Musical Westerner Here Friday

Tr'n songs, delivered in the familiar manner that made him so well liked over the radio and on records, will be sung by Gene Autry, in his newest musical western, "The Sagebrush Troubadour," playing at the Rialto theater tomorrow and Saturday, with the final showing of Jay Clarke, internationally famous mentalist, on the stage.

Coming Sunday

her thwarted desire. Howard had this same role in the stage production. Miss Davis is the erotic, disconcerted girl who longs for a fling at life, which her miserly father and her crabbed, elderly grandfather deny her.

Three Musketeers Appearing At Roxy

Reliving the blazing careers of three of France's greatest swordsmen, Onslow Stevens, Moroni Olsen and Paul Lukas add color and action to the film version of Alexandre Dumas' immortal story of "The Three Musketeers," playing today and tomorrow at the Roxy theater.

The supporting cast includes Genevieve Tobin, Dick Foran, Humphrey Bogart, Joseph Sawyer and others. The story is set in the picturesque and colorful background of the Arizona desert, the scenes taking place in and about a wayside gas station and eating house a few miles from the real Petrified Forest.

In this strange locale are gathered a group of the world's misfits, held there by a band of killers who are hiding from a posse searching for them, awaiting their chance to escape over the border into Mexico.

At this strange gathering, Howard, in the role of an unsuccessful author, disillusioned with life, awakens to the fact that he can become of some use in the world by dying to give the girl he has suddenly fallen in love with, a chance to realize

ance tomorrow afternoon with no men or children allowed. Appearing on the stage for full hour, during which he will answer all questions. Clarke will also give each lady attending the matinee a free six-page horoscope.

Now in his second and final week's engagement, the famous mentalist has created more discussion than any other attraction to have played here in recent years. His uncanny ability to correctly answer the various questions on love affairs, business attractions, travel and the innumerable other queries has resulted in the Rialto theater's setting aside tomorrow afternoon for the special ladies only matinee, at the regular admission prices.

LET KIDNEYS FLUSH OUT 3 LBS. A DAY Clean Out 15 Miles of Kidney Tubes Nature put over 15 miles of tiny tubes and filters in your kidneys to strain the waste matter out of the blood. Kidneys should pass 3 pints a day and so get rid of more than three pounds of waste matter.

When the passing of water is scanty, with smarting and burning, the 15 miles of kidney tubes may need flushing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness.

If kidneys don't empty 3 pints a day and so get rid of more than 3 pounds of waste matter, your body may take up some of these poisons causing serious trouble. Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and help the kidneys to flush out 3 pounds a day.
