

LEONARD'S NEW RESTAURANT TO OPEN SATURDAY

Completely Modernized Eating Place Will Occupy Former Rex Location — Fittings Are Ultra Modern

Last minute preparations were being completed today in readiness for the opening tomorrow of Leonard's modern new restaurant under the management of Leo Denzel, formerly of Portland, Ore., where he was in business for 10 years. Leonard's was until recently, occupied by the Rex cafe and is considered one of the most desirable locations in this city. Complimentary flowers will be presented to all women guests at Leonard's Saturday.

August H. Hof, store equipment designer with the Grand Rapids Store Equipment company installed the fixtures at Leonard's. The back bar, counter and fountain are ultra modern in every respect, artistic color harmony lending a pleasing effect. Rich mahogany trimmed with natural birch is effectively used in Leonard's establishment. One of the outstanding features in the new restaurant is the low counter with its attractive chair-back stools upholstered in genuine red leather and outlined in chromium plate.

The expert chef, Frank Moore, will specialize in sea foods and steaks. Pastries and pies served in this up-to-date cafe will be baked in the remodelled kitchen which is newly equipped to give southern Oregon patrons the very best culinary ser-

vice. Mr. Moore was chef at the Oyster Loaf in Portland for three years, and was also formerly employed by the Imperial hotel and Highland Tavern in Portland.

Leonard's fountain will be under the supervision of Stanley Johnson, experienced soda fountain dispenser. All equipment in this department is of the latest design and completely constructed of stainless steel with chromium utilities. Mr. Hof said today, "This fountain is one of the most sanitary, designed to insure patrons through modern refrigeration, of the best and most satisfactory drinks for all seasons. The fountain will feature tulip sundae and special malted milk. Fresh frozen ice cream made daily in their modern freezer will also be available at Leonard's. Pecan Crunch ice cream will be featured Saturday each there will be a new special each week, according to Mr. Johnson.

Catering to all tastes, Leonard's candy department will have an unusually complete stock of high grade candy. Staling barbecued nuts from all over the world will be kept hot at all times by a modern nut machine, which toasts the nuts rather than cooking them in oil, according to Mr. Denzel.

Full Gospel To Close Revival

Revival meetings, which have been in progress for the past four weeks at the Full Gospel church on Newtown street near Main, will come to a close Sunday night, March 18. At that service, Evangelist M. D. E. Smith will speak on the subject, "The Unpardonable Sin or the Passing of Gospel Opportunity."

Last night Rev. Smith spoke on "Communism With a Shave and a Haircut." Pastor Leonard Weston reports "The message of Thursday evening constituted the most logical, consistent, and incisive declaration of communism. I have ever heard. I wish to personally urge all who possibly can to attend with a closely related subject: 'The Scarlet Woman of Revelation.'"

HIGH SCHOOL ROTC COURSE DISCUSSED 100 BOYS SIGN UP

The feasibility of establishing a reserve officers' training course in the senior high school was discussed yesterday by Major Rowdous Back, ROTC instructor at the University of Oregon and Supt. E. H. Hedrick of the Medford public schools.

A petition, signed by 100 high school boys, was presented to Hedrick early in the week, asking that ROTC be established in the school. It is necessary that 100 sign for the course, and Hedrick asked the students to consider the action well before signing to take the training, pointing out that unless a standing group of at least 100 was to be had at all times, it would be foolish to apply for the corps here.

He promised aid in obtaining an ROTC unit in the Medford school if enough interest was manifested, however. The course would come as a regular school subject, counting for one credit for three hours' drill each semester. The government would furnish all the equipment and appoint an instructor at government expense.

Included in ROTC work in high schools is physical education, military and scientific tactics, instruction in first aid, drill and target practice, Hedrick said.

Major Back addressed the boys of the high school yesterday afternoon, pointing out the military policy of the country. He admitted that he was not familiar with the high school ROTC curriculum, but advised students to get in touch with the Ninth Corps area headquarters at the Presidio in San Francisco for details. He was in the city in connection with the inspection of national guard equipment.

If enough interest is evinced in the work, after the students have given the matter mature consideration and conferred with their parents, then every effort will be bent toward the establishment of a company here, Hedrick said. Only students in the 10th, 11th and 12th grades are eligible for ROTC training, which is selective and in no way compulsory.

New 1936 Crosley Refrigerators Have Many Improvements

The new 1936 Crosley Shelvador electric refrigerators with many new outstanding features, were placed on display at Pick's Hardware today. Fred Pick and Glen Guseck, local Crosley representative, recently returned from Portland where they attended a meeting of 300 enthusiastic Crosley dealers. While there Mr. Pick received his part of the trainload of new Crosley refrigerators which had just arrived in Portland.

One of the many new features of the 1936 Crosley is the new hermetic unit, which is exceedingly economical for it requires very low wattage to operate. The unit insures exceptional efficiency, long life and quiet vibrationless operation. Mr. Pick expects to have a unit with a glass case to show the moving parts bathed in oil, on display soon.

Another very important new feature of the Crosley refrigerator is the quick action tray release.

Mr. Pick says: "It is a real convenience in quickly releasing the ice trays and banishes the mess and trouble ordinarily experienced with sticking ice trays. Just a twist of the wrist and the ice trays are broken loose."

