

Belcastro, Kennaston Top All-Star Mat Bill at Armory Tonight

WOLFE AND ESTES, SOOS AND HAGEN, ROUND OUT CARD

Fans Excited By Prospect Of Hectic Climax In Kennaston's Climb — First Two Matches By Rounds.

After a layoff of several weeks, wrestling returns to Medford tonight with one of the most promising cards in months, with Pete Belcastro, Bob Kennaston, Lee Wolfe, Toots Estes, Johnny Soos and Billy Hagen all on the bill. With the exception of Hagen, every single one of the grapplers has appeared as a top-notch both here and in other wrestling centers on the coast.

Ticket sales are reported the most brisk in months, with a promise of a near sell-out. After waiting for a long time to see someone enter the ring with Kennaston whom they think will have a good chance of taking the Mad Marine, the fans are evidently planning on turning out in numbers to see Belcastro attempt to turn the trick tonight.

Pete Confident
That Belcastro has promised to do. After a tour of Mexico, during which he lambasted nearly all of the great and near-great mat thumpers on the coast and in the country to the south, the Wood Avallanche is the boy who can turn the trick if anyone can. That one bout, with its promise of fireworks, would be enough to draw hundreds of spectators.

The middle bout on the card will be of equal caliber, when Toots Estes, Hawaiian champion, encounters the tentacle-like legs of Lee Wolfe, scientific exponent of the rolling scissors, the head scissors, the plain scissors, and the prying scissors. The bout promises to be one of plenty of thrills, with Estes trying hard to connect with one of his murderous somersaults or over-the-ropes leaps into Wolfe's midriff, and Wolfe himself will be busy trying to wrap those cable legs around Estes to put that gentleman out of action.

Wrestle by Rounds
This bout, as well as the Soos-Hagen go, will be under the Australian rules. Under the system, the grapplers work for 10 minutes, and then rest for one, until one hour of actual wrestling time has been exhausted, or until one fighter has taken two falls. The system has proved immensely popular in other spots where it has been tried, in that it promotes much faster scrapping.

In earlier appearances Soos has proved himself a wrestler of marked ability to take punishment. He can also dish it out, but the two striking occasions when he took thumpings calculated to kill a normal person are the ones that linger in the memory. The first came in the battle-royal held here several months ago. After eliminating Belcastro by cracking him on the back of the neck while Pete was busy elsewhere, Soos found himself the third man in the ring with Sad Sam Letters and Joe Hubka. Letters held Soos aloft while Hubka sank three crashing somersaults into his middle before he folded, terrific punishment for a man to take.

The next beating came the next week, when Belcastro took revenge for Soos eliminating him in the battle-royal. For 37 straight minutes, Pete whirled the gritty Soos over in terrific flying mares, before Soos would admit that he was licked. As long as he can live through such treatment he is entitled to a place out in front of the fans' feet.

Lillard has announced that there will be a slight rise in prices tonight, to cover the expense of bringing the remarkable talent to Medford.

COCHRAN NEARING 3-CUSHION TITLE

CHICAGO, Nov. 18.—(AP)—Welker Cochran, smiling young San Francisco cueist, reigning 18.2 ball line billiard champion, today had the world's three cushion championship within his grasp.

Winner of seven straight games, Cochran plays Arthur Thurnwald, of Chicago tonight, said, if victorious, meets Willie Hoppe, master of the 18.2 game, for the championship tomorrow.

Hoppe firmly entrenched himself in second place last night, with seven victories and one defeat. He satypled Johnny Layton, of Seattle, Mo. defending champion, 50 to 41 in 30 innings.

Layton is tied with Allen Hall of St. Louis, Jay N. Bowman of California and Kinsey Matsuyama of Tokyo, Japan, for fourth place, each with four victories and five defeats.

Layton wants to meet the winner of the present tournament and bet his last dollar on himself.

ware breakwater. A sailor was washed to his death from the freighter.

At Keyport, N. J., a dock worker was blown into Raritan bay and drowned.

25 Persons Killed
At least 25 persons were killed in automobile mishaps; five in New Jersey, 17 in Pennsylvania and three in New York.

High tide caused most of the property damage. The Jersey coast, playground of the east, was a dismal stretch of wreckage. Sections of New York city's waterfront were inundated by a tide running five feet above normal.

Early today, the nor'easter swerved out to sea as the wind changed to northwest. The center of the storm was whirling into the Atlantic, south of Nantucket.

