Dorothy Torrey Bride Of John W. Johnson In Surprise Ceremony

Surprising their many friends here, Dorothy Torrey and John W. Johnson were married late yesterday afternoon by County Judge Earl B. Day. Mrs. Johnson was formerly Miss Dorothy Sanders, of Spokane, Wash., but has made her home here for some time, being prominent in social circles. The groom is very well-known to Medford people, having conducted his jewelry business in this city for many years. Three years ago he retired and made an extensive tour around the world, returning during the past year to his business.

After the ceremony, the bridal couple left on the special train for Palo Alto, where they will attend the California-Stanford football game tomorrow, and will later visit friends in San Francisco. From San Francisco they will go south to Los Angeles and other southern cities, returning to Medford after a two weeks' honeymoon. They will be at home at the GeBauer apartments.

Game At Palo Alto Week-end Attraction

Activity in local social circles is practically non-existent this week end, what with the game tomorrow at Palo Alto drawing large numbers, and anticipation of holiday festivities next week precluding the usual week-end affairs.

The special car leaving last night for Palo Alto was largely patronized by southern Oregon residents, and a large week end looms for the bay area. Student activities are expected to lead the way, with alumni and visiting fans enthusiastically falling in with the "big game" atmosphere.

Among those going from Medford are Mr. and Mrs. David Canfield, who will leave on this evening's train; Mr. and Mrs. Robert Ruhl, Alice Crow, Alice Dunn, Mrs. Maud Lamm, Mr. and Mrs. Tom Harrison, Mr. and Mrs. A. Burkholz, all of whom left last evening; and Mr. and Mrs. Harry Pinneo, who are motoring down, accompanied by Mrs. Pinneo's parents.

Mrs. Canfield
Entertains at Tea.

Forty guests were invited to call for tea between the hours of 4 and 6 this afternoon by Mrs. David Canfield at her home on Queen Anne avenue. Fall flowers added a lovely note of color to the rooms.

W. P. Brooks Buys the Home Grocery On East Main St.

The Home Grocery, located at 606-608 East Main street, was purchased this week by W. P. Brooks of Medford. Mr. Brooks, who recently returned after an absence of eight years, is an experienced grocerman and he has invited his many local friends to visit this modern food store.

The Home Grocery was completely remodeled a few months ago. It is arranged both for self service and counter service. The new owner will feature a large fruit and vegetable department as well as a complete assortment of fresh and cured meats.

Mr. Brooks says: "We are stocking quality foods which will be offered at low prices and we plan to serve the public the way they should be served."

Johnson To Operate Produce Department

The produce department of the Peerless Market on North Bartlett has been purchased by Lloyd Johnson, who is stocking it with a large assortment of fancy fruits and vegetables.

Mr. Johnson, who has been in the wholesale and retail produce business for the past several years, has made shipping arrangements that will keep the market supplied with a large variety of the finest fruits and vegetables at all times, he stated today.

SNOW WANDERER RETURNED FROM PROSPECT AREA

William M. Cox, 46, a transient who gave his home as Utah, is being held in the county jail for mental observation after having been picked up yesterday while wandering through the snow in the Prospect area, by Dewey Hill of Prospect. Hill brought the man to Medford, under the impression that Cox had lost his way on the Diamond lake road, and had been wandering for several days without food.

It is believed by police officers here that Cox has been suffering some sort of mental disturbance, for some time. City police officers stated that it is impossible that Cox was out in the open more than one night, because he was seen by those officers Tuesday night here. He was told to get off the streets, and assured police that he was going to Jacksonville then, where he said he had a place to stay. He spent Thursday night in the county jail, where he is still being held for mental observation, so he could have been out only Wednesday night.

The man is apparently suffering under the delusion that he is wealthy, having told police last week that he has \$50,000 in his own name in Utah, but doesn't want to send for it for fear his family would discover he was unable to make his own way in the world when away from home. He has been locked in the city jail overnight on two different occasions because of his insistence on sleeping in the foyer of the federal building, and in the waiting room of a local hotel.

Early this week he attempted to cash a check, drawn on the Apex Mercantile Co., of Aurora, Oregon, for \$185. The check, worn and dirty from having been carried for a long time, was dated 1938. When city police informed him that the check was no good, he tore it up without a word.

The man is perfectly harmless, police believe, but has made himself bothersome to several Medford citizens for the past several weeks. Medford and county authorities are making an effort to contact relatives in Utah.

ALFALFA WEEVIL QUARANTINE SET

SALEM, Nov. 22.—(P)—Two quarantine orders involving alfalfa weevil, one affecting several counties in the state and the other against bordering states, were issued by Solon T. White, director of agriculture.

One order makes it unlawful to transport alfalfa hay or any other hay or straw and other similar produce from the counties of Baker, Jackson and Malheur and parts of Union and Josephine counties because of the existence of the weevil. The Josephine county section was that part north of the line through Selma.

The order affecting states bars transportation over the line from Washington, Idaho and California.

Wall St. Report

NEW YORK, Nov. 22.—(AP)—The stock market suffered a sharp relapse today as traders unloaded recent favorites at losses of 1 to 5 or more points.

There were several selling flurries during the session, but the heaviest came in the final hour when the ticker tape fell 10 minutes or so behind floor dealings. The close was firm. Transfers approximated 4,200,000 shares.

There was little in the news to account for the reactionary spasm. Heavy profit taking was believed to have been based partly on the belief that Wednesday's correction had gone far enough and that a reversal of several more average points was in the offing before a real resumption of the bull move could get under way.

TURKEYS GO HIGH IN PORTLAND MART

PORTLAND, Nov. 22.—(P)—Some wholesalers here today were asking retailers up to 33 cents a pound for fancy turkey hens, and 31 cents for fancy toms. These quotations, however, were higher than most dealers were asking, and retailers were beginning to balk.

The bulk of the country killing appeared to be over, and about all of the big lots for the Thanksgiving trade have reached warehouses and shipping stations. Portland interests with California connections reported Los Angeles and San Francisco markets still showing strength.

Quotations here for live birds were generally 20 to 23 cents, Portland delivered, and 25 to 33 cents for dressed turkeys.
