# TABLE TENNISERS MEET THURSDAY

Plans for organization of a Medford table tennis club will be discussed at a preliminary meeting of all those interested in the sport, at the Smoke House Bowl, 415 East Main street, at 8 p. m. tomorrow. Interest in the game has increased greatly in the past few months, and with inadequate facilities it has been deemed advisable for enthusiasts to band together. All those men, women and children interested in joining the club are asked to be present at this initial meeting, at which time committees will be appointed to investigate the price of playing equipment and a space in which to house the venture. These committees will report back at a later date, at which time a vote will be taken to regulate dues to get the organization started. The meeting Thursday is considered of vital importance in determining the size of the club, and the advisability of continuing with the organization. No plans have been definitely formulated to date, those sponsoring the club stated today.

"Be it further resolved that the president of this club deliver to the Honorable Harry D. Norton a copy of these resolutions, and that the secretary deliver a copy thereof to the Medford Mail Tribune, and place a copy on file in the records of this organization. The picturization of Charles Dickens' immortal "A Tale of Two Cities" comes to the Craterian theatre tomorrow for a three day run. Ronald Colman, as Sydney Carton, brilliant

film version follows closely the original, and brings to life on the screen the characters that have become more famous as each year rolls by.

# Mexican Star Has Lead Rialto Film

The new romantic comedy-with-music, "I Live For Love", which was shown at the Rialto theatre yesterday for the first time locally, swept audiences with gales of laughter over the hilarious situations and sent them home gaily whistling the catchy airs. The talented star cast is headed by Dolores Del Rio, exotic Mexican star. She plays the part of a sentimental South American prima donna who hopes to see Broadway by the ears, but whose success is marred by her own tempestuous rages and her inability to segregate her ardent love affairs from her work, all of which adds to the hilarity of the piece. In "I Live For Love" a new singing voice is introduced for the first time on the screen, that of Everett Marshall, who plays opposite Miss Del Rio. He shares her love affair and with his soothing voice sings love songs to cool the fire of this gorgeous little beauty. Guy Kibbee, Allen Jenkins, and Berton Churchill among other comedians are in the large cast.
