

The yarn was probably invented by Borah's opponents to shake Republican confidence in him, but a lot of well informed persons expect it to come true.

Republican authorities have become somewhat more disturbed about the Borah candidacy during the last few days.

The resignation of Robert Clements as secretary and treasurer of the Townsend organization is supposed to have been a maneuver in anticipation of house evidence.

Strategists of both political parties are quietly getting ready to make the other side during the campaign.

Personal interests involved in the chain store fight are disclosed by the fact that the Robinson-Patman bill was written by H. B. Tregarten, counsel of the U. S. Wholesale Grocers' association, and the Borah-Van Nuys bill by the retailers.

## Report Shows Work Done By Neighbors In Charity Projects

A survey made by Royal Neighbors of America from its supreme office in Rock Island, Ill. shows that camps of the fraternal benefit society provided fraternal aid and carried on charitable work valued at \$193,614.51 in 1932, 1933 and 1934, according to a report received by Mangery Pearson, recorder of Camp No. 4713, Royal Neighbors of America, of Medford.

The survey also reveals the camps did thousands and thousands of dollars worth of good with activities and instances of helpfulness on which no monetary value was placed.

Camps located in 40 states participated in the survey, their reports showing members and non-members shared in the humanitarian efforts.

The survey was in charge of Miss Erna M. Barthel of Rock Island, Ill., supreme recorder of Royal Neighbors of America, who commented as follows: "This commendable record stands as a tribute to the membership of the society. It reflects the fraternal spirit that prevails among our members and should be a source of great pride to all Royal Neighbors."

In the 41-year history of Royal Neighbors of America the society and its camps have provided fraternal aid in times of adversity, accident, illness and public disasters amounting to more than a million dollars.
