

Beavers Blanked, 2 to 0 by Rejuvenated Sacs in Coast Opener

CHAMBERS HOLDS MIGHTY HITTERS TO PAIR OF HITS

Superb Pitching Marks First Games — Seals, Angels and Oaks Grab Wins.

(By United Press)
Superb early season pitching performances sent the Pacific coast league off to a flying start in opening day games Saturday on four California battlefields.
The best performance of the day was turned in by Johnny Chambers of the much-deepened Sacramento Solons. Facing Portland's array of sluggers, Johnny yielded only two hits and shut out the Beavers, 2-0. Bill Posedel, Beaver ace, also pitched well, giving seven hits.

Another hurling duel was presented at San Francisco where the Seals, defending champions, defeated the Mission Reds, 3-1. Sam Gibson, leading moundman in 1935, took up where he left off last fall by giving the Reds six hits. Walter Beck, Mission right-hander who won 23 games last year, also pitched well, but the Seals, aided by Borjosa's homer, bunched their hits in mid-game to win.

Lee Willie Ludolph of Oakland strengthened his claim to being the "Misty of the mists" by hurling the Oaks to a 6-1 victory over Dutch Reuther's Seattle Indians. Ludolph, Reuther's real veteran, had one of the league's best records in holding Mike Hunt and his mates to four hits. Howard Craghead started and Lucas finished for the Indians.

The kick-off game at Los Angeles was a slugfest duel between the Angels and the San Diego Padres. The teams started the first inning with two runs each in the first. Then came a series of scoreless frames and the fireworks took up again in the fifth. Three pitchers worked for the Angels, who won 7-5, and two for the Padres, last year's Hollywood team.

Unofficial attendance figures indicated about 22,000 fans saw the four games. The weather in northern California was unfavorable, clouds overhanging the field and threatening rains.

At Oakland:	R.	H.	E.
Seattle	1	4	0
Oakland	6	9	1

Craghead, Lucas and Beasler, Spinadel; Ludolph and Kies.

At San Francisco:	R.	H.	E.

KITTENBALL PLAY UNDERWAY APR. 13 8 TEAMS TO VIE

Over 30 kittenball enthusiasts met the last of the week to draft plans for an eight-team league, with play to get under way at 6:15 Monday night, April 13. All of the teams will assemble that night, it was decided, with a drawing to determine which four teams will start the schedule off.

It was also decided to levy a \$5 admission charge for each team, the money to be used in taking care of incidental expenses incurred, with the balance to be used in feting the two top teams at the end of the year. Sam Colton, head of the league this season, has announced that interest in softball is at a greater pitch than any time in the past 10 years. All of the teams that have signed have strong prospects, and at the present date Colton foresees no weak teams.

One extra team appeared at the recent meeting to present an application. Colton said, but it was voted to reject the offer rather than throw the balance of the league off center.

The Jennings Tire team and the Office Boys, winners and runners-up last year, have again signed. Lamports and the Christian Church entries are also back, with four new teams.

The four are the General Petroleum outfit, the only oil company team to be in the loop this year; the Tuggery, with a fast club; West's States Grocery, which recently established a headquarters in Medford, and the Headquarters Detachment of the CCC. Headquarters was willing to enter two teams, but it was ruled that one team would be stronger and would offer a more powerful link in the league chain.

All of the games will be played at the Van Scoyve field of the Junior high school, on West Second street. This field is large enough to accommodate two games at once, the system that will be employed in running the season's games.

PETE-PECK BOUT TOPS ROUGH CARD TOMORROW NIGHT

With two Medford favorites matched in the main event tomorrow night when Pete Belcastro and Frankie Peck tangle at the Armory, the best show of the year is promised by Promoter Mack Lillard. Belcastro, Pacific coast junior heavyweight champion, has refused to risk his crown but has granted that if Peck puts up a stiff battle with prospects for a strong game at a future date, he will put up the belt in a return bout. Peck, who has been away from the city for several weeks wrestling in Los Angeles, Hollywood and San Francisco, claims to have picked up several new holds to combat the big Italian's new rope-swing and other grips.

