

DOG CURB AND TAX PROBLEM FACING COUNTY OFFICIALS

The annual spring problem of renegade dogs, will be considered this afternoon at a meeting of the county court, the Jackson County Humane society, and the dog control board, composed of Theodore Fish, Jr., Phoenix; L. A. Saindo, Jr., Central Point, and Dolph Phipps, Medford.

The meeting will try to evolve a plan of collecting dog taxes, now due, and to curb the wild and homeless dogs, which the past ten days have been raiding sheep bands on the floor of the valley.

Dog taxes have been due since January 1 and the county court is expected to designate March 1, as the date after which a penalty will be affixed for non-payment.

Claims of sheep-owners for sheep assertedly killed by roving canines paid by the county amounted to \$768. At \$3 per head, 253 sheep were slain by dogs. The dog tax collected amounted last year to \$3,990.50. The claims were paid out of this fund. The balance was appropriated for license tags and blanks, to the state fund, and 80 per cent of the dog licenses collected in the cities of Ashland and Medford, allotted each municipality.

J. J. Osenbruge reported today he would file a claim against the county for five lambs, and three ewes killed by dogs at dawn a week ago. His flock was pastured on Bear creek near the Blinn slaughterhouse. The dogs attacked the flock, chasing them into Bear creek, then at a high water stage. Six lambs are missing, and it is presumed they were drowned. Three were left badly mutilated.

NEW STUDEBAKERS FOR LIONS' SHOW

A carload of 1936 Studebaker Dictator sixes were unloaded this week by the Sanderson Motor Co., local Studebaker dealer for the display at the Lion's club automobile show. Three of these cars have the Studebaker overdrive and deluxe equipment exactly as the Studebaker President eight, which will also be on display. Mr. Sanderson says this is the largest shipment of the popular steels, with overdrive they have been able to secure at one time.

These cars were shipped from the new Studebaker coast assembly plant at Los Angeles. This new distribution system will bring a saving in freight rates to the purchaser, according to Mr. Sanderson.

Studebaker is the only automobile built with an automatic hill holder, a popular feature which will be explained at the auto show.

Mr. Sanderson reports that Studebaker won two first places in the Gilmore Economy run. The Studebaker President won first in its price class with over 20 miles to a gallon of gas, and the Studebaker won first in its price class with over 25 miles per gallon of gas. Mr. Sanderson says some local owners of new 1936 Studebakers have equaled these records.

LIONS ASTOUNDED BY MAGIC FEATS

Vantino, the magician who is to appear at the Medford Auto Show being sponsored by the Medford Lions club, yesterday entertained the Lions at their noon luncheon at Valentini's with some of his feats of wizardry. Assisted by his pretty co-magician, Miss Cason, Vantino succeeded in producing a cigar belonging to Larry Pennington from the pocket of another Lion four seats away.

He also induced Vic Tengwald to cackle and lay two eggs, before his startled lodge companions. Vantino and Miss Cason also did some clever cigarette tricks as an indication of what will be done at the auto show.

It was decided at the meeting to have an old-time ladies' night in the

BRONCHITIS! Never Worries Now

Mr. Clifford G. Morrison, Balmy River, Ont., has abundant reason to bless the day he heard of BUCKLEY'S MINTURE. At the first sign of an attack he hits it in the bud with BUCKLEY'S MINTURE. He says: "My experience with this wonderful medicine makes me always keep a bottle in the medicine chest—I never worry about bronchitis now."

If you are lying awake nights, racked in pieces with coughing, choked up until you can hardly breathe, just try BUCKLEY'S MINTURE. You will be astonished how quickly the cough will stop, how quickly the chest will clear, how your breathing will instantly ease.

There's nothing like Buckley's for quick, sure, safe relief. It acts like a flash—a single drop proves it. Ask for it at Jarmen Drug Store and all good drug stores—guaranteed.

