First-round pairings for the state meet are as follows: Myrtle Creek vs. Mill City. Umpqua vs. Beilfountain. Astoria vs. Benson. Corvallis vs. Astoria. Franklin vs. Roseburg. Salem vs. Tillamook. La Grande vs. Oregon City. Bend vs. Milton-Freewater.

## FAST TIME MADE BY HI ATHLETES IN TRACK TESTS

Past times, considering the condition of the field, were turned in at the time trial track events at the senior high school Friday afternoon when over fifty students turned out for the various events.

The most remarkable time of the day was turned in by Ray Lewis, football and basketball star, when he ran the 150 yards over a rocky course, in 18.5 seconds. Jim Linnell, a transfer from California, was only inches behind Lewis in the event, with Ray Crosby finishing a close third.

Lewis also took the 75-yard dash, in 8.6 seconds, with Linnell crowding him closely in this event. Jack Bowman grabbed third place. In the 300-yard race, cut down from 440 because of the condition of the course, Don Wright took first in 38.5, with Bob Tringer close behind and Chris Barker taking third place.

The 500-yard race, substituted for the half-mile distance, was taken by Ray Erickson in 1:16.4. Harold Evans, who took second place, battled hard down the home stretch, but was unable to overtake Erickson. Sam Richardson took third place. Earlier in the day, running against time, Irwin Doty ran the distance in a fast 1:12 flat, considerably shorter time than the regular race.

Ardo Stocks, another football player, took the 100-yard run in 2:53.5, crossing the finishing line 10 yards ahead of Phil Todd, who took second. Tom Davidson was third.

In the first heat over the 60-yard low hurdles, Bowman took first in 8.4, with Evans and Don Horner finishing in that order. In the second heat, Bill Goodwin took the first in shortest time, finishing in 8.7, with Martin Luther and Jim Henry finishing second and third.

Cocher Bowman was pleased with the early season showing, particularly with the fast time turned in by Lewis, and the promise shown by Bowman in the low hurdles. Bowman ran his first hurdles early last week and has shown aptitude for the obstacle race.

The only field event was the 12-pound shotgun, taken by Allen Bussey with a heave of 36 feet, 4 inches. Erickson and Hubert Sauto took second and third in the event.

## DISTRICT HONORS FOR CCC QUINTS TO CHINA FLATS

Co. 1627, Camp China Flats, eked out a 26-to-23 victory Saturday over Headquarters Detachment in the high school gym to clinch the Medford district CCC basketball championship in 15 years tonight with a 46 to 39 victory over University of Washington.

Playing careful ball throughout, the Indians nursed a small lead captured early in the game and coasted to an easy 10-point advantage by the final gun. Stanford led 22 to 18 at half time.

Stanford's victory tonight was the second and last of the playoff games between the winners of the northern and southern divisions of the conference. The Indians had little trouble last night, winning 60 to 39, when Angelo "Hank" Luisetti, star forward, collected 32 points in 33 minutes.

The fishing season will close October 31.

There are 100 cities of 100,000 population or more in the United States and Canada.

## Wagner Crk. Five Set Mark for Low Scores

With 10 wins out of a season of 11 games played, the Wagner creek grade school claims the unqualified record for low score wins in Oregon. In taking the ten games, Wagner Creek ran up only 99 points, an average of a little less than 10 markers per conflict.

Only 55 points were scored against them all season, and the only game they lost (to Phoenix), they lost by one point. Phoenix won, 7-6. Along with the rest of their unusual record, Wagner Creek claims the distinction of being the only team in recent years to completely whitewash an opponent, when they took Jacksonville 11-0.

## STANFORD ROUTS HUSKIES, 48 TO 38 FOR COAST TITLE

Chances are even that Al Karasick, former ballet dancer and one of the sturdiest wrestlers in the country, will be able to survive the bull-like batterings of Ken Hollis in their main event appearance at the Armory tomorrow night. Hollis, one of the toughest wrestlers ever to appear in Medford, has ruled strictly on rough wrestling to date, never missing an opportunity to gouge eyes, pull hair, kick or bite.

Karasick, with the guile born of long experience in the ring, has always feigned injury before such an attack, coming from his seeming progressiveness at just the right time to catch his opponent with his guard down, and flatten his man with a counter attack of brutality. He has indicated that he will probably not have to depend on his "poison act" tomorrow night, but will adopt the policy that "the who always first strikes best," and start to work on the Ozark Oak at the going.

The middle main event pitting Duke Chick and the recently arrived Stanley Rogers of Austin, Texas, promises to be a classic of clean, scientific wrestling. Rogers has failed to produce any dirty work in his two matches here, frequently being the victim of such treatment, however. Chick has seldom found it necessary to resort to the rough house tactics himself, and has promised that if he can't beat Rogers with his airplane spin, his flying shoulder butte or his airplane scissors, he won't beat him at all.

The opener finds Mike Caddock, Honolulu fiend, matched against Dr. Barney Cosneck, University of Illinois graduate who boasts a doctor of philosophy degree from that school. Caddock, who was mobbed 10 times in one month while using his underhanded tricks in Alabama, has a sort of aloof method of administering his mayhem, gouging an opponent's eyes while gapping at someone up in the gallery.

Cosneck, who has the reputation of being a fast, clever and aggressive worker, has promised to draw upon his fund of university knowledge and teach the tough one a few tricks of his own.

The opening bout is scheduled for 8:30, the first two bouts to be run off under the Australian system of six 10-minute rounds.

## JOHN HENRY WINS FROM M'AVOYEASY

NEW YORK, March 14.—(AP) John Henry Lewis, a long, brown fellow with lightning in his arms, has thrown a pall over the fistie hopes of old England.