Peck was the first man to defeat the obstreperous Key Hollis in this city. He has never met the Italian champion in the ring, but has seen him work in Los Angeles.

In the middle main event Norman Mack, rough Oklahoman who put up such a desperate fight against Belcastro last week, was signed to meet Dr. Barney Cosneck, wrestling professor from the University of Illinois. Mack showed himself to be a fast and versatile wrestler last week but favored the dirty work. In two previous battles here Cosneck has met with this kind of opposition and in each instance became angered at the rough treatment and flattened his opponents in short order. "If Mack wants to turn on the rough stuff it's all the same to me. I'll wrestle either way. That's what I'm getting paid for," Cosneck said.

The opening bout features Prince Mihalikas, Arabian nobleman, and big Joe Marsh from Oklahoma. Marsh is the lad who unearched the "Missouri backbreaker" hold, which consists of spread-eagling a man on his shoulders, face upwards, and then jarring his back out of commission by leaping in the air and coming down flat-footed. The hold has been barred in several states, but has not been barred in Oregon.

All six of the men on the bill have gathered followings in this city, and all six have announced that they are going to win tomorrow night. The first two bouts will be under the Australian system of six 10-minute rounds, with the main event under the American system of two out of three falls, or one hour's wrestling time. The curtain goes up at 8:30, with no extra admission for the all-star bill. Lillard said last night.

HIGH TRACKSTERS HOLD TRIAL MEET WHEN CCC FAILS

The Camp Oregon Caves CCC track team, scheduled to run against the Senior high school squad here yesterday afternoon, failed to put in an appearance. With the local team assembled for the meet, it was decided to hold time trials rather than to hang up the spikes without a workout, and some good times were turned in despite the handicap of a brisk wind blowing across the track.

Ettinger romped in first in the 100-yard dash in 11.4 seconds, trailed by Lewis, Crosby and Verbiak, and repeated in the 220 dash in 25.4, with Verbiak and Crosby finishing second and third.

In the distance runs Linnell took the 440 in 58.4, with Wright and Kempe finishing in that order. The half mile run went to Barker in 2:16 with Werner and Sturgill second and third. Stocks copped honors in the mile run in 5:12.3, followed by Todd, Davidson and Santo.

Ettinger cleared 18.11 in the broad jump to take first place, followed by Bayless and Horner. Grow again took the jump honors with a leap of 5.4, with Horner, Richardson and Curry finishing in that order.

Bowman nabbed first place in the low hurdles in 15.3, followed by Evans and Luther, and repeated in the high hurdles in 11.4 over a 70-yard course. Luther took second honors.

Grow and Busay tied in the shot-put event with heaves of 35 feet, 9 inches, with Earhart placing third. Erickson took the discus throw with a hurl of 95 feet and 6 inches, with Grow and Busay taking second and third.

Coach Bowerman stated that the times were good considering the weather conditions, and intimated that all these records would probably be shattered when the team invades Grants Pass Friday to tangle with the Cavemen.

JOHN MANN AGAIN CHOSEN HEAD OF WELFARE BUREAU

John C. Mann was re-elected president of the Allied Welfare association at its annual luncheon-meeting at the Hotel Medford Friday noon. He has held the position for several years.

Others elected were Miss Helen Carlson, vice-president, and Miss Ruth Meusel, secretary. The nominating committee comprised Eugene Thordike, Mrs. W. A. Holloway and Mrs. Dolph Phipps.

George T. Frey announced net proceeds of \$172.96 from the annual President's ball, held to raise funds to be used on infantile paralysis. This sum, Mr. Frey explained, represents the 70 per cent going to each community in which the balls are held, the other 30 per cent going to national headquarters for maintenance of Warm Springs Foundation. The association voted to turn the money over to the Sparrow Memorial clinic for polio victims.

The association meets regularly to hear reports from allied relief and character-building organizations, service clubs and lodges, the aim being to coordinate charitable and humanitarian efforts. To avoid conflicts with other meetings, the association decided to hold its luncheons in future on the last Thursday of every month instead of Friday as in the past.