HICKORY TREES TO FLOURISH HERE IS JOHN PERL'S HOPE

Jackson county, and probably wider sections of the west, will be dotted with hickory trees some day because John A. Perl of this city has noted the disappearance of hickory in Central United States, and is fulfilling his ambition to start the trees in this section.

Returning a short time ago from a visit to Canal Winchester in his native state of Ohio, where he visited an 87-year-old uncle, Mr. Perl brought back 16 or 20 pounds of shell bark hickory nuts, and is distributing them to friends throughout this locality.

"I believe the trees would do well here," Mr. Perl said, "since we have the same temperature, with the four seasons, as they have in the east. Back home the trees have all been cut, excepting a few on the farms. They use the wood for wagon spokes, axles and shafts. When I was a youngster in Indiana," Mr. Perl recalled, "we would take big wagons, five of us, and go to the river bottoms after the nuts. Those trees have been cut, too." Mr. Perl says he believes the only trees existing here are in Ashland.

Harry W. (Scottie) Morrow, well-known postman of this city, has manifested a warm interest in the sylvan restoration, and recalls his boyhood days among the hickories in Indiana.

"We used to climb to the top of a 20-foot sapling, and get it to swinging, then we'd jump from one tree top to the other, like a squirrel," he said. "It's hard to climb a hickory because the bark is loose at the bottom."

Mr. Morrow is of the opinion that it takes the nuts two years to sprout.

MODERNIZATION LOANS BY 1ST NATIONAL BANK OVER MILLION DOLLARS

Modernization loans made by the First National Bank of Portland under terms of the national housing act, have passed the million-dollar mark. E. B. MacNaughton, president, announced today. This word was received by Eugene Thorndike, assistant manager of the Medford branch, who is handling the local modernization loans. This \$1,000,000 represents loans for modernization of more than 2700 homes throughout the state of Oregon.

Leadership of the First National bank in the home modernization loan field began two years ago when the bank originated and sponsored a renovated house demonstration and home improvement movement in Oregon. This was shortly before the passing of the national housing act and the making available of funds for home rehabilitation. By the time the act had become operative the bank's campaign was well under way and thousands of home-owners were watching an actual demonstration of how completely an old home can be modernized, the bank having bought an old house in the center of Portland's business district and completely remodeled it. A. A. Soltramm, manager, states that during the last 60 days Mr. Thorndike has completed more than 60 loans, totalling in excess of \$20,000.

George A. Hunt To Hold Auto Show at Craterian Theatre

George A. Hunt, owner of the Craterian and Rialto theaters and also theaters in Grants Pass and Roseburg, is the owner of the first 1936 Chrysler Custom Imperial Air-flow sedan to be delivered in Oregon, according to H. F. Lange of the Lange Motor Co., local Chrysler and Plymouth dealer.

Mr. Lange says Mr. Hunt will not part with the car for a two-day auto show display at the Craterian, so he has promised to put on a one-car auto show in front of the Craterian theater every evening. The car, which has many new improvements, is finished in black and chromium which gives it an unusually long streamlined appearance.

The Lange Motor Co. will have a new Chrysler convertible coupe as well as an Airflow and Chrysler 8 deluxe 8 models on display at the Lion's Club Automobile show.

Nash 400 Leads In Sales At Abbey's

The new 1936 Nash deluxe 400 sedan is leading in sales for the past two weeks at Walter W. Abbey, Inc., local Nash, LaFayette, Willys 77 and International Truck dealer. Four sedans were recently delivered to Mrs. Loraine Thomas, Howard Bayden, John Holston and A. G. Bishop, according to Mr. Abbey.

Mrs. L. S. Castor took delivery of a new LaFayette sedan and International Trucks were purchased by the Blair Granite Quarries of Ashland and Everett Carman of Medford.

Mr. Abbey says that Nash, in line with other manufacturers, has announced a new low finance plan for the Nash-built LaFayette, which may now be purchased for \$28 a month, with the usual down payment.

