

EVANS SHOE STORE TO TAKE FORMER WURTS LOCATION

Evans Shoe store, formerly known as the Buster Brown Shop, will occupy the former Wurts Gift location at North Central and Sixth street sometime during April, according to an announcement by Mr. and Mrs. Clarence Evans.

Plans have been drawn for extensive remodeling and improvements which will transform this centrally situated business house into one of the most attractive and up-to-date footwear stores in southern Oregon. Special patens have been designed for the spacious windows which will form an unusually effective setting for fashionable shoes.

Evans' new store will have a mezzanine floor and the partitions downstairs will be removed to afford more space for the large stock of footwear which will include other lines in addition to Buster Brown, according to Mr. Evans.

The move to new headquarters marks an anniversary for Mr. and Mrs. Evans who opened their present store during April, 1929. Since that time they have made two major improvements in the Buster Brown establishment. In 1933 new show windows were constructed and in 1934 the interior was enlarged and redecorated.

Previous to his association with the Buster Brown concern, Mr. Evans was employed by the Golden Rule company in Medford for 19 years.

A removal sale will be conducted at the Buster Brown shoe shop beginning Saturday, March 14, with substantially reduced prices in effect. Complete details of this important selling event will be published in tomorrow's Mail Tribune.

"Name of Christ" Evangelist Topic At First Baptist

Mr. Long, evangelist at the First Baptist church spoke Wednesday on "The Name of Christ" and built a special rag picture of Christ. Friday night is to be known as "Family Night," and a home-made cake will be presented to the mother having the largest family present. Also all Townsend club members are invited as special guests.

Saturday there will be a special service for the young people, starting at 7 p. m., with a message interesting to young and old, "The Amusement Question." All young people are urged to attend.

Mr. Long has a special service Sunday morning, preaching on "490 Times." Sunday night he will speak on "Success or Failure." A baptismal service will follow the evening service.

This is the last week of this evangelistic campaign, Sunday being the last day.

Will Give Play At Wagner Creek

TALENT, March 12.—(Sp.)—The Wagner Creek P. T. A. will give a one-act play entitled, "Who's Crazy Now?" at the Wagner creek school Saturday night, March 14, at 8:00. The cast of characters is as follows: Charlie Smooth, alias "the Kidder," Bernice Anderson; Abigail Sniffen; Eva Taylor; Snowdrop Leblanc; Olive Johnson; ex-prefessor, Rachel Williams; Professor Timothy Twitters; Goldie Abbott.

Other features of the evening's entertainment will be musical numbers, cake walks. Pie and coffee will be served. Proceeds from the small admission charge will be used for the hot lunch department.

Ashland Veterans Reunion Tonight

ASHLAND, March 12.—(Sp.)—The "Fighting First Company," the Ashland unit that left here together in 1917 for participation in the world war, will hold its annual reunion and feed at Kent's cafeteria at 6:30 tonight.

Oscar Silver will be toastmaster, with other assignments as follows: Millard Grubb, memorial address; Gix Delsman and Chick Farlow, entertainment; Beecher Danford, Lee Fifield, and H. G. Wolcott, nominating committee.

Officers of the group, elected last year, are: C. E. Hedberg, president; G. H. Weinder, secretary-treasurer; Don Spencer, historian; and J. Q. Adams, assistant historian.

Seattle Takes Lead In Safety

PORTLAND, March 12.—(AP)—Seattle gained a lead today in the accident prevention race with Portland, which began the first of the month. One death had been recorded here, but Seattle's record was clear.

Seattle recently challenged Portland to a six-month contest. Regularly, there were 230 accidents in Portland the first week of March and the same number in Seattle, with 36 injured here and 28 at Seattle.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

GOOD GARDENING

Mint Bed. If you're willing to spare a space in your garden three by three feet from vegetables, you can have a mint bed that will provide plenty of leaves for flavoring drinks like-wellay lemon tea. Five or six plants will be enough. Spearmint is more widely grown by amateurs than peppermint. First you plant indoors and then transplant, after what may be reasonably expected to be the last frost in your area, to the garden mint bed. The main thing is to make sure that the plants don't blossom; when they do they become tough. It's a good idea to keep part of the bed sheared down while the mint is being used from the other part, thus providing a continuous supply of fresh tips. The seeds may be grown indoors in a big flowerpot before the transplanting period.

FRUIT, VEGETABLE MEETING CALLED

Frank McKinnon, chief of the division of plant industry of the state department of agriculture, will meet at 2 p. m. Saturday with growers and shippers of fruits and vegetables in the auditorium of the court house. The meeting will be in the nature of a conference for the discussion of needed revision in state standards affecting fruit and produce, and all interested in growing, handling or selling these commodities are urged to be present.

Portland Sugar Prices Advance

PORTLAND, March 12.—(AP)—sugar prices on the portland market spurted up 10 cents a hundred pounds today, jobbers listing granulated cane sugar at \$4.25 and beet sugar at \$4.55. The increase follows up a price adjustment in California and marks the second since the mid-January break in the market as a result of the overthrow of the AAA.

F. L. BREWER NEW G. P. COPCO CHIEF

GRANTS PASS, March 12.—(Sp.)—F. L. Brewer took over duties as manager of the California Oregon Power company in Grants Pass Tuesday, replacing V. Ward Hammond, who has been transferred to the Medford office. Brewer came here from Tillamook, where he was merchandise manager for Mountain States Power company.

Previously to being in the Tillamook office, Brewer was with the Copco in Medford. Prior to his affiliation there he was with the Mountain States Power company in Albany and the Southern California Edison company at Alhambra.

