Craterian Star

Ronald Coleman returns to the romantic-adventurous type of role for which he has become famous on the screen, starring as "The Man Who Broke the Bank at Monte Carlo" opening a three-day run at the Craterian theatre today.

The thrill and romance of naval officers in the making, men who in peace or in war, heroically brave death for their country in their line of duty, is colorfully depicted in the drama-with-music, "Shipmates Forever," which is scheduled as the feature attraction at the Craterian theatre starting Sunday.

It is an intimate and revealing story of the lives of the midshipmen in their study rooms at Annapolis, on the parade grounds and their cruises at sea. It pictures them at work and at play; their loves and their laughter; their loyalty and their courage "under fire."

There is a talented supporting cast which includes Lewis Stone, Ross Alexander, Eddie Acuff, Richard (Dick) Moran, Robert Light, John Alredge, Joseph Cohen, Martha Merrill and Mary Trean.

Western Thriller on Rialto Bill

"Stormy," the new stampede western coming to the Rialto theatre where it will play tomorrow and Saturday, is hailed as one of the most novel and most beautiful scenic pictures ever filmed. It was actually entirely filmed on the famous Painted Desert of Arizona, with Noah Berry Jr. and Jean Rogers in the leads with Rex, the king of wild horses, playing a popular role. A terrific episode of wild horse chases makes the picture.

MANY NEVER SUSPECT CAUSE OF BACKACHES This Old Treatment Often Brings Happy Relief Of Pain

Many suffer to relieve nagging backache pain, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are one of Nature's chief ways of taking the acids and waste out of the blood. If they don't pass 3 pints a day and so get rid of more than 2 pounds of waste matter, your 15 miles of kidney tubes may need flushing.

If you have trouble with frequent bladder passages with scanty amount which often smart and burn, the 18 miles of kidney tubes may need flushing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes and dizziness.

Ask your druggist for DOAN'S PILLS—used successfully by millions for over 48 years. They give happy relief and will help flush out the 15 miles of kidney tubes.