MARTIN APPOINTS BUCK WHARTON TO SECRETARY PLACE

After a year at North Pacific college in Portland, where he studied pharmacy as a pre-medical course, he enlisted in the Oregon naval militia in 1917 as an apprentice seaman. He was called to active duty two days later when the United States entered the World War, and was assigned to the U. S. S. South Dakota with the first battalion of Oregon's sailors.

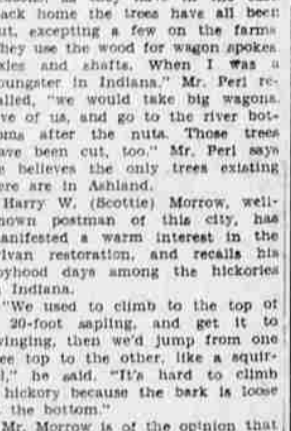

In 1918 he won appointment to the United States Naval Academy and graduated from the war-time short course as an ensign in the regular navy. He resigned from the service in October, 1920.

Wharton began his newspaper work with the Journal as high school correspondent in 1914. On his return from the war he joined the regular staff of the paper. He has served continuously on that paper except for a two-year leave of absence when he was secretary to Congressman Elton Watkins.

He has been active in the naval reserve and holds the rank of lieutenant-commander. He is the author of the textbook on news writing issued by the bureau of navigation, and has written several articles for the United States Naval Institute, of which he is a member.

In 1922 Wharton was appointed instructor in journalistic writing for the Portland extension center of the state system of higher education.

In 1922 he married Miss Mauna Lov Pallas, also a member of the Journal staff. They have one son.

THE GRANGE

Central Point Grange will meet February 7. Candidates from Phoenix, Gold Hill and Central Point will be initiated in first and second degrees by Central Point degree team, in charge of Mrs. John Blackford.

There will be an old-fashioned valentine box during the lecture hour. Everyone who comes be sure and bring a valentine, or if you wish you are welcome to bring one for each of your grange friends. The box is to be decorated by Mrs. Parker. Team number two is still in the lead in the attendance contest.

Notice to Creditors. In the District Court of the United States for the District of Oregon, In the Matter of Edwin P. Hughes and Ethel T. Hughes, Bankrupts. To the creditors of Edwin P. Hughes and Ethel T. Hughes of Medford, in the County of Jackson and District of Oregon, Bankrupts:

Notice is hereby given that on the 10th day of January, 1936, the said Edwin P. Hughes and Ethel T. Hughes were duly adjudicated bankrupts and that the first meeting of the creditors will be held on the 17th day of February, 1936, at the Federal court-room in the postoffice building in Medford, at 10:00 o'clock in the forenoon, at which time the said creditors may attend, prove their claims, examine the bankrupts and transact such other business as may properly come before said meeting.

Dated this 5th day of February, 1936. GEORGE B. DEAN, Conciliation Commissioner for Jackson County, District of Oregon.

Vet Aid Security Increases Value

SALEM, Feb. 6.—(AP)—Jerrod Owen, secretary of the World War Veterans' State Aid commission, reported a \$230,000 advance in the value of securities owned by the sinking fund of the commission during the past three years.

Three years ago securities which had cost the state \$1,253,784, were appraised \$200,000 below their market value. An appraisal just completed revealed that the state now could receive a profit of \$30,000 if the securities were sold.

SENTENCE OF FOSTERS SCHEDULED APRIL 8TH

Passing of sentence upon Frank O. Foster and his wife, Alma, charged with petit larceny in the theft of a relief committee requisition for groceries, was deferred until April 8 yesterday in justice court upon recommendation of the district attorney. They were freed upon their own recognizance.

Foster admitted he cashed the

SPECIAL SPEAKERS ON FRIDAY'S PROGRAM AT CHURCH OF NAZARENE

Special speakers, including Rev. E. E. Martin, Portland; Rev. E. H. Edwards, Seattle; and Rev. C. A. McConnell, Yakima, Wash., will be in Medford for the Friday program at the Church of the Nazarene. The program will be devoted to Sunday school evangelism and Bible school instruction.

