

# Ashland Five Scores Second Win in Row

## TIGERS LOSE, 21-13 IN GAME REPLETE WITH ROUGH PLAY

### Randy Lithians Outclass Locals—Long Shots Aid —B. Ettinger High Scorer

In a knock-down, drag-out rough-house game faintly resembling that usually known as basketball, the Medford high school went down to their second straight defeat at the hands of the Ashland Grizzlies before a packed house in Ashland, 21-13, last night.

The game, as on the previous evening, was replete with fouls, melees, and sprawling men on the floor, and three times during the fracas Referee Arthur and Young called the men to the center of the court and warned them against unnecessary roughness. Each time this had the proper effect for a few seconds, and then the mad scramble was on again.

Ashland, with a rangy and deceptive team, easily outclassed the locals in straight basketball, working the ball under the net, but their efforts were of little avail in the pile-up of men that ensued and most of Ashland's counters came from out on the floor or from the foul line, they converting seven free tosses. Time and again the game got away from the helpless officials, who, although they called the plays as they saw them, couldn't possibly catch all the rough stuff, and the crowd booted them liberally.

Medford, during the first half, was tied up frequently and had difficulty in getting within range as the Ashland players boxed them in with close guarding and the Tigers got few opportunities to bomb the net.

Shortly after the second half they started shooting behind screening teammates, but the effort was short-lived and Ashland pulled steadily to the fore. Using a man-to-man defense coupled with the zone system, the Tigers halted the avalanche that snowed around the basket Friday night, but long howlers spelled the margin of victory.

Schilling of Ashland, caging five free throws and one field goal, was high for Ashland with seven. Bob Ettinger of Medford was high for the Tigers with two field goals and a free throw for five. Day (Stretchy) Fisher was the only man on either squad chased from the game with four personal fouls. A total of 15 were called against the locals, with nine being chalked up against the Grizzlies.

Summary:

Medford		Ashland	
Lewis (2)	F	(4) Fowler	F
Baker (2)	F	(2) Murphy	F
Ettinger (3)	G	(3) Mayberry	G
Dickinson (1)	G	(2) Hess	B
B. Ettinger (5)	G	(7) Schilling	G

Substitutions for Medford: Grow, McKee. For Ashland, Lee, Bromley. Tigers Loss Opener

Employing a man-to-man defense and sticking to it tenaciously, Ashland high outplayed Medford Friday night on the Medford floor to take the game, 22-15. The vaunted Medford drive down the home stretch, and every offensive move was blocked by a determined Ashland player, limiting the Medford shots to less than ten in the last half of which two were good. "Stretch" Ettinger's two free throws added the other two points.

The game started slowly, both teams apparently nervous. Ashland recovered from the jitters first and, although trailing 6-1 shortly after the opening of the second quarter, quickly overhauled the Medford lead and tied the score up at 7-all. The score was again tied 9-all, and the Tigers almost caught the flying Lithians at 14-13 only to go into another slump as Ashland drew away.

The game was marked by roughness of play, and tremendously close checking. Only one man was ejected from the game, however, Fowler of Ashland was ushered unceremoniously from the floor by Referee Arthur when the official ruled that he had flagrantly fouled "Stretch" Ettinger. Ettinger's two free throws were both good, the only Medford tallies in the last quarter.

The game was witnessed by one of the largest crowds ever attending a basketball game at the senior high school gym here.

## STATERS TOPPLE IDAHO WITH EASE, PALMBERG STARS

### MOSCOW, Idaho, Jan. 25.—(AP)—Oregon State basketball quintet defeated Idaho Vandals, 35-22, in a northern division conference game tonight.

Oregon State led all the way in a game that was rougher and far less interesting than their nip-and-tuck affair of the preceding night. Idaho was far off form in shooting, especially from the foul line. The Vandals missed 15 out of 21 free throws.

Tuttle, forward, put Oregon State into a four-point lead at the start with a pair of goals. Wally Palmberg, all-conference forward, carried the scoring burden the rest of the way to run up a 14-point total for high honors.