Mrs. Brewer and their two children expect to arrive here probably within the month to make their home.

Hammond left here Tuesday for his new position in Medford. His family will remain here until school is out.

WILL BUILD HOME ON HISTORIC SITE

A modern home, with beautifully landscaped grounds, is to be built on the Old Stage road by Michael Beck, owner of Beck's bakery, The Mail Tribune learned today.

Mr. Beck has just purchased a tract of four acres on the historic roadway north of Jacksonville from Chester North whose dairy ranch adjoins. A frame dwelling and out-buildings on the property are to be torn down to make room for Mr. Beck's modern home.

Mr. and Mrs. Beck and family now reside at 824 South Grape street.

Brazil's national coffee department announced 35,801,332 sacks of coffee had been destroyed up to December 31, 1935, in the country's five year effort to reduce the world supply and balance it against demand.

When 17-year-old John Douglas Fixman was fined \$15 for flying a plane in a dangerous manner, he told an English court that he did it to please his grandmother.

The "mailman" at Osborne, Kans., is Miss Elizabeth Craddock, one of the few women mail carriers in the United States.

Meteorological Report

March 12, 1936
Forecasts
Medford and vicinity: Fair tonight and Friday. Cooler tonight.
Oregon: Fair tonight and Friday, but unsettled northwest portion. Cooler east and south portions tonight.

Faces Murder Trial

BURNS, Ore., March 12.—(AP)—Tobe Skeins, charged with the slaying of his brother-in-law last fall, will go on trial here April 23. He pleaded innocent when arraigned earlier this week. Skeins was lodged in the county jail last October 29.

Kansas train-auto collisions in 1935 killed 63 persons, only four less than the combined toll the two preceding years.

D. H. Hubbard told St. Petersburg, Fla., police his billfold containing six dollars was "picked" as he left church.

Deputy Sheriff Leon W. Worsham, Redsville, N. C., arrested his man, but in doing so suffered a severe man bite on the wrist.

PLANS COMPLETED FOR LEGION PARTY

Ben Dorris, prominent Legionnaire of Eugene, will be the principal speaker at the American Legion birthday celebration to be held here under auspices of Medford post and its auxiliary.

The Legion anniversary falls on March 13, but it will be observed here, as elsewhere, on Tuesday, March 17. The local celebration will be held in Knights of Pythias hall at Fifth and Grape streets.

A covered-dish supper is to be served at 6:30. This will be followed by a program of entertainment, after which Mr. Dorris will give an address on the formation and development of the American Legion and its principles. Dancing will follow, with Dick's orchestra of Ashland furnishing the music.

A large attendance is expected from Grants Pass, Ashland and Kerby. Out-of-town Legionnaires who happen to be in Medford at the time are also invited.

400 CARS PEARS REMAIN ON HAND

Pears are now moving, chiefly to eastern markets, at the rate of 10 to 12 cars daily, according to Southern Pacific freight officials. Total fruit shipments to date from the Rogue River valley total 2521 cars, as follows:

Packed pears 1701 cars
Canner pears 616 cars
Apples 204 cars
Shippers estimate there are about 400 cars still in storage awaiting sale and shipment. They are D'Anjou and Winter Nells. This holding is slightly more than normal for this time of year.

Export shipments have been light the past six weeks, due to the French government reducing the quota. A new trade treaty is now being negotiated, and Washington, D. C., has been urged to speed its conclusion and the announcement by the French government of the second quota, so it will be of some value to the growers and shippers of the Pacific Coast area.

Centenarian Says Life of Work Has Been A Pleasure

ORESHAM, March 12.—(AP)—A formula for joy—ervey? "I just couldn't help myself," chuckled Mrs. Hannah "Grandma" Johnson who celebrated her 100th birthday today.

"I have worked pretty hard all my life and I've enjoyed it." Fortunately, she hasn't known what it means to be sick.

In 1850 as a bride of sweet sixteen she crossed the plains from Missouri to Oregon on her honeymoon.

She was still hardy and spry today after outliving all but two of her nine children. As if raising nine children wasn't enough, she raised two adopted children.

"Scottish Queen" Midget Mourned

CHICAGO, March 12.—(AP)—The midget world was in mourning today for "Scottish Queen," Jennie Quigley, who died at the home of a nephew here yesterday. She was 84 years old.

Miss Quigley, who stood 41 inches high, was born in Glasgow, Scotland, in 1851. She came to the United States at the age of 13 and was given the name of the "Scottish Queen" by the late P. T. Barnum.

Deaths increased from 63,323 in 1934 to 64,008 in Texas last year, while births decreased from 121,435 in 1934 to 118,666 last year.

Luckies are less acid

Excess of Acidity of Other Popular Brands Over Lucky Strike Cigarettes

BRAND	Acidity
BALANCE	100
LUCKY STRIKE	53
BRAND B	100
BRAND C	100
BRAND D	100

PROPER AGING

Tobacco in its natural state is harsh and strong. Though "cured" by the grower before sale, it is unsuited for use without further aging. During this aging period (which ranges in the case of Lucky Strike from 1 1/2 to 3 years) important changes occur. These "Nature" changes result in the partial "smoothing out" of the original harsh qualities of the leaf. Our process of manufacture carries these improvements many steps further—as every Lucky Strike Cigarette exemplifies: A Light Smoke of rich, ripe-bodied tobacco.

LUCKIES ARE LESS ACID!

Recent chemical tests show that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

*RESULTS VERIFIED BY INDEPENDENT CHEMICAL LABORATORIES AND RESEARCH GROUPS