Rev. Edwards is pastor of the First Church of the Nazarene of Seattle, also chairman of the district church school board. Rev. McConnell is pastor of the Church of the Nazarene in Yakima and an outstanding Sunday school genius. Rev. E. E. Martin is district superintendent of the North Pacific Church of the Nazarene.

The program for the day begins at 10:30 a. m. and at 7:30 p. m. Other speakers include Rev. E. E. Wadsworth of Ashland, and Rev. Ralph Wyncoop of Marshfield.

The evangelists, S. K. and Mrs. Edith Clark and Miss Nona Clark, now conducting special programs of gospel evangelism at the local church, will be heard tonight and will furnish special music for the programs tomorrow.

Tonight Mrs. Clark speaks on "Bringing Back the Ark." These workers are attracting a wide interest throughout southern Oregon. Their ministry is meeting with favorable response in Gospel acceptance.

Rev. Frank McConnell will speak Friday night on "Sunday School Evangelism." He will set forth some of the unique methods instituted through his ministry.

ADVICE ON SPRAY AIM OF MEETING

The attention of the fruit growers is called to the spray meeting to be held in the basement of the Hotel Medford, Friday at 1:30 p. m., states C. B. Cordy, assistant county agent.

Pear scab and its control will be discussed by Leroy Childs, superintendent of the Hood River experiment station. This disease has been one of the chief causes of pear cultivation in this valley of recent years, and it appears to be getting worse.

"Growers will do well to hear Mr. Childs' suggestions on how to prevent further spread of pear scab," says Mr. Cordy. Lantern slides of the various stages of the disease will be shown.

Professor P. C. Rehner and L. G. Gienster of the southern Oregon experiment station will discuss other phases of the spraying program.

REV. S. K. CLARK

day school genius. Rev. E. E. Martin is district superintendent of the North Pacific Church of the Nazarene.

BACKS ARE HIDDEN IN EVENING GOWNS DESIGNED FOR 1936

PARIS, Feb. 6.—(AP)—Modesty was decreed as one of the first commandments in summer styles today at the 1936 fashion opening.

Long, showing no reason why the shoulders or back should be uncovered to give a smart effect to evening attire, displayed gowns whose décolletés were far from low cut. Some models were even draped to the throat.

Other designers generally frowned on nude evening décolletés. Though some bare backs were seen, the fronts were cut fairly high while the high neck prevailed almost universally in day frocks.

ROXY ANN PLAY SATURDAY NIGHT

The Roxy Ann Home Extension unit is presenting a one-act comedy, "Kidnapping Betty," Saturday evening, February 8, at 8 o'clock at the Roxy Ann Grange hall. The play will be preceded by several musical numbers. A carnival, sponsored by the ladies of the Grange, will follow, providing a full evening of entertainment.

The program includes: Music, girls' community club orchestra, Norma Pelle, Truth Pelle, Mamie Durkee, Erlene Young and Janet Thatcher; solo, LaMerle Beck; novelty number, Don Elliott; solo, Wm. Joe Nee. Play, "Kidnapping Betty." Cast: Nellie Murphy, Doris Upp, Frances Moffett, Dale Howard, Gareth Goddard, Margaret Norvell, Clarence Todrick, Director, Mrs. C. B. Cordy; prompter, Mrs. C. R. Reynolds.

An entertaining evening is promised all who attend.

Excess of Acidity of Other Popular Brands Over Lucky Strike Cigarettes

All kinds of people choose Luckies, each for reasons of his own. But everyone agrees that Luckies are a Light Smoke of rich, ripe-bodied tobacco. It is a rather surprising fact that the leaves of the same tobacco plant may vary far more than the leaves from plants of quite different types. Chemical analysis shows that the top leaves contain excess alkalies which tend to give a harsh, alkaline taste. The bottom leaves tend to acidity in the smoke. It is only the center leaves which approach in Nature the most palatable, acid-alkaline balance. In Lucky Strike Cigarettes, the center leaves are used.
