

Oregon Goliaths, Outclassed by Staters Quintet Lose 49 to 23

PALMBERG KEEPS UP SCORING PACE IN ROUGH GAME

Howell and Patterson Out On Fouls—Beavers Lead, 30 to 9 at Half.

CORVALLIS, Ore., Feb. 8.—(UP)—Oregon State took a firmer grip on second place in the northern division conference by overwhelming University of Oregon 49-23, tonight, in a rough game which saw several Oregon players leave the game on fouls.

The Staters averaged an earlier 20-27 defeat at the hands of the Webfeet by taking the lead soon after the game started, and never relinquishing it.

Clicking with precision not seen on the home floor this season the Beavers increased the margin to 30-9 at the halftime.

The Staters played a slow, deliberate game in the second half, when the Webfeet came to life and intercepted many passes.

Courtney, Patterson and Howell were ejected in the last half with four personal fouls. Conkling and Folen of Oregon State were on the ragged edge with three each.

Lefty Palmberg, high scorer for the northern division, maintained his pace by making 15 points, at the same time holding Sam Leibowitz, high scoring Webfoot, to one point.

The Staters cashed in on free throws, converting 19 of 22 attempts. Oregon made good 5 of 12 attempts.

CHEMAWA BEATEN TWICE BY TIGERS IN CLOSE GAMES

A scrappy Chemawa Indian school boys team was beaten twice in a two-game series against the Medford high school Tigers, last night went down before a determined attack, 26-23.

In the last few minutes, with the score standing 24-12 against them, the Indians launched a come-back effort, and as Tiger reserves were filtered into the game, drew up to 26-22.

Their last minute drive proved too late, as Coach Bowerman sent Hayes, Vandye and Lewis back into the fray, and Bostwick's free toss, bringing the vote to 26-23, was the last tally of the game.

The outstanding feature of the rough, fast game was the ball handling of Kalamia, Indian guard. Flipping the ball around with overhead hook shots, as though it were a baseball, he was responsible for most of the set-ups that his team made.

The first half of the encounter was faster than most of the second, with both teams exhibiting fast ball-handling and short shots. The tally at half time was 11-10, with Medford in the lead.

This lead was widened rapidly in the third quarter, with the locals then leading 21-12.

Vandye was the outstanding offensive player with 11 markers, as well as making several nice assists.

Lewis, off on his shots, confined his efforts to opening holes for his team mates. Hayes and Grow, alternating at the jumping post, both turned in nice performances.

Ray Henderson's Toy Bulldogs from the Medford Junior high school seventh and eighth grades, dropped an exciting preliminary skirmish against a vastly taller Prospect eighth grade squad, 26-18.

The locals led through the early part of the game, but were unable to maintain the pace.

Summary: Chemawa: Lewis (1) F, Kalamia (4) F, VanDyke (11) F, Archambeau (3) F, Hayes (4) G, Sanderville (2) G, Lindley (2) G, Christian (9) G, Baker (7) G, Afsaid-of-His-Tracks (2) G, Substitutions: Grow (4), Ettinger (2), Childers (2), McKee (Chemawa); Bostwick (1), Roy (Tiger); Green (4), Red Elk (4).

Tigers Eke a Win On Friday night the Tigers eked out a 27-24 win over the Braves in a close, fast game marked with hard checking and clever ball handling.

The Tiger regulars were leading the Indians 10-7 shortly after the start of the second quarter, when Coach Bowerman injected his Sophomore Shocks into the fray.

The Chemawa five had little trouble in overhauling this squad, and the vote at half time stood knotted at 11-all. The regulars entered at the beginning of the second half, and the score was tied four more times.

In the dying minutes of the game, and Medford leading 26-24, Afsaid-of-His-Tracks, Chemawa guard, looped an overhead shot from the edge of the floor which flopped the net and apparently tied the count.

Referee Ivan Harrington ruled that the Indian had been out of bounds when the shot was made, and ordered no tally. Most of the crowd were not aware of this, and when Baker, pint-sized Medford guard, sunk a foul that seemed to extricate the locals from a tight spot, a roar of approval greeted his efforts. The gun ended further scoring.