Those attending the luncheon and the organizations represented by them were: Judge Earl B. Day, county clerk; George T. Frey, Red Cross; Larry Schade, Boy Scouts; Eugene Thordike, Community Chest; Mrs. Dolph Phipps, Girls Community club; Mrs. W. A. Holloway, Girl Scouts; Capt. G. R. Durham, Salvation Army; Mrs. Jack Heyland, Parent Teachers association; Miss Lillian Roberts, Red Cross; Joe Marshall, Rotary club; Frank Shafer, Fraternal Order of Eagles; Miss Helen Carlson, Welfare Exchange; Mrs. C. D. Bean, Women of Rotary; J. B. Fletcher, Kiwanis club; Mrs. Joe Marshall, John C. Mann and Miss Ruth Meusel.

RED'S ACE HURLER HELD IN FLORIDA

TAMPA, Fla., March 28.—(UP)—Paul Derringer, ace Cincinnati pitcher today was ordered to remain in Florida until the courts give him permission to leave, as the outgrowth of his divorce suit against his wife. The order was issued by Circuit Judge L. L. Parks at the request of Mrs. Vera M. Derringer. The famous pitcher was scheduled to leave Tampa tomorrow or Monday on the trip north with the Cincinnati ball club, and ordered Derringer to report to Judge Parks after posting bond if he plans to leave the state.

SPARROW CLINIC RECEIVES MONEY

Mrs. Lewis Ulrich, secretary of the Sparrow Memorial clinic, announced yesterday that \$172.96, representing 70 per cent of the net proceeds received from the sale of tickets to the president's ball, had been turned over to the clinic by George T. Frey, treasurer of the ball fund.

Mrs. Ulrich stated that the money will be used to help defray the cost of the annual visit to the clinic of Dr. Richard Dillehunt, of Portland; of x-rays, corrective shoes and other equipment for paralysis-stricken needy children and for the general relief aid carried on by the clinic for children suffering from the results of the disease.

The other 30 per cent of the net proceeds has been sent to the national headquarters of the Warm Springs foundation for the prevention of infantile paralysis.

Northeastern Oklahoma as well as the southern part of the state is furnishing pecans for tables of thousands of Americans.

AGED MINER DIED FROM EXHAUSTION, CORONER STATES

The body of William Reed, 80-year-old indigent who was found dead on the Applegate Thursday evening, was yesterday buried in Potter's field after the county coroner, Frank Peck, had decided that there was no need for an inquest. The body of the aged miner was discovered by J. H. Ingelman, a miner in the Star Gulch district of the Applegate.

Ingelman had driven by the spot the day before and noticed the brightly colored blazer that Reed was wearing, lying 25 feet to the side of the well traveled road. Surmising that a COC worker had abandoned the garment, he resolved to retrieve it on his next trip by. When he came back he discovered the body, and immediately notified Ranger Lee Port of the Star ranger station seven miles away, that Reed had been found.

Marke near the body told a tragic tale. Apparently demented, the old man had taken off his shoes while wandering in the underbrush near the road. His feet had become entangled in the underbrush and he had apparently fallen. A slight depression there portrayed the feeble struggle to release himself before death overtook him. The body had been there approximately six weeks, the coroner said.

The scene of the gruesome find was 14 miles from Reed's cabin, 28 miles by the only road. Those familiar with the country state that only a herculean effort could have carried the old man that far, in his condition and age.

Ranger Port assisted Deputy Coroner Herb Brown in taking up the body, and in making an inspection of the aged miner's cabin.

Reed is survived by a sister in Orleans, New York, who has so far been unlocated. Two daughters and a son are also believed to be living in Los Angeles, but efforts to locate them have proved futile. Reed himself rode freight trains to that district six months ago in an effort to find his family but met with no success, and returned to his friendless surroundings in the bleak hills he called home.

MASONS TO DINE, HOLD INITIATION

Table Rock council No. 15, R. and S. M., will hold a special meeting Tuesday evening in the Medford Masonic temple following a dinner to be served at 6:30.

Degree work will be exemplified for two candidates at the session to be held after dinner.

Membership in the council comprises Yorkrite Masons from Grants Pass, Klamath Falls, Ashland, Jacksonville and Medford. The membership has shown a steady growth, a characteristic of the other Masonic bodies in this vicinity.
