

NAZARENE CHURCH WILL CELEBRATE 14TH YEAR HERE

Medford Church of the Nazarene will celebrate Sunday, at the 11 o'clock morning hour, the fourteenth anniversary of its organization.

From the time of its founding the organization has made a steady growth. During the past 21 months the church has received into membership something over 80 new communicants.

Expansion of the church numerically has made it necessary to provide larger quarters. At present a new church project is under construction at the corner of Holly and First streets, opposite the Junior high school. There will be two auditoriums on the first floor, both of which may be thrown together, with a main auditorium seating approximately 300, and the Sunday school and young people's unit seating approximately the same number.

There will be a second story over the Sunday school and young people's unit which will house the Junior and Intermediate departments. When the plant is completed there will be 20 Sunday school rooms, with separate departments for assemblies.

Mr. Weatherford, pastor-evangelist, will be heard at the anniversary service, speaking from the topic "A Challenge to the Sacrificial Promises of the Church." Evangelist R. E. Griffith, who recently concluded a successful campaign in Salt Lake City, will be the speaker at the 7:30 service Sunday evening.

MEXICO PROBING PLANE TRAGEDY

(Copyright, 1936, by Associated Press.) MEXICO CITY, March 27.—The worst aviation disaster in the history of Mexico—bringing death to 14 persons, amid lofty volcanic peaks, was being investigated by authorities today.

Six women and eight men were killed when a specially chartered plane crashed yesterday between the snow-capped summits of Popocatepetl and Ixtaccuahuatl, 30 miles from Mexico City.

In life, the victims had ranged in rank from European aristocracy to a Costa Rican stevedore. But authorities said such bodies as were too badly crushed and burned to permit identification would be cremated in a single incinerator.

The plane smashed to the ground and was burned near Amecameca.

TAX COLLECTIONS BETTER THIS YEAR

A summary of current tax collections for the years 1934, 1935 and 1936 shows collections for this year to date have gained 5 percent over last year and 10 percent over 1934, according to figures compiled by the tax collection department of the sheriff's office. In the three years more people paid taxes.

Current tax collections up to last Wednesday totaled \$471,056.25, or approximately 56 percent of the total of \$1,387,889.60 to be collected.

1935 current tax collections, up to April 5, 1935, totaled \$420,916.06 or approximately 31 percent of the total of \$1,385,793.87.

In 1934, for a corresponding period, the collections amounted to \$308,386.90, or approximately 26 percent of the total to be collected amounting to \$1,198,821.59.

Tax receipts issued to date total \$310, in 1935 same period, 5,780, and in 1934, 5,511.

known each other several years. Morrow said the prisoner did not seem disturbed over the verdict.

Stringer was convicted of killing Caples in a holdup on March 10, 1934. In a confession he implicated Ralph Fremaine, who has not been captured. Stringer was arrested at Medford, Ore., for burglary and police later discovered that a revolver taken from him was the weapon with which Caples was slain.

After his parole from the Oregon prison, Stringer was brought here for trial. He offered no defense and sentence will not be passed until a motion for a new trial is argued, probably next week. If the motion is denied an appeal is not expected because Stringer is penniless.

HOFFMAN VOICES FRESH CRITICISM OF BRUNO TRIAL

(Continued from Page One)

Further developments and the attorney general agreed to the move. "I don't feel that I will go out that door," Kimberling said Hauptmann replied, pointing to the door leading to the death house. "I feel something is going to happen."

Kimberling said Hauptmann "sounded very cheerful and showed no signs of weakness."

"There was one report today that Hauptmann had given the governor a signed statement that he 'bought' the Lindbergh ransom money from his furrier partner, the late Isidor Fisch. Hauptmann has always contended the \$14,000 found in his possession was 'given' him by Fisch when he went to Germany."

Kimberling doubted the report, saying such a statement would have gone through his hands. "Hauptmann hasn't changed his story in any details," Kimberling said.

WASHINGTON, March 27.—(AP)—A "personal belief" that Governor Harold G. Hoffman will not grant Bruno Richard Hauptmann a further reprieve was expressed today by Arch W. Loney, PWA engineer who yesterday suggested a further delay in the case.

After accompanying the governor in an inspection of the house where the carpenter lived before his arrest for the Lindbergh kidnaping, Loney said on return here he did not "know anything about the man's guilt or innocence but there are some discrepancies in the evidence about the kidnap ladder."

He first made public a year ago his contention that the ladder was not conclusive evidence of Hauptmann's guilt.

MEASLES CHANGE FIELD MEET PLAN

Plans for the scheduled track meet between the Kerby and Medford high schools, which was to have been run at Kerby this afternoon, were halted by an epidemic of measles in the mountain town, it was announced.

With his charges promised a meet, Coach Bowerman hastily signed the Camp Oregon Caves CCC track squad, but was unable to arrange a meet before Saturday, so tomorrow afternoon the two groups tangle on the Medford field.

Camp Oregon Caves is said to have an excellent team, with wins over Kerby and Crescent City, Cal., already this year.

At the same time, Bowerman arranged a meet to be run against the Grants Pass high school there a week from today. The strength of the Clatsop City squad is an unknown factor, and the game is expected to serve as a measuring stick in placing the Tigers in their proper niche in southern Oregon track. With that sport an important one in Grants Pass, the Cavemen usually have one of the strongest teams in this part of the state.

SPECIAL SERVICES SALVATION ARMY

Capt. G. R. Durham of the Salvation Army announced today that a special service will be held at Salvation Army hall, 235 North Bartlett street, at 8:15 p. m. Sunday.

Rev. French, nationally known evangelist, who is conducting revival meetings at the Pilgrim Holiness church, will be speaker. A special musical program will be given by Rev. and Mrs. French and other singers and musicians.

The Salvation Army and the Pilgrim Holiness church extend a cordial invitation to all young people and to all church people to attend this meeting. Rev. French is an old-time preacher of holiness. The meeting will be under the auspices of the Young People's Legion of the Salvation Army.

PRESCOTT FETES DEPARTING MEN

(Continued from Page One)

A chicken dinner in honor of the 54 CCC enrollees who are to return to the east for discharge Sunday was served at Camp Prescott last night. Officers participated in the farewell party and O. P. West, educational adviser, acted as master of ceremonies.

A program was presented by camp entertainers after the dinner. Capt. Ross E. Wilson, company commander, addressed the assemblage and expressed his gratitude for the co-operating spirit shown by the men during their encampment at Prescott.

Prescott was first occupied by the CCC last fall, the present company having then been transferred from Emigrant Springs near Meacham. The camp was a newly constructed unit for the CCC organization.

WARN SHEEPMEN TO LICENSE DOGS

The Jackson county dog control board today issued an announcement to the effect that it would pay no compensation for the loss of sheep or goats killed by dogs of owners of unlicensed dogs. In cases where sheep or goat owners have dogs that have no 1936 dog tags, the dog control board feels that no compensation is due them, it was made plain.

"Through the efficiency of the dog control board in collecting the 1936 dog licenses, and through the elimination of many sheep killing dogs in Jackson county, the compensation for the loss of sheep or goats through the ravages of dogs was raised from \$2 to \$3.50, in legitimate cases, the bulletin states.

The co-operation of sheep men to enforce the state dog tax law which was enacted for their benefit will greatly assist the control board and work out for the benefit of sheep and goat owners in the present year, the bulletin concludes.
