

### EAGLE PT. GRANGE PLAY SCORES HIT IN COUNTY SERIES

By Maud Pool  
Presentation of the weird and tragic "Singapore Spider" by the Eagle Point Grange at the Grange hall last night as the first of a series of rural plays being given this week opened the annual county dramatics contest to a splendid start.

With the last of the Herriedw fortune at his disposal, Clarence Davis, in the role of Jason Herriedw, portrayed the eternal sullenness of the aged sea captain in a most capable manner, his sardonic laugh over the prospects of burning his \$75,000 fortune striking a ghastly note throughout the play.

Mrs. Al Mittelstaedt as the fortune teller of the captain took her part in a highly effective manner, upholding the courage of her husband (Al Mittelstaedt) in carrying out his plan to murder the paranoiac captain as he slept.

Relief of the gruesome aspect of the play was afforded in the role of Raymond Newart, wandering nephew of the captain, who came home to renounce his uncle, refusing his ill-gotten wealth. From Singapore he brought a gift from the captain's shipmate, a derelict afflicted with a curse, whom Jason Herriedw refused to aid. The gift, a Singapore spider, served to bring the play to a sweeping climax, when the captain craftily placed in the box containing his fortune, which the housekeeper and her thief husband opened with fatal results after his murder.

Miss Cora Crandall, fiancée of the young nephew, played a pleasing role in the production.

The play, preceded by a vocal solo by Harold Emmerson of Eagle Point, was followed by a box social. Many comments were made in praise of the splendid work of the cast and director, Charles Fraser. The Grange reports the event a great success financially.

Tonight Central Point Grange will present "The Blue Teapot" at the Grange hall at 8 o'clock. The comedy is warmly appealing and supports four characters. A dance will follow.

## LET KIDNEYS FLUSH OUT 3 LBS. A DAY

Clean Out 15 Miles of Kidney Tubes.

Nature put over 15 miles of tiny tubes and filters in your kidneys to strain the waste matter out of the blood. Kidneys should pass 3 pints a day and so get rid of more than three pounds of waste matter.

When the passing of water is scanty, will marinating and burning, the 15 miles of kidney tubes may need flushing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes and dizziness.

If kidneys don't empty 3 pints a day and so get rid of more than 3 pounds of waste matter, your body may take up some of these poisons causing serious trouble. Don't wait! Ask your druggist for DOAN'S KIDNEY PILLS, used successfully by millions for over 40 years. They give heavy relief and help the kidneys to flush out 3 pounds a day.

### AUTO DEALERS TO MEET IN PORTLAND

"The turning point toward a resumption of normal business, and very probably to the high peak of 1929, in the automobile retailing trade, with beneficial results extending into many other industries and the production of an increased amount of materials, has definitely been reached," W. W. Allen of the Pierce-Allen Motor Co., member of the national activities council of the National Automobile Dealers' association, stated today.

"To meet the problems of the trade now existing, to clear up the debris left by the death of N.R.A., to place our business upon a sound basis; improve our position and generally clear the decks for what is assured for 1936 as a year of greatly increased automotive sales," he said.

"The dealers of Oregon will meet in a determined and co-operative spirit in Portland in the Multnomah hotel on February 4.

"Assurances have been received from both the national organization and the state dealers association that the meeting will be the largest and most important this trade has ever held in this state.

"Outstanding problems to be discussed concern sales methods, financing and management. Speakers of national prominence will discuss these subjects. They are: Edward Payton, nationally known business analyst and authority on automobile dealer management; John R. Walker, executive vice-president and general manager of the National Association of Sales Finance companies, and William B. Burrus, business and sales analyst. I urge every dealer to join in this movement and to attend this very important meeting."

Mr. Allen and L. C. Taylor are leaving Sunday for the meeting.
