

### OPERETTA FRIDAY AT C. P. SCHOOL

CENTRAL POINT, March 26.—(Sp.)—The operetta "Land of Dreams Come True" will be given by the grade school children of the Central Point school Friday evening at the school auditorium, under direction of the music supervisor, Miss Ruth Schreiber.

Over seventy-five children will appear in the colorful production with costumed choruses and piasas, daisies, bluebells, roses, and playmates. Leading parts will be taken by Iris Hall, as Mother Goose; June Furry, Old Woman; Bo-Peep, Meryllene Gebhard; Jack Horner, John Ross; Queen of Hearts, Helen Young; Blue Boy, Melvin Kelley; Son John, Edgar Ross; Jack, Vernon Stevens; Jill, Mary Lou Williamson; Contrary Mary, Ruth Kelsur; Nimble Jack, Donald Thumler; four children on a holiday, Betty, Vivienne Ross, Arnold Hood; Peggy, Marjorie Pierce; Paul, Keith Copinger.

An interesting feature of the program will be numbers between acts by the primary rhythm orchestra. This orchestra will play instruments of their own construction, which will be made in cases which they have made, and will be directed by one of their own members. Their numbers have been prepared under direction of Miss Marjorie Gregory, second grade teacher.

Other enjoyable numbers will be presented by the school orchestra directed by R. A. Botta.

### EAGLE PT. SCHOOL OPERETTA FRIDAY

EAGLE POINT, March 26.—(Sp.)—At eight o'clock Friday evening, Eagle Point and surrounding districts will have an opportunity to enjoy an evening of music, poetry and childhood fantasy when an operetta in three acts, "Land of Dreams Come True," by Campbell, will be presented by the Eagle Point grade school, under the direction of Miss Wilda Darnelle.

Adults and children alike will enjoy the fanciful dreams of four "earth" children as they are carried in dreams, induced by magic berries, to Mother Goose Land, where all the age-old characters such as Mother Goose, the Old Woman, Contrary Mary and others reside. Choruses of roses, blue-bells, daisies and piasas form a background both beautiful and picturesque. Those who have the good fortune to see the operetta are expected to agree with the "earth" children that dreams really do come true.

### OREGON IMPROVES GAIN IN BUSINESS

Oregon was one of only two states in the entire country in which business conditions were better in February than in January, it is disclosed in a comparative map published in the current issue of the United States News.

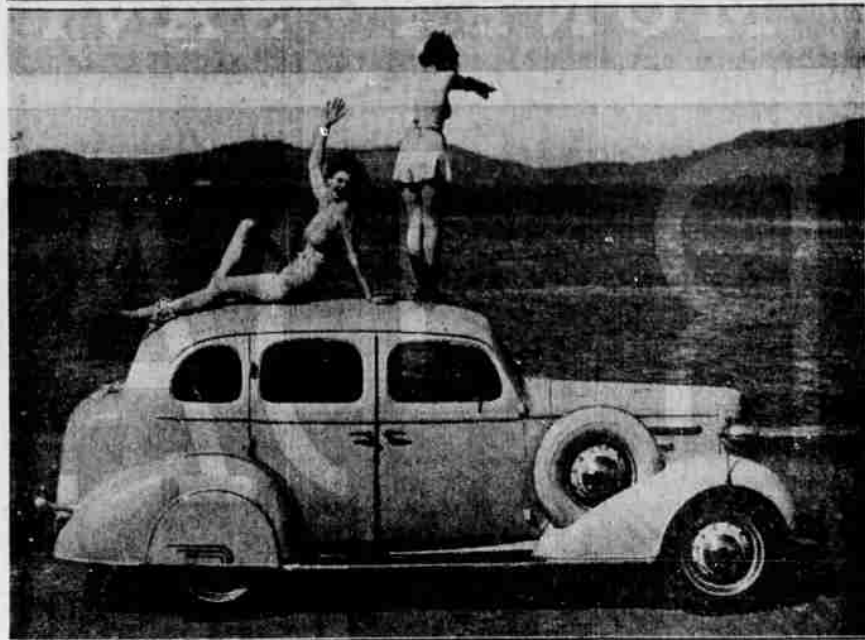

New York was the only other state that showed improvement. Wisconsin remained unchanged while all the other states were behind their January records.

The general downward trend was attributed to the severe weather that prevailed in most parts of the country in February. While the exceptionally cold weather helped a few industries it hampered commercial activity in general, the journal stated.

### TURRET TOP CHEVROLET PROVIDES TAILOR-MADE SUN DECK

These comely young exponents of western pulchritude and charm, Betty Hind, right, winner of the title of "Miss California" in a recent personality contest, and Audrey Olson, use the turret top of their 1936 Chevrolet Master De Luxe Sport Sedan as a sun deck and play platform. They are shown here garbed in the 1936 model rubber swim suits, illustrating their ideas about the supplementary uses of an all-steel one-piece top such as built into the Chevrolet Body by Fisher.

### OREGON STUDENTS SLOW IN PURCHASING TICKETS

EUGENE, Ore., March 26.—(AP)—A survey showing only a third of the 2250 spring term students at the University of Oregon had purchased student body membership tickets brought a comment from James Blain, president of the Associated Students, that "it will be necessary to curtail many of the activities sponsored by students if more cards are not purchased."