Summary: Chemawa: Lewis (5) F, Archambeau (8) F, VanDyke (6) F, Kalamia (4) F, Hayes (4) G, Sanderville (2) G, Lindley (2) G, Christian (9) G, Baker (7) G, Afsaid-of-His-Tracks (2) G, Substitutions: Medford, B. Ettinger (1), McKee, Childers, Grow, Santos, Chemawa made no substitutions.

COUGARS TRAMPLE VANDALS EASILY

PULLMAN, Wash., Feb. 8.—(UP)—Washington State's basketball team clicked in the second half tonight to trounce University of Idaho, 37-23.

The first half saw the lead change five times, and the score tied twice, with W. S. C. slipping into a 20-16 lead at halftime.

The Cougars sparked immediately following recess, built up a 10-point lead and were never threatened again.

Tiger Taskoff, the Bulgarian bully, who has become a Medford favorite, will meet "Duke" Pettigrew of New Orleans, who comes hailed as the "Bone breaker from the cane breaks," in the curtain raiser.

"I break bees neck," the Tiger growled when told who his opponent was to be. The two men have never met before, but Taskoff claims to have heard rumors of Pettigrew's prowess, and knows just how to stop the Louisiana pride in his tracks.

This match will also be under the Australian rules, and will start at 8:30.

The popular new low price will be in effect, Promoter Mack Lillard has announced.

LOS ANGELES, Feb. 8.—(AP)—Founding under the wire in record time, Time Supply conquered a field of favorites today to win the \$7500 San Antonio handicap at Santa Anita park.

W. R. Coe's Pompey's Pillar was second and H. C. Hatch's Ariel Cross was third.

The mighty Discovery, Alfred G. Vanderbilt's 1935 handicap champion and a heavy favorite to win today's classic, finished a dismal fifth, trailing behind the Foxcatcher farm's Rosemont.

With the largest crowd in the history of Santa Anita park present, Time Supply, flashing the sky blue and gold silks of Mrs. F. A. Carraud, jumped into an early lead.

He gave way at the half way point to Prince Abbott, but rallied to thunder down the stretch an easy winner by six lengths.

DIXIE MEANIE TO HAVE HANDS FULL WITH 'HURRICANE'

Tomorrow night Ken Hollis, the Arizona hoodlum who has his first wrestling match to lose in a Medford arena, meets the Kansas Hurricane, Wayne Long, at the Armory in a bout which is expected to be a classic of bitter blows, vicious slugging and clever wrestling.

Hollis needs no introduction to Medford audiences, winning all his matches with the most cold-blooded display of shady wrestling ever seen here, but Long is a newcomer.

Advance information from Los Angeles indicates that the new man is master of 31 holds which he applies with the cold venom of a snake.

In his barnstorming tour of the southern state he won every match but one, meeting the best men on the circuit. Only 24 years old, he already has learned that the only way to handle the tough guys is to get tough himself, and he has indicated that this will be his line of attack tomorrow night.

A return bout between Frank Taylor, big and handsome Ohio State collegian, and Max Glover, the fire-brand from Detroit is the middle event scheduled. Glover won the last match by bullying Taylor with low blows, hair pulling and eye gouging.

Taylor lost the first round but took the second when he became angered, only to lapse into his usual good nature to drop the deciding fall. He has declared that if Lillard would give him another match, he would fall into no such error again. The bout will be under the Australian system of six 10-minute rounds.

AMERICA SUFFERS TWO REVERSES IN WINTER OLYMPICS

GARMISCH-PARTENKIRCHEN, Germany, Feb. 8.—(AP)—The United States suffered two major reverses in the fourth winter Olympics today as the hockey team, strongly favored to reach the finals, bowed to Italy in a stunning upset, and Donna Fox, pilot of the leading four-man bob-sledding team, narrowly escaped serious injury in a spectacular crash-up on the Olympic chute.

These developments overshadowed such other competitive results as Canada's third successive victory in defense of its hockey crown and the smashing triumph of Germany's Christel Grans in the slalom and the combined downhill-slamom skiing championships for women.

America's hockey defeat came in a bruising game that went to two extra 10-minute periods before Giovanni Scotti scored the goal that gave the Italians a 2-1 victory.