In 15 bruising rounds last night, Lewis belted out a clean-cut decision over Jock McAvoy, middle and light heavyweight champion of Great Britain.

Possessing a sharp wallop that has laid two American fighters low in early rounds, McAvoy had been an even-money bet to lift the light-heavyweight diadem from Lewis' brow. He met a clever boxer, however, and a more durable one, who fed him a continuous stream of leather that cut his nose and ear and for the most part kept him from balancing for a telling shot. Lewis, at 173½, was four pounds heavier than the Briton.

Sons Beat Chiloquin. KLAMATH FALLS, March 14.—(AP)—The Southern Oregon Normal school of Ashland scored a 53 to 45 victory over the Chiloquin lumbermen at Chiloquin last night.

## LEGION TO HONOR BIRTH TUESDAY

Today is the 17th anniversary of the founding of the American Legion. The event will be celebrated throughout the world wherever an American Legion post exists.

Because the anniversary falls this year on Sunday, national headquarters decreed that the birthday should be observed Tuesday, St. Patrick's day.

Medford Post 15 and its auxiliary will celebrate the event Tuesday night in Knights of Pythias hall at Fifth and Grape streets. Members of the Ashland post and auxiliary will join their Medford colleagues in their celebration.

The celebration will start with a covered dish supper at 1 p. m. A short meeting will follow, during which an address on the formation and development of the organization will be given by Ben F. Dorris, prominent in Eugene and national American Legion circles.

The Medford Gleemen will provide entertainment, with Legionnaire Victor A. Tengwald presiding at the piano. A dance, with Dickey's Ashland orchestra supplying the music, will complete the birthday program.

All members of the Legion and auxiliary were urged yesterday by Cole Holmes, post commander, to attend. He issued an invitation to all former members and visiting Legionnaires.

Because of the business season to be held Tuesday, the regular meeting scheduled for March 24 will be omitted, Mr. Holmes said.

## BRIEF VISIT BY ROAD BOARD SEEN

The Oregon state highway commission, on a tour of inspection, will pass through Medford Wednesday but whether the group will stop here depends upon the time of arrival, Judge F. L. Touville, commissioner, told the Mail Tribune last night.

If the commissioners arrive here about noon they will probably remain for lunch; otherwise they will continue to Ashland, Judge Touville said.

Judge Touville will join the commission Tuesday night in Marshfield. The inspection itinerary includes coast cities, Grants Pass, Medford, Ashland, Klamath Falls, Lakeview, Burns and The Dalles. Engineers will accompany the commissioners.

## SENIORS SELECT 'THE NUT FARM'

John C. Brownell's "The Nut Farm," three-act farce which had a run of several weeks at the Biltmore theatre in New York a few years ago, has been selected for the 1936 high school class play.

Try-outs will be conducted at the school Monday and Tuesday afternoons at three-thirty, and will be judged by Kenneth Scott Woods, who will direct the play, Miss Doris Baier, Miss Alice Spurgeon and Leland Mentzer.

The cast includes six men and four women. Rehearsals will start Wednesday. Date of presentation, which will be during the latter part of April, has not been definitely announced as yet. Production will be made through arrangements with Samuel French and Co.

## HOOVER ASSAILED BY HOPKINS AS NEW DEAL LAUDED

NEW YORK, March 14.—(AP)—Declaiming that new deal work relief is being assailed "maliciously for political and selfish personal reasons," Harry L. Hopkins entered a two-fold defense today.

In a speech delivered at a meeting of the United Neighborhood Houses and broadcast nationally, Hopkins assailed the Hoover administration.

"The record of the previous administration," he said, "is characterized by failure to provide food and shelter for destitute citizens, the failure to provide work for the millions of unemployed, the failure to take one substantial step to allay the fears and misgivings of a nation."

Turning to the policies of the Roosevelt administration, he said: "First of all, the hungry have been fed, clothed and housed. That's the first consideration always. But in addition to that we have thousands of miles of new and improved highways and farm-to-market roads; thousands of new and improved schools; thousands of miles of sewer and water and electric lines; thousands of acres of parks, playgrounds, and recreation fields; and new airports by the hundreds."

"Scientific research has been encouraged; tax and municipal surveys made; vast projects in the interest of public health concluded; the making of books in braille for the blind, and music and art and drama projects for the enrichment of our cultural life have been undertaken."

## NORMAL SPONSORS SECONDARY MEET

The annual secondary school track meet for the championship of Jackson county will again be sponsored by the Southern Oregon Normal school, it was announced yesterday by Coach Jean Eberhart of the SONS, who spent the day conferring with secondary school principals.

Principals Avard Whitman of Phoenix and Clarence Davies of Eagle Point will serve with Principal McGuire of Gold Hill high school on the committee making arrangements for the meet, which will be held on the SONS field in Ashland on May 9.

The SONS track, which circles the normal school football field, is being leveled and rebuilt, and is expected to afford fast footing for the meet, Eberhart stated. There will be no intercollegiate track events for the SONS this year, although there may be intra-mural events, the coach said.

## EAGLES WILL SEE SCENIC MOVIES

A program of southern Oregon scenic motion pictures will be presented for the entertainment of the Fraternal Order of Eagles at its West Main street hall next Friday night by H. O. Kern, sales manager of the California Oregon Power company. The program was arranged by John Hyde, chairman of the lodge's entertainment committee.

The pictures will be shown after the regular business meeting of the lodge. Members of the order and its auxiliary and their families are invited. There will be no charge.

The pictures, done in color and natural sound effects, show outstanding scenes of southern Oregon and northern California.

On the following Friday, March 27, a social dance will be held after the business meeting, with the Jacksonville orchestra furnishing the music.

When club women visited a house in Victoria county in search of relics for the Texas Centennial exposition, they found \$300 hidden in an old organ.