With the exclusive Crosley Shelvador the usable capacity of the refrigerator is greatly increased, according to Mr. Pick. The Shelvador saves time, space, effort and current.

Mr. Guseck says: "There are 20 many new features on the 1936 Crosley."

MRS. IDA SMITH FUNERAL TODAY

Funeral services for Mrs. Ida Smith, who died in Ashland Wednesday after a brief illness, were held from the Baptist church in that city today, with Rev. C. E. Dunham in charge. Mrs. Smith died at the home of her daughter, Mrs. Mary Graham. Ida Newton was born August 29, 1846, near Perryville, Ohio. Her youth was spent in Ohio and Illinois. Her marriage to Robert F. Smith was celebrated at Stuart, Iowa, in 1874, and there they made their home. Three children were born to the union there, Lavina, now Mrs. O. F. Garbin; Mary, now Mrs. Graham, and Verner Smith, now a merchant in Ashland.

She came to Ashland in 1909, and had lived there continuously since, with the exception of five years (1911-1918) spent at Palo Alto, Calif. A devout church member all her life, she took an active interest in the affairs of the Baptist church. She was a member of the Women's Relief Corps and of the W. C. T. U.

She is survived, besides those already mentioned, by three brothers, eight grandchildren and two great-grandchildren.

ADVANCE GUARD OF SALMON SEEN

Vague but promising reports that salmon are again making their way up the Rogue river, and having been seen at Savage Rapids dam and hooked at the Hilton place below Grants Pass have caused a revival of interest in fishing in this district. The waters of the Rogue, while having receded greatly from the high mark of several weeks ago, are still boiling with mud, and fishing is difficult.

With the first signs of the spring run, it is expected that the advance guard of the big fish will be in this district before the end of next week, and anglers are whipping their rods in the back yards, and again sorting over the miscellany in their tackle boxes.

Salmon taken this early in the spring are said to be the best of the year, and the first catch is looked forward to with vast interest. Already a large steelhead has been taken in the Umpqua. V. K. O'Byrne, well known in Medford, having reported the taking of a 12½ pounder yesterday.

Steelhead are classed as trout in Rogue river, with the season closed until April 3.

WILLIAM HEFFNER CALLED BY DEATH

William Perry Heffner, 74, died at his home, 834 West Pennsylvania avenue, Thursday evening, from heart trouble. He was born near Quincy, Ill., December 1, 1861, and had been a resident of Medford for the past 25 years. He leaves his wife, Ross, and two daughters, Mrs. Sadie Perdue, Oakland, Cal., and Mrs. Rosamond Zimmerman, and one son, William A. Heffner of Medford; eight grandchildren and three great-grandchildren, three sisters and one brother, John Heffner, Corning, Cal.; Mrs. Sarah E. Turnham and Mrs. Clara Gorsline of Portland, Ore., and Mrs. Ida Noah, Bureka, Cal.

Mr. Heffner came with his parents to Oregon 21 years ago. He was a member of the Baptist church.

Funeral services will be held at the Per Funeral Home, Sunday at 2 p. m. Rev. W. A. Dawes officiating. Interment in Medford I. O. O. F. cemetery.

MEDFORD BOWLERS TO EUREKA NEXT SUNDAY

Two Medford bowling teams, representing the Medford Concrete Construction company and the Eads Transfer company, will uphold the honor of Medford in a bowling tournament to be conducted in Eureka, Cal., Sunday. Teams from Eureka, San Francisco and Salinas, Cal., will also be represented.

Tonight a practice game will be held between the two squads.

The Eads team will be made up of

Dedicate Services To Young People

Tonight will be "Young People's Night" at the Christian church revival. Evangelist Benjamin B. Baird will speak on "The Game of Life." The young people's choir, directed by Miss Eleanor Curry, will sing. D. E. Millard will lead the congregational singing and furnish special musical numbers.

Following the church service there will be a social hour for the young people. About 75 young people attended the services a week ago tonight and it is hoped that a large crowd will be present tonight. Evangelist Baird is an outstanding speaker and will have a fine message to-night. Services begin at 7:30.

MRS. O. FEIGUM, UNIQUE CORRESPONDENT, PASSES

SWEET HOME, Ore., March 12.—(AP)—Death overtook Mrs. O. M. Feigum on her 54th birthday. She was ill for several weeks. Mrs. Feigum achieved national recognition for her unique correspondence to newspapers, principally the Oregonian. Her writings were of the conversational type, filled with all manner of small town incidents.

BIBLE CLASS TO HEAR EVANGELIST SUNDAY

Evangelist Benjamin B. Baird of Nebraska, who is conducting an evangelistic campaign at the First

Christian church, will be the speaker Sunday morning at the Everyman's Bible class. The class meets in the court house auditorium every Sunday morning at 9:45.

Evangelist Baird is an outstanding speaker and it is hoped that a large number of men will hear him Sunday morning.

Phone 842. We'll haul away your refuse. City Sanitary Service.

BEND, Ore., March 13.—(AP) Ralph D. Miles, 55, office manager of the Shelton-Hixon Lumber Co., died this week.
