

BANK OF FRANCE DISCOUNT RAISED

PARIS, Nov. 22.—(AP)—The Bank of France raised its discount rate again today, changing it from 4 per cent to five per cent. It was the second increase in a week.

In its statement today, the Bank of France reported withdrawals of gold worth 933,000,000 francs during the week ending Nov. 15. (The franc was valued on the New York market yesterday at 6.875 cents.)

This statement brings the gold withdrawals for three weeks to 1,768,000,000 francs with the outflow continuing at a heavy rate.

The gold reserve on Nov. 15 was 70,389,000,000 francs, providing a 73.82 per cent coverage on bank notes.

HEAVY SHIPMENTS FOR TURKEY POOL

ROSEBURG, Nov. 22.—(AP)—Turkeys received here today by the Oregon turkey growers will bring the total receipts of the cooperative to eight

carloads for the coast markets. McKinley Huntington, president, announced this afternoon. Two carloads were shipped earlier in the season to eastern markets.

Loadings this week were at Canby, Salem, Albany, Junction City, Eugene, Oakland, Myrtle Creek and Roseburg. More than 90 per cent of the birds received were classed in the prime grade, Huntington states. Association members are receiving a cash advance of 16 cents a pound on prime birds at time of delivery, and

will receive a second payment following sales. Plans are now being made for the first Christmas pool early in December. Loading dates will be announced later.

PORTLAND RED CROSS DRIVE OVER \$10,000

PORTLAND, Ore., Nov. 22.—(AP)—Red Cross subscriptions were past the \$10,000 mark here today as solicitors continued efforts to enroll 30,000 on the roll call by Thanksgiving day.

AUTO CAMP EXPLOSION KILLS PORTLAND MAN

SANTA MONICA, Cal., Nov. 21.—(AP)—A man who registered at an auto camp here today as a solicitor was killed today by an explosion that blew out all four sides of the bungalow.

The man's body was found wrapped in blankets, erect in a rocking chair. Sheriff's officers and police said all gas jets had been opened and the escaping gas came in contact with a pilot light.

75 PER CENT LOSS IN IMBLER APPLE CROP

IMBLER, Ore., Nov. 22.—(AP)—October's cold wave ruined approximately 75 per cent of the Imbler district apple crop, growers said today. Some orchardists lost as much as 75 to 90 per cent, and apple pickers lost prospective jobs, a survey revealed.

The apple trees withstood the cold, but it was feared that cherry trees were severely damaged.
