

SCOUTS TO MARK 25TH YEAR WITH CEREMONIAL WEEK

Father and Son Banquet at Junior High School February 11 Will Be Highlight of Observance Here

By Irwin Doty.

Many ceremonies will be held by Boy Scout troops in all sections of the United States during Boy Scout week, February 7-13, for this week climaxes 25 years of Scouting in America and also marks one of the greatest steps ever taken to aid young boys on the path toward true citizenship.

This year has been marked by great progress in the Scout movement with a new high figure in membership, with well over a million Scouts and leaders active at the end of 1935.

One of the most important events of the Anniversary year was the National Jamboree, scheduled to be held at Washington, D. C., August 20 to 31, but suddenly cancelled by President Roosevelt because of infantile paralysis near the capital. The Jamboree, however, will be held in 1937, and will carry on the Silver Jubilee, as planned.

February 7 is the date set when all Scout troops over the nation will review the 25th birthday of Scouting. It was on February 8, 1910 that the Boy Scouts of America was first incorporated in Washington, D. C. Therefore, February 8 will be spent in celebrations of this historic date in Scouting by over a million Scouts throughout the United States. On this date, at 8:15 p. m., all Scouts and Scout leaders will reaffirm their Scout oaths before everyone who will repeat the oath and the twelve Scout laws, which are the foundation of the Scout movement.

Churches and all religious bodies will celebrate Scout Sunday February 9, when, in most cases, Scout troops will attend church in a body. A large percentage of Scout troops are sponsored or affiliated with church organizations and it is only fitting that churches set aside this day as Boy Scout Sunday. Dr. James E. West, chief executive of the Boy Scouts of America, has helped to build the Scout membership from 200 troops (the number of troops in the United States when he became chief executive in 1911) to over 30,000 troops at the present time, with over a million members. For the last few months messages and telegrams have been pouring into Dr. West's office, congratulating him on the work. Messages were received from such men as Richard E. Byrd, Herbert Hoover, William E. Hall, Daniel C. Roper and John A. Stiles.

Various districts of the Crater Lake Area council will observe Boy Scout Week with father and son banquets, courts of honor, special programs, Sunday services and troop meetings, according to Larry Schade, council president.

The Medford district announces Tuesday evening, February 11, for their annual father and son banquet to be held at the Junior High school. Between four and five hundred are expected to attend. One of the special features of this year's banquet will be the program under the direction of those Scouts of the district, who toured with the Jamboree troop. Table exhibits will again be featured, with the council president's award to be given to the troop having the best display. Dinner will start promptly at 6:30 p. m. Every dad is requested to reserve this night for his son.

YOUNG DEMOS TO REUNITE MONDAY

A meeting of the people of Jackson county who are interested in the Young Democrats club, has been called for Monday night, February 3, in the hall over the Marshall-Smith-Leonard printing office. Reorganization of the club is planned for the meeting, with election of new officers for the coming year.

During the past year, the Young Democrats club of Jackson county has been inactive, but with the presidential campaign coming up, as well as the state election this fall, the club plans to take an active part in the county campaign. The name of Jack Murray has been prominently mentioned as a candidate for president of the club, to succeed Moore Hamilton. Other officers, including vice-president and secretary, will also be chosen. The meeting will be at 8 o'clock Monday night. All those interested in the Democratic party are urged to attend.

Gillman's Install New Pasteurizer The newest glass-lined pasteurizing equipment has been installed in the new modern dairy building recently completed at Gillman's Sanitary Dairy according to George Gillman.

Gillman's, which is the largest producing dairy in southern Oregon, is also the oldest dairy in this locality. It was formerly Merriman's Dairy. Besides grade A pasteurized milk and cream and grade A raw milk and cream, Gillman's also features buttermilk, chocolate milk and an orange drink. Mr. Gillman says they plan to install equipment in the near future for the manufacture of butter, ice cream and cottage cheese.

WILSON HELD ON THEFT OF CHEESE

Harry M. Wilson, charged with larceny from a warehouse, in the theft of 500 pounds of cheese from the Eagle Point creamery, was ordered held to await action of the next grand jury, following a preliminary hearing in Justice of the Peace W. R. Coleman's court yesterday. Bonds were set at \$500. Wilson, in his defense, claimed that he procured the cheese allegedly found in his possession from another man whose name he could not remember, but thought it sounded like "Huggins." A man with a name resembling this was brought to the county jail by the authorities, but neither had seen the other before. Harry W. Ward of Eagle Point and Dave Hickens and the arresting state trooper, were the state witnesses. It also developed at the preliminary hearing that but 45 pounds of the 500 pounds of cheese stolen had been recovered.

BONUS BOND AID TO BE GIVEN VETS

The Allied Veterans' council of Jackson county, composed of the American Legion, Disabled Veterans and Veterans of Foreign Wars, will maintain offices in the AAA quarters on South Riverside avenue, to assist veterans in filling out applications for bonus bonds. Lee Garlock and Johnie King will be in charge of the work. The department will be opened as soon as the application blanks arrive, which is expected to be early next week, due notice of which will be given. Similar steps to aid veterans will be taken at Ashland, in charge of Guy Applewhite.

