'BABY' ROTARIANS ARE INTRODUCED AT TODAY'S MEET

Today's luncheon meeting of the Medford Rotary club at the Hotel Medford was devoted to introduction of new members of the club, Arnel Butler, Eugene Thorndike, Joe Naumes, George Gates and Morris B. Leonard. Dr. W. E. Lantz, past president of the Medford club and chairman of the membership committee, ably supervised the program and instructed the new members in the aims and objects of Rotary International.

Leo Bishop's contribution to the program was a splendid talk on the formation and growth of the Rotary organization. He told of its inception in 1905 with Paul B. Harris as organizer and its tremendous growth until there is now a membership of over 160,000 in 3,842 clubs under 81 flags. Charles Ellis, chairman of the club service committee, pointed out the advantages of fellowship, gained through Rotary membership, and Frank Newman, chairman of the international service committee, explained the powerful force of Rotary toward the promotion of international peace.

Charles Wing, chairman of the community service committee for the Medford Rotary club, told of the formation of a better business bureau within the club, working in conjunction with the Jackson County Chamber of Commerce, and the activities of this bureau in the promotion of more ethical relations in business and professional circles of this community.

In an introductory address, Bud Deuel was invited to tell the Rotarians and guests of the advantages of civic service in a municipal fire department. Mr. Deuel summed up these advantages as improved physical status of a department, higher caliber men mentally, improved mental attitude and fire insurance rate reduction. In lauding the present Medford department, Deuel pointed out that the per capita fire loss in this city during 1935 was 65 cents, while the national average was \$2.60.

BAR ASSOCIATION HOLDS MEMORIAL FOR JUDGE COLVIG

Following brief memorial services to the memory of the late William M. Colvig, conducted this morning in circuit court, by the Southern Oregon Bar Association, Circuit Judge H. D. Norton directed that the court be adjourned for the remainder of the day, out of respect to the beloved pioneer, citizen and attorney.

Resolutions memorializing the life and works of Judge Colvig, were ordered spread upon the records of the court, to stand for all time as a tribute to him.

The resolutions passed by the Southern Oregon Bar Association at a recent session were read by Attorney Gus Newbury, who also told of kindly helpfulness accorded by Judge Colvig to him in his youth in Jacksonville.

The court, in directing that the resolution be spread upon the court journal, declared from the bench: "It is fitting that this resolution be spread upon the records of the court, in honor of the memory of Judge Colvig. He was a man of high integrity and ethics, in both his private and professional life. His passing, after a full life, is a loss to this county and this state, and to the world is better for his living."

Attorney E. E. Kelly, a friend and co-worker of Judge Colvig for more than a score of years, spoke of his unflinching good humor, philosophic kindness, knowledge of the law, and high ethics.

"Judge Colvig was a skilled advocate who never took an unfair advantage in court. He was the soul of good humor. I never knew him to say an unkind word of an opponent. He might disagree with one, but it was always with good nature."

Attorney Frank J. Newman and Otto Frohnmayer paid tribute to his retentive memory, and wide knowledge of pioneer and present day events.

Attorney Charles W. Reames, who was a lifelong friend and acquaintance and Attorney George M. Roberts, spoke feelingly of treasured contacts with Judge Colvig over a long period of years.

Attorney T. M. Miles also spoke briefly, reciting the high mental and many qualities, and capacity for fairness and friendship, etched upon the tablets of memory of scores of southern Oregon and state residents.

Fine Cast in Craterian and Holly Hit

Josephine Hutchinson last seen in "Oil for the Lamps of China," and George Houston, handsome new musical star screen "find," have the leading roles in "The Melody Lingers On," stirring romantic drama with music, which comes to the Craterian theater for tomorrow only, also being shown tomorrow night at the Holly theater.

The picture mirrors the heart of a woman who discovered that the world's applause could not compensate for the loss of the man she loved and the love of the son she could never claim.

The imposing supporting cast of "The Melody Lingers On" is headed by John Halliday, Mona Barrie, Helen Westley, Laura Hope Crews, William Harrigan, David Scott, Walter Kingsford and Ferdinand Gottschalk.

Sylvia Sidney Has Roxy Leading Role

"Accent on Youth" which comes to the Roxy theater for tomorrow only, brings to the screen the comedy hit that was such a success on Broadway.

A witty and sophisticated comedy of New York life, "Accent on Youth" deals with the situation of a middle-aged playwright who finds himself madly in love with a girl yet aspects that she loves a younger man.

Sylvia Sidney and Herbert Marshall are co-starred in the leading roles of the picture. Marshall has conscientious qualms about his love for Miss Sidney.

Because Marshall fails to respond to her love, Miss Sidney encourages the suit of young Phillip Reed. Before either realizes what has happened, Miss Sidney and Reed are married.

From this point on, the comedy complications develop, until in an uproarious final sequence Miss Sidney leaves Reed and returns to the man she loves.

PRICE LEVEL FOR SPRING SHOWN IN WARD'S CATALOGS

CHICAGO, Jan. 28.—(Sp.) Montgomery Ward announced Saturday the release of its spring and summer catalogue. More than six million copies are now being distributed to as many families throughout the United States.

The average price level in this catalogue shows about 3-10 of 1 per cent increase over the corresponding catalogue of a year ago and actually a slight decrease from the current winter catalogue. Principal decreases from the spring and summer catalogue of a year ago are: Tires and tubes, 10.50 per cent; automobile accessories, 8.69 per cent; drug and toilet goods, 8.45 per cent; fashion accessories, 5.05 per cent; shoes, 1.33 per cent.

The book contains 100 more pages than last year's spring and summer catalogue. So large is the number of copies that the shipment would fill six freight trains of the average length, 50 cars. About one-half a million pounds of ink and enough paper to cover the United States are being used in making up the book.

In addition to the United States distribution, the catalogue goes to remote sections of the world, sometimes mountainous and snowbound, where transportation must be accomplished by primitive methods and where the catalogue is one of the very few means by which inhabitants can purchase modern articles of commerce.

EX-NAVAL OFFICER WILL SPEAK HERE

Considerable interest is being aroused in the coming of Lieutenant-Commander Bryant, retired, of the U. S. navy. Lieutenant-Commander Bryant is a brilliant and forceful speaker who graphically portrays his experiences and impressions received in his years of government service. He was commander of the presidential yacht "Mayflower" during the Wilson administration. He attended the Paris peace conference, London and Washington disarmament conference, in an official capacity as naval advisor.

He will be in Medford February 4, speaking at a high school assembly at 10 o'clock, to the Rotarians at a noon luncheon, and addressing a mass meeting at the high school in the evening, to which the public is cordially invited. He talks will deal with the subject of national and international security.

Evangelist Lewis Will Relate Life History Tonight

Tonight at the Free Methodist church Rev. M. E. Lewis, the engineer-evangelist, will relate the story of his life and tell how a praying mother had faith for her son, how at fifteen he became a railroad employe and at 21 ace engineer, at 27 a traveling engineer and ready for a superintendency. This conversion changed the whole story of his life. His romance with Nellie, and other events, will be told in an interesting way.

Last night his subject was "Double Headers," dealing with the two monster sins, jealousy and envy. These are the sins that produce false accusations, ruin reputations, break up homes and cause the worst distress in one's own self.