The best Idaho was able to do in the second half was creep to within four points of the pace setters. With six minutes to go, Norm Iverson sank a pair of field goals from difficult angles in rapid order to bring the score to 23-19. It was the last faint hope of the Vandals, as Palmberg and Bergstrom promptly let fire with a sharpshooting barrage.

## GOLD HILL PRIDE GUN CLUBBERS TO ALL SET FOR BOUT WITH 'SPIN' STAR AT ANNUAL MEET

Many Medford people, after having seen Dude Chick scramble the sense of balance of two wrestlers here in a many weeks with his deadly larist spin, think the ex-marine from Gold Hill, Bob Kennast, has put his foot in it. It may be sheer bravado, but Kennast has asked for it, and appears in the headline on Monday's wrestling card at the Armory against the dangerous Wyoming cowpuncher.

The popular opinion that Kennast's fate will be the same as the others—as though some one had taken off the top of their heads and stirred what brains they found there with a stick—is not held by Kennast himself. Working out daily chopping up wood on his father's ranch near Gold Hill, the ex-service grappler seems entirely unimpressed by the other's grisly reputation, smiles grimly, and points out that his own specialty (the Gold Hill crab) has left a few dazed victims in its wake also.

"I always have been good at taking a piece of hardware, that he will be proud to take home. The losers will hope for 'better luck next year.'"

Visitors are invited to enjoy the shooting previous to the team shoot and spectators are always welcomed by the club.

Regular trapshooting will commence at 10:30 a. m., and the team shoot at noon. The dinner and annual meeting for members will be at 8 o'clock.

## HUSKIES TRAMPLE WEBFEET, 40 TO 26, FOR SECOND LOSS

### Oregon Outplayed and Long Shots Fail—Bishop Piles Up 19 Points.

SEATTLE, Jan. 25.—(AP)—Washington's smooth-working basketball team, sparked by Center Bishop, toppled Oregon's Giants for the second time tonight, 40 to 26, in a northern division, coast conference, game.

The Huskies out-passed and out-played the tall Oregonians throughout. The Webfeet were unable to connect consistently on long shots, and Washington guarded closely near the basket. The half ended with the score 19 to 15.

Bishop collected 19 points to lead the scoring. Lovrich, Washington forward, scored 10. Howell, Oregon's six-foot, six-inch forward, led his team with 9.

Last night Washington won 36 to 28, after Oregon led well into the second half.

## GOOSE LAKE, DRY FOR YEARS, SHOWS SIGNS OF FILLING

### ALTURAS, Calif., Jan. 25.—(AP)—A Goose Lake, dry since 1927 but once the second largest fresh water lake in California, going to fill up again!

Pioneers and Indians alike predict it will. Old Chief Johnny Williams of the Modoc tribe, who died six years ago, always said it would "fill 'em up again." He asserted his people told him the lake had been dry many times, and geological studies indicate Johnny's people spoke the truth.

The lake formerly stretched 54 miles from above Lakeview, Ore., to six miles south of Davis Creek, Calif., and in one point was 25 miles wide.

Last season about three miles of surface never dried, an dthis winter much of the lake floor is covered to a depth of three to five feet. The current heavy snowfall is expected to deepen this covering.

When the first pioneer party reached the shores of Goose Lake in 1850 the lake was dry. The pioneers drove across it, and when the lake became dry again in 1927 their old wagon road, 75 or more years old, was found along with many curios of covered wagon days. More pioneer parties crossed the dry lake bed in 1932.

## PLAN MODEL HOME HERE AS PART OF HOUSING PROJECT

### Plans were being formulated yesterday for construction of a model home under federal housing administration financing as the 3-day mortgage clinic at the Jackson County chamber of commerce came to an end.

The clinic was one of the most successful held thus far in Oregon and is likely to pave the way immediately to the construction of at least 12 new homes, said Leslie Peyton, manager of financial relations for the federal housing administration in Oregon.

