

TOWNSEND 'TAKE' CLOSE TO MILLION SINCE INCEPTION

(Continued from Page One)

statement from the Townsend Weekly which showed total receipts for the first nine months of 1935 of \$639,808.

Adjourn To Wednesday
After the morning session the investigation adjourned until next Wednesday to enable Clements to produce financial records demanded by the committee.

Before adjournment, Clements said his \$12,585 income was recorded in his income tax returns. The witness denied he received funds from other sources, and in reply to a question said he had no funds in any safety deposit box.

He said information as to the total of expense money he received was being compiled but was not ready. Sullivan asked if this money was "velvet." The witness said he did not deal in such terms.

Clements said the apartment occupied by himself and Dr. Townsend was paid for by the Old Age Revolving Pension, Ltd. This included maid hire and some other incidentals.

Travel Expenses Paid
All traveling expenses, the witness said, also were paid by the organization.

The salary of Mrs. Clements from the organization was given by him as \$1,475. He said it was the total received by his wife.

The apartment rent, Clements said was \$130 a month. The first apartment which Townsend and Clements occupied had a rental of \$215 a month.

Sullivan submitted a report made to the Townsend national convention last year which showed Dr. Townsend received \$7,532.75 and Clements \$2,817.22 in salary from January 1, 1934, to September 30, 1935.

Sarcasm Develops
The counsel became sarcastic as he read scores of items on an extensive expense account of Clements. The witness, too, was sharp in his comments.

The total of this account was \$836.19. It covered a period of August 2, to August 27, 1935.

Clements made his estimate after telling James R. Sullivan, committee counsel, he could not give definite figures without checking bank accounts in state areas and regional headquarters.

There were only a score, or more, of spectators in the committee room when the hearing opened as contrasted with the large crowd at yesterday's initial session.

A chart submitted by Clements showed a cash total of \$668,000 for the last three months of 1935. But he explained it was not all receipts and that some of the total represented credits, disbursements, and other transactions and was "not a fair picture" of revenue for the period.

Told To Bring Records
Representative Hoffman (R., Mich.), committee member, suggested adjournment until Clements could provide the financial records requested.

"You were told to bring these records," Sullivan told Clements.

"I beg your pardon," Clements replied. "It was not told to bring records of that nature."

"If you read your subpoena you would see all financial records were requested," Sullivan said.

Clements then went into an explanation of Townsend financial practices which the committee indicated was not entirely clear.

Eagle Point

EAGLE POINT, March 27.—(Sp.)—Mrs. Margaret Elliott and son Charles of Medford spent Monday as guests of Mr. and Hattie Howlett. Mother Howlett is on the sick list with a very bad cold at present.

Mrs. Wm. Brown and Mrs. Walter Young and son are also ill with bad colds at present. Their friends are hoping for a speedy recovery for them all.

Mrs. Myrtle Robinson moved her household belongings from the Wes Childreth home to Medford by truck last Monday.

Mrs. H. Hinshaw of the Reese creek district visited with her daughter, Lois Pearce, at Eagle Point last Monday.

Roy Ashpole has returned home from the Community hospital in Medford and his friends will be glad to learn that he is much improved in health at this time.

This community was saddened by the death last week of one of its oldest and most beloved citizens, Mrs.

Sophie Childreth, wife of Wes Childreth. She had lived most of her life here, and held a warm place in the hearts of all those who knew her.

She was of a sunny-loving disposition and a tireless worker in Grange, lodge, church and civic affairs, and will be greatly missed by all those, as well as by the bereaved family.

The George Putman family have also been on the sick list with severe colds for the past week, but are now improving.

The Townsend club meeting drew a large crowd last Tuesday evening, and everyone felt well repaid for going, as C. A. Roberson, speaker of Portland, gave one of the best lectures ever heard by anyone, and won much applause. He is well versed, having a dynamic and congenial personality, and we are looking forward to hearing him again when he returns some time in April. The club is sponsoring a dance at Beagle Saturday night. Everyone is invited.

Mr. and Mrs. Cal Spencer and Mr. and Mrs. Wm. Perry were callers on Mr. and Mrs. Orville Henderson Wednesday evening.

Table Rock

TABLE ROCK, March 27.—(Sp.)—The heaviest snowing of the season took place here Wednesday night commencing about 10 o'clock.

C. C. Hoover and son Claude were here Tuesday, looking for fat cattle. Ray W. Gill, master of the Oregon State Grange, was a dinner guest Saturday evening at the home of Mr. and Mrs. R. E. Nealon. Later in the evening he attended a meeting of the Sams Valley Grange.

A truckload of fat steers from the J. L. Nealon place was taken into Medford Tuesday for the Gates & Lydard markets.

We are informed that the total registration of pupils in both rooms of the Table Rock school at the present time is 26, the smallest in many years, and a decline during the past five years of nearly 40 percent.

"Neighbors," a comedy-drama in the preparation stage for the past few weeks by a troupe of local people, will be put on tonight at the regular meeting of the Table Rock Community club. The characters and those taking them follow: "Mrs. Abel," Mrs. O. L. Davis; "Grandma," Mrs. J. L. Nealon; "Peter," Bob Sage; "Inez," Roberta Hamlin; "Carry Ellsworth," Mrs. Weedon; "Ezra," Lloyd Hamlin; "Mrs. Trot," Mrs. Mel Atkins; "Mrs. Elmira Moran," Mrs. Lloyd Hamlin.

Every watch repaired here is given the micrometer test. Jno. W. Johnson

'Lightning Part' Latest Style for Women's Hair

NEW YORK, March 27.—(AP)—A "lightning part" that big bags up one's head was acclaimed today as a clever new way for women to dress their hair.

"It's beautiful," said beauty shop owners who saw the "lightning part" introduced last night at their international convention. Among 30 advance summer modes of hairdresses was purple-tinted hair studded with real violets.

One parting was diagonal, ending behind the right ear. Then there was the double part—parallel lines going straight back, or little crescents front and back.

A new trick for brunettes was the "star-dust" coiffure, sprinkled with silver flakes.

The beauticians also liked a silver and gold lacquered hairdress for evening, a gold spun "transformation" and a head with the curls laid like a series of rose petals.

Tinted hair—green, blue and orchid—is still good for "exotic types," said the hairdressers, and the "senorita type" of woman should wear long hair.

For everyone else—bobbed hair, worn flatter, and a bit less curly. Blondes, the stylists agreed, "are not going over so big."

Salem's Finances In Better Shape

SALEM, March 27.—(AP)—The city of Salem will go on a cash basis today for the first time since September, 1930, the city treasurer announced.

The treasurer stated that after handling a \$19,000 final warrant call today he would still have enough funds to meet the \$9,000 monthly payroll next week.

The city's warrant debt reached a peak of \$212,175 in April, 1935. As late as last March warrants outstanding totaled \$207,000.

Sheriff Blamed In Logger Riot

ASTORIA, Ore., March 27.—(AP)—A grand jury report on the fatal labor clash at Seaside March 7 laid a portion of the blame on Sheriff J. V. Burns.

The report said "Had he (the sheriff) acted by being present at the Crown-Willamette camp with additional help when he was notified that this raid was to take place, we believe the attack upon the Crown-Willamette camp could have been averted." The jury also recommended additional state police be stationed in the area.
