Bing Crosby Film Pleases Audience Hunt's Craterian

Opening their "Parade of Hits," the Craterian theatre yesterday, with the showing of "Anything Goes," could hardly have chosen a more suitable film entertainment. The screen presentation of the musical comedy that was such a pronounced success on Broadway, "Anything Goes" abounds in tuneful songs, comic scenes and a set of parodies on the "You're the Top" hit which are riotously funny. If the stage show was anywhere near as snappy and entertaining as the film version, it is not difficult to understand why it had such a long run engagement. Bing Crosby heads the cast of favorites in a role that affords him an unrivalled opportunity to display his versatile talents in song and comedy. He sings and clowns to one's heart's content. Assisting in the general merriment are Ethel Merman, known everywhere as the Broadway rhythmic girl, Charlie Ruggles, Grace Bradley, and Ida Lupino.

All the famous Cole Porter songs which were unregrettably popular are heard in this delightful picture. He has provided a number of others which are equally as good as "You're the Top," "Anything Goes" and "I Got a Kick Out of You." Additional songs by other music makers are included. Outstanding in the lyric line are the parodies on "You're the Top," which Crosby and Miss Merman sing. Use Mail Tribune want ads.