Just before the close of the clinic at 5 p. m., Ben E. Harder, president of the chamber of commerce, announced appointment of a committee to prepare plans for the erection of a model home to demonstrate graphically what can be accomplished under federal housing act financing. The home, if constructed, will be modern in every detail and will be completely furnished, with every up-to-the-minute household device included. It was said.

"We are especially well pleased with the results of the clinic," Mr. Peyton stated. "We have had a higher percentage of eligible applicants than at any other clinic held in the state. And thus far we have held clinics in Medford, Corvallis, Salem, Albany and Klamath Falls.

"Our success here is due to the cooperation of the chamber of commerce and to the newspapers which were meticulous in dispensing correct information as well as to the favorable attitude of financial agencies, merchants and dealers in building materials."

During the three days of the clinic 148 eligible applicants consulted the four housing administration agents in charge, Mr. Peyton said. This compares with 102 in the same length of time in Klamath Falls, he added.

The committee announced by Mr. Harder comprises Olen Arnsperger, W. S. Bolger, H. S. Deuel, C. D. Bean, J. C. Boyle, Jack Butler, Dwight Houghton, Bruce Bauer, William McAllister, John Niedermeyer, Earl Sims, M. N. Hogan, Fred Wahl, J. C. Collins, C. C. Furnas, George T. Frey and W. H. Johnston.

The committee elected Mr. Arnsperger general chairman, Mr. Houghton, treasurer and A. H. Banwell, manager of the chamber of commerce, secretary.

Mr. Arnsperger appointed Mr. Bolger, Mr. Bauer and Mr. Butler a sub-committee to develop plans for the model home. The general committee will meet at 10 a. m. Tuesday at the chamber of commerce.

John H. Hoppes, Manche L. Langley and Stewart Jameson, field representatives for the housing administration, left by motor for Portland yesterday after conducting a building campaign here the past fortnight. Mr. Peyton is to leave for Portland today.

Mr. Banwell yesterday wrote to Jamieson Parker, state director, thanking him for sending such courteous and efficient representatives to Medford and asking him to assign a general agent to this city for at least a month.

Mr. Peyton said the Portland office would keep in close touch with developments here and send a representative to Medford whenever help was needed.

Miss Langley yesterday appointed Mrs. Margaret Fabrick Jackson county chairman of the women's division of the federal housing administration. She replaces Mrs. A. E. Reames, who was unable to serve further. Mr. Harder is general county chairman and H. A. Thierolf is city chairman.

## 'WILL TAKE WALK' IF PHILLY MEET BACKS PRESIDENT

### May Take Walk The Democrats if any function at Philadelphia, he said, probably would be called upon to endorse the new deal in terms of Jefferson, Jackson and Cleveland. He ridiculed the idea, indicating that he himself probably "would take a walk" during the presidential campaign.

His jaw set, he sounded like a warrior but not a happy one. He boasted himself distressed and distressed.

Much as has the president on behalf of the new deal, he pitched his opposition on principles above partisanship.

"In the name of heaven where is the independence of congress?" he asked, reminding that this is a government founded on the executive, the judicial and the legislative, independent one of the other.

"Speaking of the rank and file," he said, "we don't want any executive to tell congress what it is going to do, or congress to tell the executive what it should do, or the supreme court telling either what it should do, or the executive or congress telling the other two what they should do."

He spoke of the process of constitutional amendment, developing the thesis that any fundamental change of the American method should be wanted by the people, that was the way to do it.

"There is a blind alley to loyalty," Smith submitted by way of assuring that he would not change his convictions because of having campaigned 21 times as a Democrat.

The unbalanced budget and pyramiding deficits concerned him especially.

"This debt is going to be paid by the great rank and file," he said, adding it would be paid in increased cost of living and increased taxation.

