**SAMS VALLEY, March 13.—(Sp.)**—The Sams Valley basketball team returned from the southern Oregon tournament Saturday night, bringing home a trophy won in second consolation. The team has held up the reputation of Jackson County for the past two years, having been for that period the only team in the county to take home a trophy. Lloyd Dusenberry had the honor of being one of the all-star forwards of the tournament. Last year the boys came home as second place champions. Prof. E. W. Empey, coach of the team, was well satisfied with the progress made by the boys in this tournament, where, according to the opinion of many, some of the best teams that ever met at this tournament were playing.

The Eagle Point Townsend club met in the Grange hall Monday evening, with a small crowd in attendance, due to so much sickness in the community. After the regular business meeting, some of the members were called on to give their reasons for joining the Townsend ranks. Mrs. Cal Spencer's reason was well stated and met with the hearty approval of the audience. Her main reason was given as being that the Townsend enactment would stimulate buying power and would give encouragement and employment to millions of unemployed youth, as well as security and peace to the millions of the age of 60 and over. The next meeting of the club will be held March 23. This club is also sponsoring a dance at Antioch, Saturday night. Everyone is welcome.

A farewell party and dinner was held in the Grange hall last Sunday evening, in honor of Mrs. Alex Fraser and two sons, Charles and Alex, former residents of Eagle Point who are leaving next Sunday for New York City to live, and where Alex will complete his studies in photography. Mrs. Fraser received many beautiful handkerchiefs, while the boys each received a handsome brush set in token of the high esteem in which they are held in the community. Mr. Fraser, Sr., is working on a building contract in Salem at present, which will take between six and eight months to complete, when he will leave to join his family. Mr. Fraser and the boys expect to take a month on the road, going south and east through Arizona and visiting points of interest along the way. Their many friends here will miss them and sincere good wishes go with them for their happiness and good luck, hoping they will return to the Rogue River valley some time in the near future.

## Boy, I'm glad THAT'S OVER

No fooling, I was disgusted. Even grumbling at the breakfast table. And when you begin the day wrong . . . well, you know how everything seems to go haywire. My wife wasn't satisfied with the coffee either. I'll bet Ann used a dozen different brands in trying to find a coffee that would suit both of us. Then we discovered Hills Bros! Or rather, Ann did.

I came down to breakfast one morning and there it was. Boy! I was tickled. And when Ann told me it was Hills Bros. Coffee, I told her to go ahead and pay the difference. "The joke's on you," Ann said, "because there's hardly any difference. Hills Bros. costs almost the same as the coffees we've been experimenting with. And when you figure the cost-per-cup, and the extra flavor and richness, Hills Bros. is really a bargain!"

## THIS NATURAL FOOD GENTLY REGULATES YOUR SYSTEM

Furnishes Needed "Bulk" for Regular Habits

Your doctor will tell you that keeping healthy depends far more on proper diet than on drugs, that common constipation is usually due to insufficient "bulk" in meals, and that patent medicines give you only temporary relief.

Kellogg's All-Bran supplies gently acting "bulk" which corrects the cause of common constipation. This "bulk" takes up moisture, forming a soft mass which helps to cleanse the system.

All-Bran gives your body the regular internal exercise it needs to prevent sluggishness. All-Bran also furnishes vitamins B and iron.

Studies on normal men and women have shown that this delicious cereal is perfectly satisfactory. Serve All-Bran regularly for regularity, with milk or cream—or use in cooking.

Two tablespoons daily are usually sufficient. Consult your doctor if you do not gain relief this way. All-Bran is much more effective than part-bran products. Get All-Bran at your grocer's. Made by Kellogg in Battle Creek.