Boston's shipping was still tied up with only one steamer docking.

UPSETS FEATURE PRO GRID LEAGUE

CHICAGO, Nov. 18.—(AP)—The upset bug that has destroyed so many flowering collegiate gridiron hopes this season, hasn't overlooked the National Professional Football league.

The 1934 champion New York Giants and the Detroit Lions, by whipping the Chicago Bears and Green Bay Packers, respectively, yesterday accounted for two of the biggest surprises of the campaign.

The Giants conquered the Bears 3 to 0, at Chicago, after taking a 20 to 3 lacing from the westerners at New York two weeks ago. Detroit, which absorbed a 31-7 trouncing from Green Bay last Sunday, bounced back to trim the Packers, 20-10.

BURGHER'S SQUAD WINS FOR BOISE

After five years of successful football coaching at Medford high school, Darwin K. Burgher is having a winning season at Boise, Idaho, according to word received here by Howard Scherff.

In the letter to Mr. Scherff, Coach Burgher stated that the school had won six games straight on its schedule, gaining particular spirit from its 12 to 6 victory over Nampa in the annual game.

Although there is a student body of 2500, there is not the same enthusiasm and interest in athletics at Boise high as at Medford, Coach Burgher said.

Boise is constructing a new gymnasium at a cost of \$100,000 the letter stated, with work to be completed next year.

MARTIN PARDONS TRIO SENT UP FOR STRIKE ASSAULT

SALEM, Nov. 18.—(AP)—Declaring they had been sufficiently punished, Governor Martin today issued full pardons to Thomas Black, Malcolm R. Samuelson and James Haulon, who have served five months of their year's sentences in the Multnomah county jail.

The three had been found guilty of assault and battery upon two non-union workers during the longshoremen's strike in Portland in 1934. The pardons will take effect immediately.

The governor, in announcing the pardons declared he was convinced these men were "dupes of higher-ups." He added further that their victims had suffered no physical harm. Continuing, he declared:

"None of these men is over forty years of age, and all apparently are used to hard work. They have now spent five months in jail and the governor feels that the confinement is unusually hard on them and that they have been sufficiently punished for the crime of which they have been convicted, and any further confinement will serve rather as an impenitence and result in a feeling that the punishment is vicious, discriminatory and punitive in nature."

"Having served five months of a year's sentence—a sentence which appears pretty stiff to the governor—he feels that the ends of justice have been met."

"These pardons are not to be considered as a change of policy on the governor's part. He will continue as in the past to throw the full power of his office to protect society from law breakers, whether high or low."

HALF CENT HIKE IN BUTTER PRICE

PORTLAND, Nov. 18.—(AP)—There was an advance of 1/2 cent in A and B grade butter cubes on the produce exchange for the late season with prints up an equal sum. Butterfat was advanced 1 cent in the city generally.

Farther west tone was suggested generally for eggs here, although official prices were unchanged for the day.

Stronger tone and higher prices in the West for cheese were suggested. An advance of 1 cent was announced by Tillamook and earlier in the period a fractional gain was forced on the Portland Produce exchange.

In spots weakness was reported in the chicken trade owing to the fact that the big killers of California are busy with turkeys. Leghorns were off fractionally there but general prices here have not been changed.

GAELS KEEP JINX ON SANTA CLARA WITH 10 TO 0 WIN

SAN FRANCISCO, Nov. 18.—(AP)—The 12-year-old "jinx" blamed by Santa Clara for their inability to win a football game from the galling Gaels of St. Mary's since 1923, still held good today as a result of St. Mary's 10-0 victory over Santa Clara here yesterday.

A field goal from the toe of big Herman Meister, left tackle, in the second quarter and a fourth quarter touchdown and conversion gave the Gaels the game.

Herb Schrieber, St. Mary's left half, climaxed a 45 yard drive down the field just before the end of the contest by going over for a touchdown from the 2 yard line. Meister's dependable toe added the extra point.

St. Mary's victory over its traditional foe marked the twelfth time since 1923 that Santa Clara has gone down to defeat at the hands of the Gaels. The 1933 game ended in a 6-6 tie, Santa Clara won the 1923 francs 10 to 9.

Some well defenses made the first half of yesterday's game a colorless affair, with Kelly of Santa Clara and Fiese of St. Mary's engaging in a kicking duel on fairly even terms.

Meister's placekick from the 34 yard line, a beautiful boot that sailed squarely between the uprights, gave St. Mary's three points that looked very big as the first half ended.