## NAME DANIELS ON WILD LIFE BOARD

PORTLAND, Ore., Jan. 25.—(AP)—The Oregon Wildlife council, a centralized organization designed to coordinate sportsmen's interests in conserving, restoring and managing game, fish and other wild life and its habits, was organized today by delegates from 15 sportsmen's clubs from over the state.

The non-profit, non-political organization divides the state into 13 districts, each to be represented by a director. The directors will control the group.

M. L. Kimmell, Roseburg, was elected president of the council; Dr. L. E. Hubbard, Burns, vice-president; Fred S. Withelm, Portland, treasurer; and W. S. Bice, Hedmond, secretary.

Districts established and directors included: 1—Jackson and Josephine counties, T. E. Daniels of Medford; 2—Coos and Curry, A. M. Gould, Coquille; 3—Douglas and Lane, W. N. Gosler, Springfield.

## LAFFOON, THOMSON TIE 'FRISCO OPEN

SAN FRANCISCO, Jan. 25.—(AP)—Ky Laffoon, sharpshooting linkman from Chicago, and Jimmy Thomson, one of the longest hitters in the business, tied for medal honors today in the San Francisco match play open championship in a 36-hole qualifying round that saw many of golf's notables fall by the wayside.

Only eight qualified for the championship flight in one of the most radical changes from the standard field of 32 ever put into effect.

The field was trimmed sharply in order to run off the tournament in three days and those who remained in the running were compelled to blast out sub-par scores from the Lake Merced course, a par 72 test.

Each member of the winning team will receive a very handsome prize, a piece of etched glassware, that he will be proud to take home. The losers will hope for "better luck next year."

Visitors are invited to enjoy the shooting previous to the team shoot and spectators are always welcomed by the club.

Regular trapshooting will commence at 10:30 a. m., and the team shoot at noon. The dinner and annual meeting for members will be at 8 o'clock.

## Rural Basketball

PHOENIX, Jan. 25.—(Sp.)—Taking their third straight game, the Gold Hill high school basketball team stepped into the lead in the secondary school conference here Friday night when they roared from behind to down the Phoenix high school five, 16-15. With the score 13-10 against them the Miners found their stride and netted two field goals and a free throw in the last three minutes.

To take the lead and the game, Hill of Phoenix was high with 8, followed by Newlin of the same squad and Walker and Wilson of Gold Hill with 5 each.

Phoenix annexed both of the preliminary encounters, the high scrubs trouncing a similar squad from Gold Hill, 19-8, and the Phoenix grade school team beating out the Gold Hill grades, 20-17.

A consolation between two teams who have taken drubbings from Gold Hill, namely Phoenix and Central Point, will play at Phoenix Friday night.

## CARDS TAKE WILD GAME FROM TROY

STANFORD UNIVERSITY, Calif., Jan. 25.—(UP)—Stanford university took the lead in the southern division Pacific coast conference basketball race tonight by defeating U. C. L. A., the 1934-35 champions, 51-47, in a wild game on the Stanford floor.

The game was virtually a repetition of last night's contest in which Coach John Bunn's Stanforders came from behind to trip the Trojans by a 32-28 count.

Again tonight Jack Hupp and his mates from Los Angeles went into an early lead. At half time they were ahead, 25-13, and apparently had the Stanfordites sunk.

LOS ANGELES, Jan. 25.—(UP)—University of California cagers made a two straight over a crippled U. C. L. A. quintet tonight by winding up on the long end of a 50 to 26 score.

SANTA ANITA PARK, Cal., Jan. 25.—(AP)—Time Supply won the \$5,000 Santa Vicente handicap at Santa Anita Park today, sweeping a length and a half ahead of a crack field including several of next month's \$100,000 Santa Anita handicap entries.

## Medford Eagles Win From Ashland Baptists

The Medford Eagles basketball team won their first game of the season Friday night when they noised out the Ashland Baptist church five, 27-25. Pot shots by Oliver in the last half overcame a 19-11 church lead at half time, and gave the Eagle forward high point for the game with 16. Morgan of the Baptists was next high with 11.
