, unbeaten and untied this season. The 30,000 spectators were awed by Minnesota's seemingly endless string of stellar backs and forwards whose blocking relentlessly cut down the Wolverines.

The victory marked the first time in Minnesota's eleven has won two years running from Michigan.

## 6 BIG GRAPPLERS AWAITING GONG IN MONDAY PROGRAM

Tomorrow is the battle of the behemoths at the Army, when six of the biggest and best wrestlers on the coast tangle on a triple-jointed card. Promoter Mack Lillard has pronounced the card the best he has ever promoted in Medford.

Pete Belcastro, the Weed Avalanche, meets the Mad Marine, Bob Kennaston of Gold Hill, in the last bout on the card, for his first appearance here for several months following a barnstorming tour of Mexico. Always before when the Italian has gone on a trip he has come back loaded for bigger game, and the present occasion should be no exception. Belcastro now strips 197 pounds, and declared himself to be in the best condition.

Kennaston has never before met the flashy star on the mat. In order to prepare himself for the fray he has been cutting wood on his father's ranch near Gold Hill. "I'm going to win this bout Monday," Kennaston said yesterday, and looked as though he meant it.

In the middle bout on the card, one of the most popular scientific artists in the game will tangle when Toots Estes, Hawaiian island champion, meets Les Wolfe, handsome, limber and powerful Texan. This match is expected to be rarer against foil, with both belligerents depending on science and speed. In previous encounters, Estes has relied strongly on speed, the Sonnenberg, and his famous flying slingshot hold to win his matches, while Wolfe has favored the trick and clever leg work.

Both are naturally clean in their conduct and both are capable of brilliant wrestling. The bout should prove one of the most popular of the evening.

In the opener Johnny Soos, dynamic University of Indiana rib-crusher, will meet Billy Hagen of Oklahoma. Soos is well known here, both for his ability to take punishment that would kill an ordinary man, and his ability to dish out the same kind of wampum when the going gets tough. Not much is known about Hagen here, but advance information bills him as one of the best grapplers from his own district.

The first two bouts will be under the Australian system, with six 10-minute rounds, or two falls. The Kennaston-Belcastro affair will be the usual American out-of-three falls.

## KLUM TEAM SAVED BY 102-YD. DASH

LOS ANGELES, Nov. 16.—(AP)—A 102 yard run to a touchdown by Tommy Kaulukukal saved Hawaii football team from a shutout last night as the University of California at Los Angeles overpowered the island eleven, 19 to 6.

Kaulukukal hung up a record for the Memorial coliseum's season when he returned a kickoff more than the length of the field after the Bruins had made their first touchdown on a 30 yard pass from Ferguson to Harris.

Fred Funk tallied the Bruins' second touchdown, on another pass, and Chuck Cheshire scooted 30 yards for the third score.

## EUGENE PASSED UP FOR HOOD RIVER

MILTON-FREE WATER, Ore., Nov. 16.—(AP)—The undefeated, untied Milton-Free water high football team accepted an invitation to play Hood River high a post-season game at Hood River next Friday or Saturday.

The eastern Oregon champions accepted the invitation after also considering a challenge by the undefeated, untied Eugene team. Hood River was beaten once.

## BEARS OUTCLASS STAGG CREW, 39-0

MEMORIAL STADIUM, Berkeley, Nov. 16.—(UP)—Driving through a sadly outclassed College of Pacific football team, University of California's Golden Bears took a 39-to-0 victory today to maintain their unbeaten, untied record.

It was the ninth straight win for the Bears. The size of the score further buoyed Rose Bowl ambitions for the Californians, who face their last hurdle—Stanford—next Saturday.

In scoring the lopsided victory the Bears uncovered a new running back—George Cornell. Out since early in the season with a hand injury, Cornell proved unscrapable today. He scored three of the Bears' six touchdowns and carried the ball 22 times for an average of 6.2 yards.

Fullback Jack Howard, sophomore from Covina, Cal., was almost as sensational, battering his way through the Pacific line 19 times for an average of 6.3 yards.

## CARDS' RESERVES SWAMP MONTANA

STANFORD STADIUM, PALO ALTO, Calif., Nov. 16.—(P)—Stanford substitutes held a "Roman holiday" at the expense of a badly out-classed University of Montana football team, winning 32 to 0 in a point scoring parade only held down to that figure by the local boys running themselves virtually into a state of exhaustion.

While the regulars rested for the "big game" with California a week hence, second and third string reserves of the Stanford squad put on a show for their idle teammates.

When he ran out of substitutes, Coach "Tiny" Thornhill called upon a couple of his regular halfbacks for a brief spell, while one first stringer, right halfback "Bones" Hamilton started the game and saw service until the third period, when a broken nose sent him back to the bench. The injury is not expected to keep him out of future play.