For the first time, the Americans found their unpopular but highly effective heavy body-checking matched by the opposition and as a result tempers were hair-trigger throughout the game. Ill-feeling cropped out early and stayed late while partisans in the crowd, biggest that has yet turned out for the hockey, alternately jeered and cheered.

The defeat, first for the United States in three matches, left in doubt the final standing for the first round-robin series.

BRUBAKER TO GET WHITE HOPE TEST

SAN FRANCISCO, Feb. 8.—(UP)—Phil Brubaker, the Dinuba youth who desired ministerial studies for the prize-fighting ring, reaches a crossroads of his career here Friday night when he meets Kingfish Levinsky of Chicago.

Although he has slipped far back since he fought Max Baer 20 rounds at Reno one hot afternoon, Levinsky is still up front among heavyweights and will win for Brubaker will increase the youngster's prestige immeasurably.

His followers confidently expected him to win by a knockout and look to such a victory to serve as a springboard to throw him into the national picture—a formidable challenger of Joe Louis.

MONMOUTH, Ore., Feb. 8.—(AP)—O'Connell, dead-eye forward, scored 17 points to lead Oregon Normal in a 35 to 28 victory over Southern Oregon Normal of Ashland here last night in a rough and tumble game.

O'Connell, recently recruited from the reserves, left no doubt as to his first string rating.

The Wolves were ahead 21 to 18 at halftime of the thrilling game which was played under severe tension due to the kept-up feeling promoted by the previous game the night before. Twenty-nine fouls were called.

Leavens scored 10 points for the Bombs and Hardy six.

COAST STAR AND 4 CUBS HOLD OUT FOR HIGHER PAY

SAN FRANCISCO, Feb. 8.—(UP)—Joe Di Maggio, the Pacific Coast league's prize contribution to big league baseball for 1936, is proving one of the most stubborn holdouts the New York Yankees have experienced.

The San Francisco youth today sent his contract back to the Yankee headquarters unsigned for the second time this year.

The first time he objected they had not given him the customary 25 per cent raise awarded youngsters moving into the main tent of baseball. This time he wants more than the 25 per cent, which friends estimated would have given him an annual salary of \$8,000.

CHICAGO, Feb. 8.—(UP)—Four Chicago Cubs were holdouts tonight, two weeks before the squad leaves for its California training grounds.

Chuck Klein, former National league champion slugger who has failed to hit .300 in his two years with the Cubs, reduced the holdout ranks today when his signed contract was received.

Klein was understood to have accepted \$12,500 with a provision for more if he returned to his 1933 form when he hit .339.

The holdouts are Galan, flashy left fielder; Bill Lee, pitcher, who led the league last year with 20 victories and six losses; Larry French, left hander, who won 16 games last season but who dropped two world series contests; and Billy Jurges, excellent fielding shortstop but a weak hitter.

Leavens scored 10 points for the Bombs and Hardy six.

SENIOR FACULTY TO PLAY JUNIORS

The creaking of old bones and the popping of joints, the wheezing of labored breathing will greet the fan who attends the battle of the century tomorrow night at the senior high school gym.

The senior faculty, gaint and lean with age, will toddle onto the floor at 7 o'clock to tangle with the junior mentors for the purpose of sending the Toy Bulldogs of the lower school to Eugene next Friday.

The juniors have won every game played this year — one against the eighth grade, which they wheezed out Thursday night by a vote of 36-30. Ray Henderson, his rotund tummy quaking like a well molded jelly, did his best to help his team win the fray by fouling right and left so that his pals would have plenty of gift tosses, but his work went for naught.

The red-headed flash, Nitzel, will drop his math teaching long enough to jump center for the junior high squad. Tucker and Marshall will don the panoply of war at forwards, and Henderson and Coach Achison are expected to scintillate at guards. In reserve will be Principal Menegat.

Coach Bowerman of the senior squad was reluctant to give out programs, but admitted the practices were being held in secret. They are so secret that he hasn't even allowed the team members to come-along though he admitted Principal C. G. Smith had been working out on the sly since last summer.

"I think those juniors are going to

try to throw in some fingers against us