Control Commission Shows \$1,025,506 Went to Relief of Unemployed — Far Over 1934 in Returns

SALEM, Jan. 30.—(AP)—The Oregon liquor control commission made a net profit of \$1,891,611 during 1935, of which \$1,025,506 went toward unemployment relief, the annual report of the commission revealed.

The commission last year cleared \$908,000 more than in 1934. Gross sales totaled \$6,041,282. Profits last year included \$1,218,719 from stores and agencies, \$146,687 from the license division and \$526,215 from privilege taxes, as compared to \$644,143, \$53,881.80 and \$250,107 in 1934.

The report stated the commission operated in 1935 with a net profit of 20.57 percent and was now on a cash basis. There were 153,775 liquor permits sold last year with a return of \$100,084. Total assets as of December 31 were fixed at \$1,519,943. Current liabilities totaled \$572,239 and fixed liabilities, including the original legislative appropriation of \$107,088.71, approximately \$117,194.44.

The inventory at the end of the year totaled \$587,773, including wines and other liquors. Net earnings surplus of the commission, since its inception, were placed at \$2,874,742.53.

December sales reached the highest for any month since the state liquor law was enacted, totaling \$837,723.

COURT OF HONOR SLATED MONDAY

Don Newbury, chairman of the Medford district court of honor, has designated February 3 as date for the next court, to be held in the auditorium of the Jackson county court house. The court will open at 8 p. m., with the band of review for all scouts appearing for awards meeting at 7 p. m.

Every Scout and Scouter, parents and friends should avail themselves of the opportunity to attend this Scouting demonstration of advancement, Newbury said.

It is expected that many awards will be presented, according to Mr. Newbury, as a regular season of the

court of honor was not held in January. It has been requested by headquarters that Scouts who have completed requirements for badges and wish to appear at Monday's court have their applications in not later than February 1.

NO ALKALIES FOR ACID INDIGESTION MILLIONS have found they do not need to stretch their stomachs with strong, caustic alkalies. Physicians have said this habit often brings further acid indigestion. So much more safe and sensible to simply carry a roll of Tums in your pocket. Munch 3 or 4 after meals—or whenever troubled by heartburn, gas, sour stomach. Try them when you feel the effects of last night's party, or when you smoke too much. Tums contain a wonderful antacid which neutralizes acid in the stomach, but never over-stimulates stomach or blood. As pleasant to eat as candy and only 10c at any drug store.

DEMOCRAT RALLY CALLED TO GREET FEMININE LEADER

A concentrated Democratic rally to greet Miss Mary Dewson, feminine organizer of the Bourbon ranks, accepted as the most powerful woman, politically in the nation today, will be held in Portland, February 3, and a special invitation to attend is extended to all New Dealers in Jackson county. Women, particularly, are urged to attend the welcoming party, with the promise that they will find real inspiration in the success of Miss Dewson, who leads the feminine list of "Who's Who in Washington."

She heads the list of national women, described in the January "Good Housekeeping" by Emily Newell Blair, whose article should prove very interesting to Jackson county people, for it also tells of Nellie Taylor Ross, now director of the mint, who visited here during the 1932 presidential campaign.

Of Miss Dewson, the writer relates: "For herself Mary Dewson asks nothing, wants nothing. For women she asks a great deal. Into the private offices of cabinet members she walks with her requests for the appointment of a woman, and she comes out with the name on the dotted line. At the White House itself the latch-string is ever out to her. And in the White House, too, when these appointments were made, was a first lady who believes that women deserve political recognition. The president himself is friendly to the idea."

Mrs. Edward C. Kelly (Mary Greiner) who came to know the leading feminine political figures during her recent stay in Washington, D. C., when she wrote of them for the Washington Post, now urges all Medfordites to come to Portland for the rally. She is taking an active part in preparation for arrival of Miss Dewson and

SALEM, PORTLAND MILK PRICE TO GO UP CENT

PORTLAND, Jan. 30.—(AP)—The Oregon milk control board announced that the minimum price of milk will be advanced one cent a quart in the Salem and Portland markets on February 1.

The new price schedule applies only to the Salem and Portland markets, but the board indicated it may be applied to all areas if those markets conform to similar basic requirements now in effect in Salem and Portland.

Oswego Gets Sewer Grant OSWEGO, Ore., Jan. 30.—(AP)—Oswego received approval of a WPA loan and grant of \$140,000 for a sewer system. The low bidder, the Gilpin Construction Co. of Portland, offered to do the job for \$118,067. City officials now are studying the possibility of adding a disposal plant with the remaining \$25,000.

Cubs and Tigers Favored To Take Major Pennants

ST. LOUIS, Jan. 30.—(UP)—the Chicago Cubs and Detroit Tigers are 3 to 2 favorites to win the 1936 major league pennant, according to odds posted by Tom Kearney, St. Louis betting commissioner.

The St. Louis Cardinals are quoted at 3 to 1, and the Boston Red Sox at 2 to 1.
